

DEBATERS WIN RIGHT TO ENTER STATE CONTEST

Victory Over Tech Makes Central City and Dis- trict Champ

REED CUP IS REWARD

Greatest Crowd in History of Debate Helps the Team Win

The Central debating trio took— took is the right word—another decision last Tuesday night at the new Tech auditorium from the Technical orators. This debate brings city championship with the cup offered by Mr. W. E. Reed, President of the Board of Education, as a reward. It also means district championship which gives Central the right to enter the state contest at Lincoln in May.

Sam Minkin, David Fellman, and David Sher stood up before perhaps the greatest crowd that has ever witnessed a school debate, and fought their way through brilliantly developed speeches, and smashing, shattering rebuttals in upholding the negative on the subject: "Resolved: That the United States Should Further Restrict Immigration." Their work was a credit to Coach Chatelain's untiring efforts and to their own ability.

Enthusiasm High

By 8 o'clock the Tech auditorium was more than half-filled, and soon after all the downstairs seats were occupied by a wildly enthusiastic crowd. As the teams came down the aisle to take their place on the stage, the spectators of both schools rose as one man, and first the Tech, and then the Central rooters gave one great cheer for their respective teams. Enthusiasm and excitement was rife throughout the entire evening.

Suspense at End

Mr. Reed, of the Board of Education, gave a short talk before introducing the debaters. The Tech speakers were Kenneth Brown, Carol Jones and Sam Zacharia, in the order named.

The judges were Mr. M. B. Conklin, attorney; Mr. Fred N. Hellner, attorney; Judge C. O. Stauffer of the District Court, all of this city.

After the last speaker had finished his rebuttal, Mr. Reed calmly collected the judges' decisions and announced: "The decision is 2 to 1 in favor of the—(long pause)—negative!" And what a wild shout greeted the announcement! The victorious debaters were surrounded by an exulting mob, their hands pumped up and down in congratulation, and their backs the buffers for approving pats.

WARREN CHILES WINS PRIZE FOR BEST AD

Warren Chiles won the \$25 prize given by Thompson-Belden's for the best copy submitted by a Central student for their one-page ad in the O-Book. According to the judges, the prize was won by the copy submitted by Chiles because of its illustrations and originality of makeup.

HOME ARTS GIRLS HONOR GRADUATES

Hold Annual Reception May 9—Invite Faculty and Mothers

The annual reception in honor of the girls graduating from the Household Arts department will be held May 9 in 445 from three to five in the afternoon. The mothers and faculty are invited.

Each girl will wear the prettiest dress she has made. Refreshments will be furnished by Mrs. Zimmerman of the Corn Products Company, and will be prepared by the cooking classes.

On May 8, the work in design, interior decorating, and wearing apparel will be displayed. This showing will be open to all the girls in the school.

STUDENTS ORGANIZE CENTRAL COMMITTEE

The Central Committee, a new organization of selected students for the betterment of Central High, sponsored by Mrs. Atkinson, chairman, Miss P. Smith, Miss Shields, Mr. Masters, and Mr. Woolery had its first formal meeting in 118 Friday evening after school. The first work that the Committee will attempt will be the cleaning-up of Central. According to Mrs. Atkinson, the members will not wield brooms nor mount step-ladders, since our janitors are quite efficient enough; they will merely report at the next meeting all the blemishes that they can find in Central and cogitate as to what had best be done about them. The Central Committee will meet again next Friday in 118 to elect a chairman and report on their survey of Central.

The Electoral Committee for the Junior Chapter of the National Honor Society will announce the names of those who have been chosen as members at a Mass Meeting to be held some time during this week.

Lloyd, Barris Will Sit in City Council

"We certainly didn't expect to get the commission-ership, but now that we have, we're going to do our best for Central," stated Dale Lloyd and Ralph Barris, Commissioners-elect from Central, who, with the commissioners chosen from the other high schools of the city, will help in the administration of the municipal government the afternoon of April 29 in the celebration of "International Boys' Week."

