wise have to drop out. Polytechnic High school, Los Angeles, held a canned foods mixer dance, admission to which was one can of food or ten cents, all proceeds going to needy students.

Central High school has also been loyal to the cause. Last week all students were asked to bring buttons, which were collected in the home rooms each day. These buttons will be used on garments made from cloth donated by the American Red Cross.

Special Mass Meeting to Be Held During Home Room Starts Campaign

COLLECT WEDNESDAY

Central High school pupils from Central High school will launch the Chest campaign for \$611,000 to tide Omaha's needy families over the winter. The gravest of the need is indicated in a Community Chest bulletin issued this week showing the presence of nearly 5,000 dependent families in Omaha this fall, as compared with only 1,800 in 1931, 1,200 in 1930, and 1,000 in 1929.

Mystery, Thrills, Murder Features of Central Players 'The First Night'

'The First Night,' a thrilling melodrama, will be presented by the Central High Players in Central's auditorium this evening at 8 o'clock. Rehearsals were started a month ago and dress rehearsal was held Wednesday. Tickets have sold extremely well according to George Sterns, business manager of the production. Leads are played by Elizabeth Kolbo '33, who portrays the murderer, Joan the heroine. Leads are played by Elizabeth Kolbo '33, who portrays the murderer, Joan the heroine.

The plot concerns Joan, the new protegee of Harvey, the banker, who is trying to help her obtain recognition on the stage. He is mysteriously shot and circumstantial evidence

'The play is most unique and thrilling,' asserted Mrs. Doris Hahn, director of the show. 'Nothing of the sort has ever been attempted at Central before, and we think that it will be a great success.'

Omaha high school pupils from Central High school will launch the Chest campaign for \$611,000 to tide Omaha's needy families over the winter.

With report cards right around the corner, students will be interested to know what type of cards another school is using. John Hay High school of Cleveland, Ohio, is trying a unique experiment in the form of new report cards, to grade the pupil's personality, and to make him conscious of his good and bad points. His habits and attitudes will be rated. Only the noticeable good or poor traits of the pupil will be marked; the mediocre traits will not be graded. Marking will be done only at the close of the semester, so that no teacher will give a hasty opinion of the pupil. A permanent record of these cards will be kept for future reference. The tabulation of habits and attitudes is as follows: health, personal appearance, workmanship, honesty and trustworthiness, courtesy and consideration, self-control and obedience, initiative and self-reliance, sportsmanship, and citizenship.

Often a former student applying for a position gives the teacher or principal of his school as reference. The latter is so deluged with questions concerning the applicant's character, that this concise information would help in giving accurate opinions of the applicant.

Students of Shorewood High school in Milwaukee, Wis., are breathing sighs of relief. Their report cards are to be handed out at school instead of being sent through the mails. It has been estimated that this plan will save the school approximately \$350 each semester.

And what a boon to humanity it would be if specials were handed to the students to be returned any time it suited their convenience!

Do you know what a 'kibitzer' is? He is a person who reads other persons' papers and refuses to purchase any of the tickets sold to help the school. Instead, he spends his money for candy, gum, and cigarettes. The staff of the Central High Times, Saint Paul, Minn., is launching a campaign against these 'kibitzers.'

A campaign against people who chisel into lunch lines, who 'borrow' your notebook paper, and who copy your history outline wouldn't be such a bad idea.

'Stand up and tell all you know about the person sitting to the left of you.' This is just part of the 'getting acquainted' program introduced by a physics instructor at Dubuque High school, Dubuque, Iowa. His theory is that students work better under more congenial conditions.

The theory is all right, but how would you like to have someone get up in class and tell what time you got home last Saturday night, and where you were the day you told the teacher you had a bad cold.

Central Girl Plays in 'Elizabeth the Queen'

Edward Clark, Court Jester, to Sing Shakespearean Ballads

In the Community Playhouse production of 'Elizabeth the Queen,' beginning on November 7, Mary Laura Vance '34 will play the part of Penelope Gray, lady-in-waiting to the queen.

Edward Clark '32 is the court jester and will sing several Shakespearean ballads which Director Szold plans to introduce in the play. In Central's opera last year, 'The Mikado,' he played the part of the Lord High Executioner, a somewhat similar part.

Justin Wolf '28, who specialized in the study of the Elizabethan period while at Harvard, is in charge of the research work incident to authentic presentation of the play. Others in the cast who are Central High graduates are Richard Melcher '33, Howard Fischeher '30, and Arthur Redfield '28.

Hold Return Debates With Tech Wednesday

Return debates with the Cogide club of Technical High school were held Wednesday, November 2, at Central in Room 129. The affirmative of the Missouri Valley question, 'Resolved that at least one-half of all state and local taxes should be derived through sources other than tangible property,' was upheld by Joel Cherniss '33, Katherine Stone '35, and Claire Miller '34. The negative was carried by Kenneth Durden '34, Leonard Leon '35, and Joe Lerner '35.