Are Staunch Supporters

Lloyd and Barris promise to be two of the staunchest supporters of the city government as is shown by their platform. It is "Boost Omaha, Respect for Law and Order, Cooperation of City Officials, No Corrupt Politics, Help Central Get (1) Better Athletic and Educational Facilities, (2) Beautiful Campus and Court."

Have Many Activities

Lloyd and Barris are both prominent in the activities of the school. Dale is captain and personnel adjutant, a member of the Senior Glee Club, an engineer, and was associate business manager of the last Road Show. Ralph is the secretary of the senior class, is in the cast for the senior play, is a member of the Hi-Y, and is first lieutenant and adjutant. Both boys are Student Control members, on the O-Book staff, and former presidents of the Speakers' Bureau.

To Elect Mayor

The newly elected commissioners of the high schools of Omaha are to

THREE WIN PLACES IN DRAMATIC CONTEST

Hymen Shrier and David Sher Will Try for State Honors

Two Centralites, Hymen Shrier and David Sher, having won first honors in the district contest, will represent Central in the State Dramatic contest. Three out of four Centralites won places in the district contest in Technical auditorium last Thursday. Central's representatives were; Hymen Shrier, David Sher, Doris Secord, and Virginia Worst. Twelve schools contended.

Hymen won first place in the oratorical section. David won first place in extemporaneous speaking. Doris Secord took second place in the dramatic section. Virginia Worst made a very good showing in the humorous section.

The contestants were sponsored by Miss Elvera Johnson.

SENIOR PLAY LEAD

RUSSELL SUHR

Russell Suhr as Daniel Voorhees Pike, the "man from home" will have the lead in the Senior Play of '24. Although Russell has been in Central only two years, he has taken part in many activities. He joined the Glee Club last fall and is now president of it. He was also in the 1924 Road Show, "The Bohemian Girl," and "The Enchanted Year."

meet April 29 in the city council chamber to organize according to the form of government under which Omaha is governed. Of their number, one is to be elected mayor, another police commissioner, and so on through the various departments.

Australian Ballot

The election of the commissioners, the first thing of its kind in Central, was conducted by the ten civics classes of the school. The Australian Ballot system was used.

Regular Campaigns

Campaigns were held by the candidates—parades, open-air meetings, and music being the features. The total cost of the Lloyd-Barris campaign was 35c.

The campaign managers for the winning candidates were Frances Johnson, Hawthorne Arey, Ruth Bethards, David Sher, Ted Anderson and David Waterman.

MOTHERS-DAUGHTERS BANQUET ON FRIDAY

An Interesting Program Is Planned by Members of Student Club

A very promising and peppy Mothers' and Daughters' Banquet is to be given for the girls of Central and their mothers by the Student Club members, Friday evening at 6:30 o'clock, at the Y. W. C. A.

Interesting Program

The program is to be most lively and interesting. Good food will be served to the tune of a first class orchestra; toasts will be made; and club songs will be sung. Short speeches will be given by Madeline Miller, Mrs. H. F. Elsassner, Margaret Wigton, and Melba Burke. Ruth Bethards is to toast mistress.

Belle Howe Arey urges that every girl come and bring her mother. Tickets may be obtained for 50c from anyone on the ticket committee or from Miss Bozell in room 120, or Miss Parker in room 149.

SECOND SCHOLASTIC CONTESTS ON MAY 10

Central's Representatives Chosen by Elimination Tests

The second annual Nebraska Inter-scholastic contests will be held at the University of Nebraska at Lincoln on May 10. Tests, prepared by the faculty of the university, will be given on that day to the representatives of the schools.

Many Subjects Entered

The subjects this year will be European history II and III, and American history II; algebra II and III; geometry II and III, and trigonometry; freshman and advanced composition, and spelling; physics and chemistry II; civics; Latin II, IV, VI, VIII; and French II and IV.

Central's Representatives

Two representatives are allowed for each subject. Tests to determine Central's representatives in history are being held this week, and other tests will be given for other departments in the near future. The pupils making the best grades in the tests will be allowed to represent Central at Lincoln.

The framed motto won by Mrs. Swanson's Freshman Home Room, 49, is finished and hung. The lettering was done by Morris Okun.

CAMP NOTICE

Hearken to me, ye cadets of our regiment. There will not be a Concession tent at camp this year. "But what will we eat?" Do I hear any questions? Never fear. You will have the tent, but it won't be called the Concession tent. It will be the Canteen tent from now on, and furthermore, it will be operated just as the army canteens are. Operation of the tent will be, for the first time, a student activity. All the work is to be done by students, mainly cadets who have drilled at some previous time, but are not drilling now. This arrangement was made in order that those who work in the canteen may put all their time into it, and Mr. Barnhill, who has charge of it, says there will be plenty of work.

LINCOLN DEBATE CLOSES SEASON

Amherst Cup Contest Last Before State Tourna- ment Debates

IS AN ANNUAL AFFAIR

The Amherst Cup debate with Lincoln will be held in the Central auditorium at 7:30 on the evening of April 29, with Central taking the negative on the question Resolved: That the United States Should Further Restrict Immigration. The debaters have not yet been selected but they will be three of the following; David Sher, Sam Minkin, Gerald Vasak, and David Fellman.

Long and Traditional Debate

The Amherst Cup is presented by the Omaha and Lincoln alumni of Amherst College at Amherst, Mass. This cup has been presented for many years and must be won three times in succession before it may be permanently kept by either Lincoln or Central. Central now has one cup in her permanent possession and Lincoln two. Lincoln won last year's debate and so has one leg of this cup. This debate is a traditional one and before the rivalry between Tech and Central began, was considered the most important debate of the season.

Last Debate of Season

Lincoln always gives Central a hard contest and this year has a strong team. They were defeated by Geneva from whom Central won; but they have avenged that defeat by several recent victories.

"This is the last debate of the season, and it is the last time to hear the team before the tournament debates," stated Mr. Chatelain. "This debate will make excellent preparation for the tournament, too."

SENIOR PLAY LEAD

DOROTHY RUTHERFORD

Dorothy Rutherford as Ethel Granger-Simpson, the beautiful American heiress, has the feminine lead in the "Man From Home." She is a member of the Junior Glee Club, the Gym Club, and Student Club. Dorothy also took part in "The Enchanted Year," and in the 1924 Road Show.

PLAY FAIR

During the recent election for commissioners there occurred several small incidents which deserve mention. Some days before, and on the morning of the final election, spirit was at its highest. Signs and posters were distributed plentifully about the buildings, while jazz and speeches helped pep up the crowd on election morning. Spirit ran high that day, and, in a few cases, perhaps bubbled over.

A casual observer witnessed a small act or two. A few over-exuberant campaigners expressed support of their candidates by ruthlessly destroying several posters boosting the opposing candidates. Aside from the posters, no harm was done, and probably few people saw the occurrences. They have a significance, however. They are not representative of Central, and show a poor sporting attitude on the part of a few students. Such deeds will only reflect on the doers, not on those at whom they are aimed.

NEED OF DIGGERS

Central has always maintained an unusually high standard of scholarship. It has been suggested that this is the reason for so small a number of "A's" earned by students. Honor roll statistics compiled at the end of each term show a small number in proportion to the rest of the school. The girls seem to be outstripping the boys in "A" grades. Perhaps some of us long for "A's," but alas, an "A" requires constant work. The most needful attribute to excellent grades is SYSTEM.

Get a line-up on your subjects, and parcel out your time accordingly. Some subjects demand much time and thought, while others are comparatively easy. What is easy for you may be difficult for the other fellow. The point is this—invent your own system—one that is best suited to your needs—and stick to it!

And now a word to those who do make "A's." If you are eligible for the Honor Roll, do not hesitate to hand in your name for publication. It is an honor to yourself to be among the names of "A" students. The Honor Roll is always a source of pride to Central. Help swell the "A" list! If you make three or more "A's," turn in your name. If high marks are scarce to you, acquire the "A" habit!