Mrs. Masters Reviews Book at Faculty Meeting

Mrs. J. G. Masters, who is conducting a book club, fiction and non-fiction, gave a review of Stuart Chase's latest novel, 'The New Ideal,' at the faculty meeting yesterday. She will repeat the review at a meeting of the History club, Tuesday in the Central High school library.

All the people on earth could be placed in a half mile cube.

Former News Head Visits Central Today

Mrs. Elizabeth White Parks, formerly of the journalism department and faculty adviser of the Central High Register from 1921 through 1928, will visit Central this afternoon. She is coming from Cornell college, Mt. Vernon, Iowa, and will be accompanied by Professor Tull, teacher of English composition. Mrs. Parks received her M. A. degree in journalism at the University of Iowa last summer.

Professor Tull will speak at 2 o'clock in Room 149 to students interested in creative writing, according to word received by Principal J. G. Masters.

Water Overflows in Cafeteria After Faucet Is Forgotten

Because an attendant in the cafeteria turned on a faucet and forgot to turn it off, water overflowed from a steam table and formed puddles on the floor in the north part of the cafeteria, recently. Students and teachers walked on large gunny sacks which were hastily spread over the streams of water.

Dr. Clark Addresses 600 Music Students

Admires Tall Boys and Fine Bases of Middle West

'They say this part of the country is where the tall corn grows,' laughed Dr. Frances Elliott Clark, noted music supervisor and representative of the Victor Phonograph company, who spoke to six hundred members of Central's music department in Room 145 during home room last Tuesday. 'I think it must also be where the tall boys grow, for I never heard such fine bass voices in high school students as in this region.'

Dr. Clark was the first person to use phonograph records in the teaching of music in schools. 'There was very little music taught in public schools at the beginning of this century, and what there was very crude,' she stated. 'Then, the person who could sing the loudest was considered the best.'

Waterhouse Honored By Fremont Teachers

Mr. A. H. Waterhouse, principal at Central High from 1899 to 1907 and now superintendent of schools in Fremont, was honored at a banquet given by Fremont teachers, Saturday evening, October 22, at the Hotel Pathfinder, on the completion of his twenty-fifth year as superintendent.

Dr. H. A. Senter represented the Central High faculty and Miss Harriet Towne of Lincoln High school, represented the Lincoln schools. Mr. Waterhouse was principal in Lincoln before he came to Central, then known as Omaha High. Mr. Waterhouse's picture hangs outside Room 235.

Dansky and Fry to Broadcast Program

As the result of tryouts held Wednesday morning, Abraham Dansky '36 and Margaret Fry '33 were chosen to be on this week's high school radio program, to be made up of students from South, Tech, and Central. Abraham Dansky, who is playing two piano solos, is only 12 years old and was runner up for the youngest freshman this fall. His numbers will be 'Waltz in G Flat' by Chopin and the Friska part of Liszt's 'Thirteenth Hungarian Rhapsody.' Margaret will sing two numbers: 'Desire' by Cecil Cowles and 'Italian Street Song' from 'Naughty Marietta' by Victor Herbert.

Grand Opera Society Will Present 'The Beggar Student'

The Society of Grand Opera in English will present 'The Beggar Student' by Millocker Saturday night, November 19, at the Brandeis theater. The opera will be supported by the Omaha Symphony with Ernest Nordin, Sr., directing. There is a special students ticket which may be secured at the box office for 50 cents.

Music Competition to Be Held at Kearney

The 1933 Nebraska high school music competition will be held in Kearney, Fred Schneider of Loup City, chairman of the convention, announced Monday, following a meeting of the executive committee. This will be the second time in the last 10 years the competition has been held outside. Hastings entertained the group two years ago, but all other meets have been held in Lincoln.

Omaha, Lincoln, Fremont, Grand Island, Hastings, and North Platte all made bids for the 1933 convention, which will bring about two thousand students to the convention city for the two-day meet. The 1933 competition will be held May 5 and 6. Contestants representing Central High tied with South High last year for first place.

Musical Club to Sponsor Four Concerts at Joslyn

Announcement of the 1932-33 series of four concerts sponsored by the Tuesday Musical club, to be held at the Joslyn Memorial auditorium, was made recently. The first concert will be given by Kathryn Meisle, American contralto, on November 17. In October, 1921, she made her professional debut with the Minneapolis orchestra under Emil Oberholfer, and in November was engaged by the Chicago Civic Opera company to sing leading contralto roles.

The Community Chest...