A LIVING MEMORIAL

A real memorial to those heroic souls who gave their lives in that world struggle—that is the splendid and praiseworthy project which Omaha is attempting. The structure will be erected on Creighton field, and is to be for the use of all Omaha, and for big athletic contests of various sorts. Physical development, character building, and city building will be some of the benefits of this new arena. Since all Omaha is to enjoy the stadium advantages, Central will have a share.

The high school is handicapped by lack of space in which to have contests. We have no real athletic field, and our gyms are small and entirely inadequate to the needs of the school. The new stadium will remedy this big deficiency in Central's athletic machinery. Our future teams will always be assured of a splendid field or court on which to settle scores with their opponents, and of a place which will accommodate a real crowd.

Central will be one of many to benefit by this memorial building. It is a community project. It typifies Omaha's bright prospects and makes for a healthier, happier city.

DEBATING RIVALING ATHLETICS

Debating has at last assumed its rightful place in Central. Anyone present at the big Technical-Central debate last Tuesday evening would have thought that a basketball game at least was in progress by the roof-raising ovations accorded the speakers. And Central was THERE in full force, filling the assigned section, and more too. The Centralites out-cheered and out-debated Technical. They won the right to represent Omaha at the State debating tournament as well as the City and district championship.

The biggest victory won, however, was that of school spirit. That fine crowd showed that Central was backing her debaters—just as she backs any big athletic affair.

Let's go, Central debaters! Let Nebraska know that Omaha is on the map! We're backing you, always!

Only four-hundred and five wise ones depart these gates in June. This is the largest class Central has ever graduated. We must be growing. Before long the city will have to add a couple of stories to our building to accommodate all those who wish to go here.

Spring vacation is over
 It sure is hot as heck,
 The heat affects the teachers—
 Assignments by the peck.

Aw, let's play "snaps".

So I took the \$50,000 and bought some lunch checks.

MR. NO IT IS DEAD!

Mr. No It, who has helped thousands succeed by answering the world's most perplexing problems, contracted spring fever during spring vacation. Complications set in. The poor boy was laid away for keeps last Saturday afternoon.

We have secured, however, a man of national fame, namely Olaf Olson, of the Poor Focus Film Co. His weekly hair uncurling, death gripping, soup stirring, tooth picking one act plays will begin next week. Watch for them.

Poor, poor Mr No-It, he was so good to his mother.

One of our ill bright students says, "Don't cram your studies. It doesn't pay!" Thanks for telling us. Ha! Ha!

If there are apples in apple pie
 And chicken in chicken stew,
 Wouldn't there be pups and
 doggies
 In dog biscuits too?

And by the way, "Swat the fly."
 Hit one and kill ninety million.

The girl with pretty eyes
 Used to have men by the packs,
 But those days are gone forever
 For the men now lamp green

Ain't it a fact.

"TEST-YOURSELF" INTELLIGENCE EXAMINATION

(Note: Concentration will be found easier if the questioned stands on one foot and moves left ear constantly, thus stimulating the brain cells. Great choice of questions is given—answer five out of the six questions. The average mind should solve at least five.)

1. If it takes five days for a one legged mosquito to bore thru a freshman's ear, how long will it take a fly walking around a billiard ball to wear it down to the size of a pea?

2. If a man walked four miles when he didn't have to, what would he be?

3. If a student walks around the halls 15 times in a morning and wears out 22 1/2 grains of flooring, how long will it take 2,389 students to go thru the floor.

4. If it takes 4 days, 9 hours, 3 1/4 seconds for a cross-eyed wood-pecker to demolish a 14 foot telephone pole, one peck every 3 seconds, how much wood would that be per peck?

5. If it takes 20 pancakes to shingle a dog house, how many hot dogs will it take to serve 859 starving Americans who have never used tooth picks before?

6. If the author of this column was (by mistake) put in a padded cell in Sing-Sing, how many would try to get him out?

I guess the last one is the easiest to answer.
 Alice Craby was one of those kids who never had time to speak, and that is why she'd be at home seven nights of the week.