HUNDREDS of Omaha families and children will suffer this winter if the Community Chest drive is not successful. It is up to us as a school and as individuals to do what we can to help. November 14 to 24 are the dates set for the Chest drive at Central High. Come to the big rally in the Omaha auditorium next Sunday and help 'put it over.'

Want Mrs. Pitts on Committee

Mrs. Carol M. Pitts has been asked to serve on the committee of vocal affairs at the Music Supervisors National conference which will be held at Grand Rapids, Mich., this spring. Robert Rodwell '34, supply sergeant of Company B, was promoted to junior color sergeant, and Paul Bunce '34, sergeant in Company B, was given Rodwell's former position. Promotions are to take effect immediately.

General Order Lists Military Promotions

William Stevens '33 was promoted from sergeant, Company A, to second lieutenant, same company, according to the eighth general order of the military department, October 31. Richard Carey '33, first class private in Company A, was made a sergeant in the same company to take Stevens' place.

new auditorium form vivid impressions of the high school mainly by the conduct of the students. The bedlam of confusion and racket that has confronted our speakers in the past has in no way contributed to form a favorable impression in their minds.

Snapping of hat racks, throwing of pennies, and other such disturbance cannot continue without seriously affecting Central's reputation. A quiet and appreciative audience should be Central's. Loyal students, truly interested in the welfare of the school, will attempt to prevent disturbances in the future. We appeal to your sense of loyalty.

WE PLEDGE OURSELVES

FEW OF us who are in high school today can remember the event we commemorate on the eleventh of November—the signing of the armistice. But there are none of us who have not felt the effects of the war that it ended. We are today in the midst of the dark days that inevitably follow such a world-wide upheaval.

It is our responsibility, therefore, as the Youth of Today and the Leaders of Tomorrow, to pledge ourselves to the establishment of world peace. Instead of Armistice Day, a World Peace Day should be celebrated by all nations, with special emphasis on understanding international problems.

THE FOUNTAIN SITUATION

THE WORKING order of the drinking fountains throughout the building is as follows: first floor—one not working because of no mouthpiece, one working without mouthpiece, two working; second floor—one shut off because of leak, one working without mouthpiece, two working; third floor—one shut off because of leak, three working; lunch rooms—five working. Because of the unusual feature of the entire base of the fountains being used as the drain for the water, it is difficult to fix leaks; for this reason, two fountains have been shut off.

Mr. R. M. Clay, engineer, explains that the mouthpieces have been broken by students, and because the fountains are old-fashioned, new parts are not obtainable. One fountain has been disconnected because of the lack of a mouthpiece; two are working without mouthpieces.

The drinking water in the building is not cooled by any system. When the lunch room was in the basement, the drinking water for the building was cooled by means of the refrigeration machine belonging to the cafeteria. Since the cafeteria has been moved and the uses of the refrigerator enlarged, the one machine is not large enough to cool the drinking water as well as to take care of the refrigeration of the cafeteria supplies.

This is the situation at present, and until the school board finds the money to put in an entire new system of drinking fountains, the least we can do is to keep from putting chewing gum in the ones we have. Let's make the best of an unpleasant state of affairs, and show what good sports we can be!

BEGINNING at one end and ending up at the other, I find in the middle—Betty Barr trying to smile with her mouth full of Spanish hamburger. . . . Bob Houser and Bernice Meade playing "hubby 'n' wife" to the extent that Bernice's guest-card read Mrs. Houser. . . . Bob Kasal brushing up on football by reading Barbour's Baby Elton—Quarterback. "B" company learning the proper (?) way to change step from Paul Bunce. . . . Betty Cathers and Rosy Oehrle dodging falling waste-baskets in the court. . . . Jack Douglas learning poetry to the rhythm of some squeaky clarinets. . . . Jack "Atlas" Hart announcing that he can take it. He funks his tests like a gentleman. . . . George Edgerly and Dick Clark vying for the honor of having the most lil' curls on top of the dome. . . . Mac Lindleaf trying to persuade "Elly" that the formula for water is H-I-J-K-L-M-N-O (you know—H to O). . . . "Marnie" Pratt hollering for mamma. . . . Jack Kinyoun dreaming of his suppressed desire while she sings back "It's Too Late". . . . Oscar Schneiderwind's daschund signature. . . . Joan Milliken trying to get the words to "Let's Turn Out the Lights," a popular song. . . . Carson Rogers lapsing into that far-away "thinking" expression of his. . . . Frances McGrane trying to think up something new in the way of refusing "blind" dates. . . . Lysle Abbott collecting a harem. . . . Bob Mowbray reacting queerly to a synecopated church-hymn. . . . Bob Burruss dying to meet Daesta. . . . Leona Sanden and Corbin Thethaniel Richmond always seen walking through the halls together. . . . Dick Kelley entertaining the Heintze twins during lunch period. Les Harmon refilling his pen at least twice in one study-hour so's he can see her as he walks back. . . . "Bicky" Bickmeier getting that pious look on her face in church. This is quite an accomplishment. . . . Bob Braun drinking almost a full case of milk at a picnic. . . . Jerry, the jeweler, compiling a list of his feminine clients. . . . And finally we come to the end of our excursion and find Phyllis Hopkins doing a pantomime of the words to the song "We Just Couldn't Say Good-Bye." End of Act II.

Jay Planteen '30 and Howard Wilcox '31 have been pledged to Sigma Tau Delta, national honorary English fraternity at Municipal university.

Herman Rosenblatt '29 was awarded the first "Brown Derby" of the year in freshman law school at the University of Nebraska. This is an award given to the student who makes the dumbest crack for the week.

Newcomers On Our Book Shelves

BLACK DANIEL By Honore W. Morrow

RATTLING stage-coaches, puffing river steamers, brilliant teas and dances, huge poke bonnets, and famous statesmen of the Jacksonian period, make a kaleidoscopic background for this romance of a great man, Daniel Webster. Black Danny, as he calls himself, having lost his beloved brother and the wife he adored, feels that existence is empty, barren, and useless. He can no longer bear the trials of public activity and longs to retire with his children to a quiet, simple life on the farm at Salisbury where he was born. His friends' entreaties to reconsider his decision are of no avail until he meets and falls in love with the charming Caroline Le Roy. She is witty and beautiful. For her he is willing to give up life itself.

He is a loving, tender father. For his children's sake he makes with them frequent trips in stage-coach or sleigh to large cities and to his beloved farm, where they hunt, fish, and drink in huge quantities of invigorating New England air. Lovingly he pets his only daughter; continually he strives to be a good example to his sons.

Through the book one becomes acquainted with the personalities of many of Webster's famous contemporaries. President Jackson, smoking a corn-cob pipe in his study, seems very real. The senators' wives whisper behind lace fans about that Mrs. Eaton, who has caused such ado in Washington by her recent marriage. From the gallery in the Senators' Hall one listens to the Webster-Hayne debate, watches tears run down the cheeks of Mr. Calhoun, and sees the lips of Mr. Hayne change from a sneer to a quiver. Chief Justice John Marshall discusses with zest Gulliver's Travels and Scott.

Mrs. Morrow has written Black Daniel from information gleaned from many historians and from the memoirs, diaries, and autobiographies of many of these famous contemporaries of Webster. These have furnished the details of the social

side of the early eighteenth century, which make a multi-colored background for the love of Daniel Webster.

BOOK GOSSIP

THE 1931 edition of the American Year Book has been placed in the library for the convenience of students and teachers who, according to Miss Shields, will find it invaluable in their class work. It is a reliable, comprehensive record of significant events in the realms of economics and business, government, politics, religion, labor, engineering, chemistry, and physics; biological, medical, philosophical, and social sciences; literature, the arts, music, drama, and education. Distinguished leaders in every field of endeavor have joined forces in the production of this unique reference work, which comprises over eight hundred pages of narrative articles and statistical material. Comments contributed by leading newspapers throughout the country all agree that for reference uses and for the busy reader who desires to keep abreast of progress there is no more effective instrument.

Miss Shields also announces the valuable addition to the library of the Statesman's Year Book for 1932. Known for its concise, compact, convenient arrangement, the book gives specific data on national and international affairs. Not a country or section in the entire world has been omitted. For each of the most recent statistics concerning exports, imports, population, government, religion, education, finance, communication and transportation facilities, agriculture, and industry—and many other important items—are given. For sixty-nine years this reliable statistical annual of the states of the world has been the unfailing source of the latest authoritative information concerning every country on earth. Carefully revised and brought up-to-date each year, it stands as a dependable and indispensable reference work on world conditions.

RULES FOR GETTING A

- 1. Have the desire to learn. On your own responsibility study further on any subject so as to be well informed.
2. Utilize your time. Do not waste time in study periods. Use every minute for some definite purpose. Never play.
3. Never quit. If success is not attained in some phase of a study, try again. Always conquer the fear of failure.
4. Be honest. Never cheat in tests, in examinations, or in oral recitation.
5. Be steady. Get every point of every lesson each day. Let no point that is not thoroughly understood slip by.
6. Be willing. Willingly do any extra work that the teacher may assign. Never grumble or complain.
7. Be kind. Be obliging to your teacher and fellow students. Be sympathetic with those who do not receive high grades.
8. Be modest. Be modest of your own high grades. Never brag.