But things are better now
 She wants to speak in the halls
 And when lil Joe speaks to her not
 Alice bawls and bawls and bawls.

And—as the father said, when the three-month old kid started yelling in the nite, "Four bawls and I walk!"

A lot of hobo's are track men!

'Tis early in the morning
 Six hours are before us yet,
 How hard we work for a living
 Still "D's" are all we get.

But better days are coming—the big vaca—"Oh Baby!"

Till the cow slips—

YES, IT IS A DEEP AND DARK SECRET

Out of all Central's bevy (?) of smart students Dominick Manoli seems to have been the only one ever to have attained the marvelous heights of 6 1/2 A's.

Sam Samuelson '21, and Madeline Cohn '16, will go down to posterity as the two Central students who bribed their teachers to the extent of receiving 6 A's. Just what the "bribe" could have been is still unknown to everyone except Mary Claire Johnson '26, who used some fair means or foul for the same purpose, for she covered herself with glory by getting 6 solid A's this mid-term. Mary Claire is pretty and slender and very likeable and jolly, in spite of, or because of her studious bent. She is prominent in the Debate Squad and in Speakers' Bureau.

There is no use, kids, in teasing Mary Claire as to how she gained her six "elusives," for she is too clever to give away a good secret like that. There is also no use in writing to Dominick, Sam or Madeline for such information, because they are, according to college records, still using their hidden, but successful methods. And so, alas, there are only four super-excellents who have (stolen, bribed, wrenched?) from their teachers' hands six whole and unadulterated A's!

ALUMNI

Dominick Manoli '23, who entered Harvard College last fall as an honor student without taking examinations, has been admitted to the Dean's Fund, the name for the Freshman scholarship, according to a letter received by Principal J. G. Masters from Harvard University.

This scholarship is for the second semester of the freshman year, something very unusual in a college, since most of the scholarships begin with the sophomore year. Oscar Schlaiker '22, also won this honor in his freshman year. Dominick Manoli graduated from Central with thirty-nine credits, thirty-one of which were A's, the remaining eight were B's.

Edward T. Monroe, Jr., '20 has gained some distinctions at Purdue university. He is a halfback on the football team, and has the champion crack gun squad of the Field Artillery regiment. The latter was secured through a series of competitions and eliminations. He was also promoted to the highest office of the Sophomore class, that of Brigade-Sergeant Major. In Central, Edward was on the football team and the Register Staff and was First Lieutenant of Company A.

Howard Elliott '23 won one of the state prizes in the Firestone Good Road essay contest for last year. He received his prize of \$5 just the other day. Among other activities that he engaged in at Central, Howard was president of the Student Association, president of the debate team and was on the Register staff.

Fred White '20 was one of the members on the Creighton debate squad, which won a 3 to 0 victory over the team from the University of South Dakota.

Jack Ringwalt '23, now attending Princeton, has received high grades in French, Latin, Mathematics, and English this mid-semester and is ranked in the second group accordingly to the letter which Miss Rockefeller received last week. At mid-year less than 10 per cent had a second group average. He received 98 per cent in his Mathematics exam which ranked him only 2 per cent under a first group in which there were only two men.

Besides wonderful scholarship Jack has won in the Freshman-Sophomore tennis doubles and is the winner of 1927 squash singles. He was in the upper 15 per cent of the class in the last uniforms and will be a member of the 1927 track squad. While attending Central Jack was a 5 A student.

A man walked hurriedly into a railroad station and going up to the clerk at the information office asked breathlessly: "What time does the train come in? What time does it go out? How deep is that river out there and how much are bananas?"

The girl went off and in a few moments returned. Looking at the man very fixedly, she replied, "In at eight, out at nine, up to your waist, and three for a dime."

Pollywog: "Why have so many instruments three strings?"

Don N: "So that if one breaks you'll still have two."

Mr. Gulgard: "On the scale, D is one octave above D."