Who Is Sir Basil Zaharoff? in November's Current History

L'Homme Mysterieux de l'Europe, the French call him, and so he is known in every language of the world. The mystery man of Europe he is indeed. His fabulous wealth, his connection with powerful munition concerns, his political and social prominence are recognized facts, but even they, like his birthplace and parentage, are surrounded by shadows and an impenetrable veil of silence on the part of Sir Basil Zaharoff himself. But if that veil were lifted, a unique and amazing life would be revealed, for rumor has it—and rumor is as good an authority as any in connection with Sir Basil—that he has written fifty-eight volumes of autobiography, which, however, are to be destroyed after his death. Thus, it is very unlikely that the curious world will ever know the true story of the most baffling and intriguing figure of modern history.

Brings Old Book To Show Pupils

A large book containing a full-sized, natural-color copy of the Rhind papyrus was brought to school during the week of October 3-7 by Miss Amanda Anderson, mathematics teacher, from the library of the University of Nebraska. This papyrus is the oldest textbook of math and indicates the mathematical knowledge of the Egyptians. "The papyrus shows a good working knowledge of arithmetic, plane and solid geometry, and trigonometry," said Miss Anderson.

The book was made by the order of the trustees of the British museum in London where the original papyrus is kept. While in London in 1926, Miss Anderson copied a section of the Rhind papyrus, and she was able to find the section that she had copied in this book.

It is believed that the original was written by Ahmes about 1700 B. C. It was found near Thebes and was purchased about 1858 by Mr. Rhind. Later the British museum acquired it. It is printed in black ink with headings in red and is read from left to right. The original is in two sections; one about 10 1/2 feet long and the other nearly 7.

Inter-Club Council Announces Rulings For Organizations

Clubs Required to Show Accomplishments Each Semester; Must Have Over 25 Members

As a result of research carried on for more than a year, last spring the Inter-Club Council, composed of representatives from all the departmental and service clubs of the high school, announced a series of regulations in regard to membership, time of meeting, and work of the clubs, which was accepted by the clubs and members of the faculty for the information of present students. These rules are as follows:

Each club must have a membership of at least twenty-five except by permission of the faculty activities committee. Departmental clubs shall meet twice a month and seventy-five per cent of the membership shall be present once a month.

Must Send Representative
To justify its existence, each club shall accomplish something worth while each semester.

Each club shall send a regular representative to Inter-Club Council meetings.

Students may belong to no more than three clubs, only two of which may be service clubs. It is the sense of the faculty that as a general prin-

Roosevelt Wins Election

Supporters of President Hoover and President-elect Roosevelt clashed in heated debate at the last two meetings of the Discussion club on October 21 and November 4. The question for discussion was: "Resolved, that the Republican party shall be returned to power in 1932." The tariff, prohibition, Reconstruction Finance corporation, and other Hoover economic measures were the principal topics for discussion. In a straw vote Roosevelt received eight votes, Hoover five, and Thomas one. At the next meeting prohibition will be the subject for debate.

EAGLES BATTLE ABE LYNX ON JAY GRID THIS AFTERNOON

GENERAL KNAPPLE DECLARES WAR ON A. L. DOUGHBOYS

Contests Affects Standings in Inter-City, M. V. Conferences; Scene of Game at Tee Jay Battlegrounds at 2:30

Tie Game in 1931

Fourteen years ago today, November 11, 1918, peace reigned throughout the world for the first time in four years. This afternoon, on the anniversary of that memorable day, there will be no peace as General F. Y. Knapple sends his strong Purple warriors against the highly favored Abraham Lincoln eleven at Thomas Jefferson field at 2:30.

Lynx Down Prep

The contest will affect both the Missouri Valley and the inter-city standings of both teams. The Lynx have suffered but one defeat this season that being at the hands of the powerful Lincoln High team early in the season. Last week they removed their powerful contender from the front ranks when they bottled up the Creighton Prep star, Daley, and came out ahead by a score of 7 to 6.

Shaw Main Threat

The Purples, who haven't won a conference game this season and were only able to garner a scoreless tie in city competition, may find their stride and show the Bluffsmen a real battle. The Eagles won in 1930 by a score of 12 to 6 over a much favored A. L. team, while the Lynx gained a moral victory in 1931 when they held a strong Central eleven to a 6 to 6 tie.

Coach Bill Layland has a formidable array of stars to present. Leading the array is Dick Shaw, the shifty little quarterback who last week twisted and side-stepped fifty yards to a touchdown after receiving a bullet pass. Langston Parks, speedy Negro halfback who saved his team from a bad swamping in 1930 when he hauled down Frankie Wright from behind after the latter had broken away time after time for what would have been touchdowns.

Purples in Shape

The Purples will find trouble when they attempt to run the ends as the Bluffsmen are strongest at ends and tackles.

Coach Knapple's boys had an open date last week and should be well rested although several members are still on the hospital roster. The team came through the North game without serious injury except for Leo Quinn and Henry Rosenbaum, who suffered a bruised shoulder and knee respectively. Earl Connolly, first string center, broke a finger in practice, but will be ready for action by game time today.

Blackburn Leads Purples

John "Good Ol' Lena" Blackburn will captain the Purples on their jaunt across the river and is expected to see a lot of service although he is bothered by an ankle injury.

Coach Knapple will probably start Korney and Rosenbaum or Reynolds at ends, Captain Blackburn and Quinn at tackles, Kasal and Douglas at guards, Connolly at center, Howell at quarter, Birge and Loder at halves, and Condon at full.

The reserves were bolstered by the return of Harry Altsuler and the promotions of Mazzeri, Stoetzel, Baer, and Neveloff from the second team.

Coaches Knapple, Barnhill See Notre Dame in Action

Coach F. Y. Knapple, accompanied by Mrs. Knapple, attended the Kansas university-Notre Dame game at Manhattan, Kansas, last Saturday afternoon. After the game they drove to Topeka, Kansas, where they witnessed the Pittsburg Teachers-Washburn college game Saturday night.

The Pitt Gorillas are coached by a former Purple grid star, "Blue" Howell, while the Washburn team is tutored by Howell's former tutor, Coach Ernest Bearg, formerly of Nebraska university. Coach Knapple says that the Pitt team compares very well with the team put out by Omaha university.

Mr. and Mrs. Knapple returned home Sunday afternoon. Other Centralites who attended the game at Manhattan were Bill Brookman, George Payne, and Freshman Coach G. E. Barnhill.

Bextenmen Beat Valley Firsts; Lose to South, Creighton Prep

Clark Scores in 7-0 Outstater's Defeat; Blocked Punt Gives Preppers 6-0 Win

Coach L. N. Bexten's football machine came through with their first victory on the gridiron this season when they eked out a win over the Valley High first team by the small margin of one touchdown and an extra point Friday afternoon at the Fontenelle field after dropping their last two tilts to South and Creighton Prep in the past three weeks.

After a scoreless first half, the Bextenmen rallied in the third quarter to score the lone touchdown of the game, "Chick" Clark racing fifteen yards to cross the lone marker. Mazzeri then plunged for the extra point.

Huseby Snags Pass

The Eagles' starting lineup had Gesman at center, Hamilton and Baker at guards, Kurtz and Rosenberg at tackles, and Moriarity and Musselman at the end posts. In the backfield were Clark, Mazzeri, and Stoetzel with Hoff calling the plays. Musselman was acting captain.

Succumbing to the powerful attack of the undefeated and new inter-city second team champion, South, three weeks ago, by a score of 25 to 6, the Purples lost all chance for a claim to the title which they have held for the past two years. Huseby accounted for all of the Central points snaring a pass from Mazzeri to score. Swinarski led the Purples in the fray.

Hoff Captain

A blocked kick in the last minute of play gave the Eagles their third straight defeat of the season at the hands of the Creighton Prep reserves two weeks ago at Thirty-second and Dewey.

Although thoroughly outplayed

Bexten to Coach Grapplers; First Meet in January

Central High's wrestling team will open its official 1933 season when it meets the Thomas Jefferson grapplers on the home mat, January 6.

Coach L. N. Bexten will tutor the hug and grunt artists again this year. At a coaches' meeting held last Tuesday evening in the City Hall, the coaches voted to have the same schedule of meets that was used last season. Last year the schedule consisted of a double round robin covering fourteen weeks with each team having two byes. The only change in this year's schedule is that the place of the meets are reversed.

New Rules Adopted

One change of rules dealing with weight requires the wrestlers to be under the weight of the class they are in. That is, they will not be given any leeway as to being overweight.

Another change deals with the timing of the matches. The new rule will divide the matches into three periods. The first period, three minutes in length, will begin with neither man having the advantage. The second and third periods, each two minutes long, begins with either man having the advantage. The referee flips a coin and the winner takes his choice as to whether he will have the advantage during the second period or the third.

Call for Practice Soon

In case there is a fall in either the first or second period, the man who is pinned will have to pin his opponent in less time than he was thrown in order to win the match. If there is no fall, the man having the most time advantage is declared the winner, and if there is no advantage on either side, the referee decides the winner, or he may make them wrestle an overtime period.

The call for practice will not be issued until after the football season has closed.

throughout the contest, Coach Bexten's men held the young Blue Jays scoreless until the final minute when the whole Jay flock crashed through to smother Clark's attempted punt behind his own goal line. Two sterling goal line defenses of the Eagles featured the battle, both Blue Jay goalward flights ending on the two yard line. Hoff, signal caller, captained the Central team.

Meet Tech Thursday

The seconds were to have played Fremont yesterday at Thirty-second and Dewey. Next Thursday Tech will be the opponent of the Bexten-coached team. Last year, led by Whalen, who scored the lone and winning touchdown, "Skipper's" squad soundly outplayed their ancient rivals.