Bright Boy: "Where's D?"

Mr. Gulgard: "On your card."

We think he is real cute, Elenore.

Francis Hendricksen evidently thinks of giving the Indians a little competition. Her shrill war-whoop last Friday morning was enough to blanch the skin of any red man.

Say, Helen, did he let you drive the Buick Saturday night?

We understand that Verne is dealing in vegetables.

CONGRATULATIONS TO RADIO DEPARTMENT

Central's radio station KFCZ has received several notes of congratulation. The following comes from Cuba: "This is just to congratulate you for the wonderful concert you gave the radio fans on the night of April 4." The sender, Paul Esmard, heard the concert from his receiving set in Havana, Cuba.

A Technical High student writes to say that he heard the report of the Technical-Central debate from KFCZ. He further congratulates Central on the victory, and adds that good sportsmanship gains more renown than a decisive win in a contest like this.

FORMER STUDENT WORKS WAY UNDER DIFFICULTIES TO LEGAL PROFESSION

"Central certainly is alive," exclaimed Lew Ayzik Babior, former Centralite, who has been living in New York for the past few years, during his visit to the scenes of his high school life last Tuesday, when he gave an interesting talk to Miss Rockefeller's VII hour class.

Had Full Program

Mr. Babior has had a very full program since leaving Central. He has gone through the St. Lawrence University, winning the degree of L. L. B. as a side issue; has worked himself up from a stenographer to a credit investigator in one of the big banks in New York.

Very Hard Struggle

"I don't see now how I managed to do it," Mr. Babior said. "It was a continuous strain for three years. I worked from early in the morning

GRANDFATHER IS LATEST ADDITION

Who would suppose that Central numbered among its most treasured possessions—not a loving cup, nor a pennant, but a grandfather? And yet it is true. That cheery-faced, bright-haired man who washes our windows, opens our lockers for us and receives our nickels is not only Alva E. Brown, Central's head janitor, but also the proud grandfather of little Edwin Eugene Simonds, Jr..

Likes Work

Mr. Brown likes his work at Central as much as he does being a grandfather.

"My hardest job up here is washing windows," he said; "I never seem to get done. My most likable occupation is watching you kids have a good time."

Was at Doane Eighteen Years

For eighteen years Mr. Brown was the engineer at Doane College, Crete, Nebraska. His wife was matron at the same place, and whenever the co-eds took a fancy to have a party, Mr. and Mrs. Brown were the chaperones. Anyone interested in Doane should go to Mr. Brown without fail, for he not only knows a great deal about it, but has a lovely copy of the "Tiger," the annual which the college puts out.

When he was interviewed, Mr. Brown was considering some toys to give his little grandson, and anticipating the youngster's joy at the playthings, which proves that Central's only grandfather enjoys his unique and honorable position.

SACRED CONCERT MUSIC PRESENTED BY SENIOR CLUBS

Mrs. Pitts Directs Presentation at Auditorium Thursday

BROADCAST BY KFCZ

The Seven Last Words of Christ, a sacred concert, was presented by ninety members of the Senior Glee Clubs under the direction of Mrs. C. M. Pitts at the Central High School Auditorium last Thursday night. The combined efforts of the soloists, choruses, and accompanist, Marie Uhlig, made the concert one of the most beautiful ever presented in Central High School.

Kenneth Seeley a Soloist
The soprano soloists were: Annunziata Garrotto, who sang the introduction, Ruth Rigdon, who sang the beautiful Third Word, and Alice May Christensen, who sang in the Last Word. Jack Kerschner was the tenor soloist, and Kenneth Seeley, a post-graduate, sang the baritone solos.

Probably the most beautiful number was the Fifth word, "I am Athirst." The choruses in this were especially beautiful.

Transmitted by Radio
The concert, which was transmitted over the Central High School radio, station KFCZ, at eight o'clock from the auditorium, was again repeated last Friday noon on the court house steps.

BOOSTING UNITS

Student Club
At the Student Club meeting Thursday, April 17, Vivian Wrenn gave the definite arrangements for the Mother-Daughter banquet to be held April 25. She said that the tickets were now on sale, and that a good program and fine toasts were being planned.

Miss Parker said that there were thirty places left for girls who wished to go to camp.

Interesting Program Given
Eleanor Brown then sang two songs, "Japanese Love Song," and "The Lilac Tree." Helen Bethards played a piano solo, "Butterflies," and Constance Hemingway was on deck with her usual snappy jazz.

Several Stunts Performed
Since this was a "Stunt" meeting, stunts were then the order of the day. First the girls blew a paper cornucopia along a string and then they were required to balance an egg on a spoon walking the length of the carpet on their heels. After this arduous exercise the girls finished the meeting with a few dances with the faithful Constance at the piano.

Gym Club

Final arrangements for the Gym Club party were made at their last meeting in room 425 last Monday. The club also decided to admit new members and elect new officers this spring, instead of next fall as usual, so that the club will be in good working order next September.

The party is given in honor of those who particularly helped the Gym girls with their Road Show act. Mr. Bexten and his stage crew, the C. O. C. act, and some of the orchestra members will be their guests.

French Club

The cast for "La Grammaire," the play which the French Club is producing April 29 in the school auditorium, has been selected. The cast consists of Theodore Wells as Francisco Caboussat, a retired merchant; Elizabeth Paffenrath as Blanche, Caboussat's daughter; Kenneth Abbott as Poitras, a professor; Belle Howe Arey as Jeane, a servant; and Lloyd Marquis as Moehut, a veterinarian.

Mathematics Society

The Mathematics Society held a short business meeting Friday after school in room 129. A program was given.

"PRISONER OF ZENDA" SHOWN LAST WEEK

The movie "The Prisoner of Zenda" which was shown in the Central auditorium Monday afternoon and evening proved a great success. George Dennis donated the film, and Carl Snavely supervised the operations. Hawthorne Arey managed the money end. There was a large crowd at both performances. Jack Kerschner played during the entire afternoon performance, but in the evening the Omahans played part of the time and then Jack played.

GLADE'S MASTER HURLING GIVES PURPLE A WIN

The Purple started off their 1924 baseball season with a well-earned victory over Abraham Lincoln crew of Council Bluffs last Thursday afternoon at Thirty-second and Dewey. The final score was 5 to 2.

'Heinie' Glade's masterful ability to pull Central out of pinches by strikeouts proved fatal to the Iowa nine.

The Zip nine began to tally in the fourth inning with one run. In the fifth inning the Bluffs pitcher weakened and Central garnered three runs. In the sixth frame the Purple scored another run and the last one of the game, making the score 5 to 2.

(These standards are not the same as those that appear in Field and Track Rules that Coach Schulte compiled in 1922. It has been found advisable to make many changes. These records are the standard for the state.)

Rules Governing the State Numeral

1. The man who lowers or betters a record in column four is a high-class performer—one who at his best would be extremely likely to place in the State meet. Equalling or bettering the marks of column three would place a man very high in most County meets. Column two standards would win many firsts in dual meets.

2. The man who places in any event in column one is considered to have won a fourth place. One (1) point.

Placing in column two equals a third place. Two (2) points.

Column three equals a second place. Three (3) points.

Column four means a first place performance. Five (5) points.

NOTE: Evidently the man who places in any event in—

Column 1, scores 1 point; column 2, scores 1 and 2 points equals 3 points; column 3, scores 1 and 2 and 3 points equals 6 points; column 4, scores 1 and 2 and 3 and 5 points, equals 11 points.

3. To win the "half blue"—light blue—numeral the contestant must score twelve (12) points. Scoring in 12 events in column 1 wins 12 points; 4 events in column 2 wins 12 points; 2 events in column 3 wins 12 points; 1 event in column 4 and another in column 1 also wins the numeral.

4. To win the "full blue"—dark blue—numeral the contestant must score twenty-four (24) points.

5. The numerals will be awarded by the athletic department of the State University only upon the properly certified recommendation of the superintendent of the high school. This recommendation must be made according to the form appended herewith.