FRESHMEN RECORD TWO TIES, DEFEAT

Barnhill's Men Lose Second Tilt to Vikings by Same Score; Tie League Leading Packers

The freshman team under Coach Barnhill played three games during the past two weeks, and emerged with one defeat and two ties.

The first of the three was played against North at Fontenelle park, and was a tight contest throughout, except for Fullington's dash around end for thirty yards and a touchdown in the second quarter. This was the second game the Eagles have dropped to the Vikings by the same score, and it was the same player who in both contests was responsible for North's victories. Fullington, outside of his long run, was effectively bottled up by Central's ends; and with their star bottled up, North made few scoring threats.

Lack Scoring Punch

Against Plattsmouth's second team the Purples chalked up six points on McGaffin's plunge from the two foot line, and seemed headed for victory when in the last thirty seconds of play, Plattsmouth scored on an end run from the thirty yard line, and Coach Barnhill's squad had to be content with a 6 to 6 tie.

In the South game Central was on the offense most of the game, but when they had the ball in scoring position, they lacked the punch to put it across. They have lacked that punch most of the season.

In the first encounter between these two schools, South eked out a win when one of their backs intercepted a pass and ran it back seventy-five yards to tally the only counter. History almost repeated itself when on a sweeping end run South carried the ball to Central's eight yard line late in the fourth quarter. Backstrum, the last man between the Packer back and the goal, nailed the runner and prevented a touchdown.

Line Holds

Then, on four successive tries at the center of the line, the Packers gained only four yards, and Di Santi quickly ran the ball out of scoring position from punt formation. Vernon Rountree, Purple back, was accidentally kicked in the ankle in practice before the South contest, and was unable to play in that game.

Central was scheduled to oppose the Maroon frosh at Fontenelle park Wednesday as the closing contest of their season. In the last game between the two, the Purples displayed their flashiest offense of the season and defeated Tech, 12 to 6, for the first Eagle victory over the Techsters in many seasons, and they were favored to repeat their earlier season victory.

Weir Speaks on Grid Sport for Joint Hi-Y Meet

Ed Weir, member of the Nebraska university football coaching staff, who made the All American team three consecutive years while in school at Lincoln, was the principal speaker at the Inter Hi-Y football rally, held at the Y.M.C.A., Tuesday at 6 o'clock. About 250 boys attended the meeting from Central, Benson, North, South, and Tech highs.

Ray Ramsey, alumni secretary of the University of Nebraska, showed moving pictures of last season's games and the Minnesota game of this year, while he and Weir explained the faults and good points of each play as it was shown on the screen.

Dave Noble, team mate of Weir's, introduced Weir.
Bob Braun '33, president of Central Hi-Y, was presiding officer at the meeting and turned it over to Mr. Victor B. Smith, vice president of the Omaha National bank, who was master of ceremonies.

Although all the Omaha high coaches were invited, some were unable to attend. Those who attended were Coach White of Tech, Coach Davis of South, and Coach Knapple of Central.

Earl McCracken of Detroit U. and John S. Kelley of Kentucky U. hold jointly the distinction of having made the longest runs with intercepted passes during 1931. Both raced 96 yards to score from their opponent's four-yard line.

Knapplemen Drop Contests to Capital Citians, North Vikings

Kulper Stars for Lincolmites; Northerners Flash Power and Speed in 6 to 0 Win

Lincoln High, leader in the Missouri Valley conference race, and North High, chief contender for the inter-city title, both emerged victorious over the Central Eagles in battles played on the Tech High gridiron on the last two week ends.

The mud tussle with the Lincolmites was one packed full of thrills. A heavy rain all morning had turned the field into a sea of mire and both teams gave good demonstrations as to how to play football in a swimming pool. Kulper, Red and Black backfield ace, was the main threat for the Capital Citians. He tallied the first touchdown in the opening quarter after a march down the field aided by successive Central offside penalties.

13 to 0 at Half

Marion De Jarnette, fleet outstate halfback, scored the second marker and tallied the extra point late in the second quarter. Exceptional punting was the big feature of the contest with Loder and Kulper doing the heavy work. Passes were impossible, and not one was attempted during the entire fray. The second half was a see-saw affair with neither team having the edge, and the game ended with the count 13 to 0 in favor of the outstate mud-horses.

After a week of strenuous practice, the Knapplemen faced the North High Vikings in the feature city conference contest of the week. It was all of that. The Vikings, led by Captain "Moose" Anthes, capitalized on the breaks to score just a minute before half time when it appeared that the Centralites would be able to hold until the intermission. After battling

Volleyball League Ends with Junior-Senior Team Ahead

At the completion of eight weeks of volleyball competition, the Junior-Seniors are on top with a record of seven games won out of eight played, having lost to the sophomores by a score of 21-15, 19-21, 19-21.

The sophs came in second with four games, Freshman team No. 1, second with three, and Freshman team No. 2, third with two. Hassert, Broad, V. Anderson, Rothkop, and W. Anderson, all '34; and Bowen, Collins, Pakes, Moon, L. Lawson, Lundell, and Spalding, all '33, composed the winning team under Coleen Masters.

The heavy, fast volleying of these upperclassmen overwhelmed their opponents. This team and the sophomores will attend the volleyball playday for all high schools. The date of the playday has not been named for this year due to the late start other schools made in volleyball.

In the final game Tuesday the Junior-Seniors beat Stone's freshmen, 21-11, 21-16, while the sophs downed L. Anderson's frosh, 21-5, 21-5. Mary Vaughn and Mrs. Glee Meier refereed all the games.

Basketball announcements will be made sometime next week.

up and down the field most of the half, a bad pass from center enabled the Northerners to recover the ball on the Central twenty-yard line. Six line plays culminated in a touchdown with Doherty carrying the pigskin over the goal-line.

Power Lacking

The Purples failed to take advantage of numerous chances to score during the last half. Frequent substitutions were made by Coach Knapple, in an effort to secure the needed punch, but, though the team held firmly on the defense, they lacked the offensive power to score. Rossitto starred on the line for the Purples, and Flasnick showed up well for the Vikings. The final score stood 6 to 0 in favor of the Jackson-coached team.

G. A. A. INITIATES 45 NEW MEMBERS

Initiates Endure Indignities of Mock Initiation Ceremonies at Meeting Last Monday

Suffering sore noses, hands smelling faintly of raw liver, stiff knees, indelible pencil marks on the forearm blaring G.A.A., forty-five new members of the Girls' Athletic association went through the indignities of a mock initiation at the G.A.A. meeting last Monday in Room 425.

Victims were first ordered to remove their foot apparel, and to use their stockings for a blindfold. Such frightful experiences as stepping in pans of ice cubes, shaking hands with raw liver, digging for spaghetti worms in water, were brought to a climax with the rolling of onions across the gym floor by means of the nose. Loreita Lawson, assisted by Doris and Dorothy Heintze, June and Trudell Holst, Jean Jorgensen, and Mary Vaughn, planned and executed the initiation.

Betty Nolan '35 led all the members in a cheer for the new sponsors, Miss Angeline Tauchen and Miss Ruby Richardson. After a short business meeting, refreshments were served.

Morton, Larson, Kennedy, Ellison, Handley, Suing, Jensen, Swoboda, Hunter, Stone, Thorson, Dayton, Call, Payne, Guenther, Betty Ann Moon, Moore, Reynolds, Vaughn, Johnson, Swanson, Harms, E. Funder, Weimer, Jackson, Rivett, Cooper, Benish, Frank, Lewis, and Keely, all freshmen, were among the initiated, while the upperclassmen were represented by Yaffee, Waidley, Farber, Scalzo, and Jones.

NORTH-PREP FRAY HEADS GRID CARD FOR COMING WEEK

Game to Decide Champ in Two Conferences; Tech-South Contest Also Important; Abraham Lincoln Defeats Prep

Benson Meets Tee Jay

Two football championships will be decided by the outcome of one game this week-end when Coach Jackson's North High Vikings meet Coach Eddie Hickey's Creighton Preppers on the Blue Jay field today. This game will settle the city and interstate league races.

Equally interesting, if not as important, will be the Tech-South encounter. Tech, with many defeats on its record already this season, will face a strong, scrappy Packer eleven.

The Benson Bunnies under Coach Ernie Adams will journey over the river to tussle with the strong Yellow Jackets from Thomas Jefferson. This game should be a thriller for the Bunnies have been showing considerable power of late, especially in the defensive department.

The fourth main battle of the week-end will see Coach Knapple's Central gridders battling Coach Bill Layland's Abe Lynx. The contest will be held Armistice afternoon on the Tee Jay grid in Council Bluffs. Dopesters give the Lynx a slight edge over the Omahans.

Last week's card was featured by the Abe Lincoln victory over the previously undefeated Creighton Preppers. Bob Daley, Blue Jay ace, tried his best to secure at least a tie for the Junior Hilltoppers, but Lady Luck frowned upon his efforts and his try-for-point after scoring the touchdown, was nullified when it touched back off the cross bar. The game ended 7 to 6.

Benson played the North High Vikings to a standstill for more than half the game, but the heavier North-ers overpowered the Bunnies and emerged victorious, 7 to 0.

Technical traveled to the Capital City where they were welcomed with a 20 to 7 lacing at the hands of the Red and Black warriors of Lincoln High. It was a case of too much Kulper.