6. The above state-wide Numeral Honor Roll standards shall become the standards for all high schools of the state who wish to avail themselves of this system.

How to Try for the State Numeral

1. When: Any day of the school year.

2. Where: On your own home grounds.

3. Who officiating: Any duly appointed member or members of your school staff: Coach, Superintendent, Instructor, etc.

How to Officiate

The greatest care must be observed to make certain that every recorded performance is absolutely correct.

1. The distances to be run must be absolutely correct. (Coaches must verify.)

2. All measurements of performances must be absolutely correct. (Coaches should measure.)

3. All timing must be done with a well regulated, split second stop watch in the hands of a man who knows how to handle a watch.

4. The usual rules governing track and field athletics shall be observed in all trials for the State Numeral. A copy of the state rules governing track and field can be secured from the Lawlor Sporting Goods Company of Lincoln. Price, 15 cents.

Competition Is Keen

Competition for securing the state numeral in track this year is very keen in the Central cinder path mens camp. Every one is trying his best to be able to wear one of these numerals at the end of the season. A man with any ability whatsoever can wear one of these monograms on his track shirt if he has the ambition.

If sound waves didn't all travel at the same speed, the base drummer in the orchestra would have to arrive at the dance ten minutes before the others.

"ZIP" HILL'S CREW IN TOP FORM FOR GAME WITH CREIGHTON

A great battle is at stake when Central and Creighton Prep meet on the baseball diamond this afternoon on the Creighton field.

Each team is very strong and will put up a tough race for the city championship.

The "Zip" crew is in top notch form, however; and with Glade and Bleicher as the batteries the Purple will look like an impregnable wall.

SECOND ROUND OF GOLF PLAY BEGUN

Golf is in truth taking on a bright aspect within the Purple ranks. Much interest and an unusual amount of competition was displayed in the playing of the first round.

The defeat of Alex Larmon by Carroll Young, featured the playing of the first flight.

The first round is entirely played and the second flight is already started. Mr. Nelsen, who is teacher in charge of this sport at Central high, expects all of the second round and part of the third to be played off this week.

NOBLE, CORNHUSKER STAR, TRACK COACH

Dave Noble, former star athlete of the University of Nebraska and Central high school, had complete charge of the Central track team during the week of spring vacation. Noble was graduated from the university at the close of the first semester and has played on several All-American football teams.

Noble accomplished much with the Central track aspirants in preparing them for the Class meet which was held last Saturday. Noble's specialty is weight throwing and he gave the men trying out in this line many valuable pointers.

CENTRAL'S HOPES GOOD FOR STATE CINDER-PATH TITLE

Central's hopes for a championship banner in the third Annual Nebraska Interscholastic Pentathlon contest, April 13 to the 27 inclusive, look good with several men trying for honors.

The individual scoring the highest number of points out of a possible 5000 will receive a gold medal with the inscription, "All Around Nebraska Inter-scholastic Champion 1924," on the back of it. Each contestant has to compete in one event of each of the three groups, the weights, the jumps, and the running event, and may then pick two electives from the events still left.

Points will be given on time, distance, and length of the different events. To run the 220 yard dash in 22 2-5 sec. will give a man 1000 points in that event. Each event has a record that will give the contestant 1000 points if he is able to equal it in the competition.

Marrow and Thomas, Central's two best track men have the best chance of winning individual honors because of their ability to do so many events with fairly good records. With two other men as good as these Central should win the banner with ease.

The events to compete in and the records of each are as follows:

- Running High Jump—5 ft. and 10 in.
- Running Broad Jump—21 ft. and 2 1/2 in.
- Pole Vault—11 ft and 7 in.
- Shot Put—45 ft. and 7 1-2 in.
- Discus—120 ft.
- 220 Yard Dash—22 2-5 sec.
- 880 Yard Run—2:03 2-5 sec.
- 120 Yard High Hurdles—16.3 sec.
