

# CENTRAL HIGH REGISTER

Vol. LVII — No. 5

CENTRAL HIGH SCHOOL, OMAHA, NEBR., WEDNESDAY, NOV. 24, 1943

FIVE CENTS

## Lois Snyder Heads 1944 O-Book Staff

Cooper to Assist Editor; Eastlack, Faier, Swanson Other Department Heads

The appointment of Lois Ann Snyder as 1944 O-Book editor and Arlene Cooper as assistant editor was announced this week by Mrs. Anne Savidge, head of the journalism department. Bob Faier will act as circulation manager, assisted by Rosemary Eastlack who will be in charge of publicity. Eva Swanson will be business manager.

Working on the Register staff for three semesters, Lois Ann and Arlene are familiar with both the news and the feature departments of the paper, and are now associate feature editors. Lois Ann was among several central students who attended Northwestern Institute of Journalism last summer.

LOIS ANN SNYDER

Her activities include Lininger Travel club, vice president of Collegen, treasurer of the Spanish club, recording secretary of Central High Players, and she has been elected to the Junior Honor society for the past three years.

Arlene is an active member of the Lininger Travel club and Collegen, is the corresponding secretary for Central High Players, and has been a member of Junior Honor society for three years.

War time activities will be emphasized in the 1944 O-Book. To simplify difficulties, it is planned that with June and January seniors will have their pictures taken for the O-Book early in January at Central by local photographer. For \$1.50 seniors will have their choice of two poses.

## Central Red Cross Team Wins Quiz

A victorious Junior Red Cross team composed of Lois Ann Snyder, Austin Phelps, and Beverly Ulman, all '44, and Rex Maire '46 defeated the Des Moines contestants by a score of 140 to 120 on the Nebraska-Iowa quizer WOW last Sunday afternoon.

While Rex contributed 50 points, Lois and Austin 40 points and Beverly 10 points, Lois and Austin won \$10 each and Rex \$2. Contestants in the quiz answered three questions, the first one worth two silver dollars, the second three, and the third, five dollars. For the jackpot which consisted of incorrect answer money totaling \$41, Rex correctly answered four questions but missed one. After broadcasts Des Moines leads by a score of six to five.

## Seniors Discuss Plans

Senior plans were discussed at the last senior meeting held in the auditorium last Friday before school.

Officers of the class will be nominated and elected in December, according to the procedure outlined by Miss Julia T. Carlson, executive class sponsor. Principal Fred Hill explained that the January graduates will have their choice of graduating with the June class or receiving their diplomas when their work is completed.

Another meeting will be held the first week in December to make nominations for class officers.

## Officer Outlines V-5 Program at Meeting

Naval Aviation Course Offered Senior Boys

"The officer training in naval aviation that you can receive will be of much importance in getting a job after the war," Lt. Ralph N. Larson, U. S. N. R., told senior boys in the auditorium, fifth hour last Friday.

The lieutenant explained that, since November first, the quotas of V-5, the naval aviation cadet selection program, had been opened to men seventeen years old who will graduate from high school by March first, and will soon be open to June graduates. After his speech a motion picture showing many navy planes in action was presented to the boys who were interested enough to forgo their lunch period.

Under the new program, if a senior enlists in this training for the duration and six months, he will be classified as apprentice seaman V-5 and will be returned home to complete his high school work.

### Must Fill Applications

If the student sends the preliminary application he received at the assembly Friday to Room 208 old Federal Building, Des Moines, Iowa, he will soon receive a more permanent application. When he returns this application he should also include the following: a certified copy of his birth certificate with an official seal; three parents' consent forms, filled out preferably by his father; a certification form filled in and signed by Principal Fred Hill; a transcript of his high school credits; three reference questionnaires from persons to whom he is well known; and three duplicate pictures 2 1/2 inches by 2 1/2 inches.

These papers will be examined, and if found in order and the present quotas permit, the applicant will be called to Des Moines, Iowa, at government expense for a preliminary physical, an aptitude examination, and an interview. If he passes, he will be sent directly to Kansas City to complete his physical examination and enlistment. Then he will be returned home and be placed on inactive duty to finish school or await his call to active duty.

### Receives Commissions

When flight training starts, the enlistee will be transferred to the status of aviation cadet V-5. He will receive \$75 dollars per month, his uniforms, lodging and food, medical and dental care, and a \$10,000 life insurance policy.

His training will consist of the following: fifteen weeks at flight preparatory schools; twelve weeks at war training schools; eleven weeks of pre-flight; eleven to fourteen weeks of primary flight training at a naval air station; fourteen to sixteen weeks of intermediate flight training at a naval air station; and eight weeks of specialized operational flight training at a naval operations base.

Upon completion of his training, the cadet will receive his navy wings of gold and a commission either as an ensign in the U. S. N. R. or as a second lieutenant in the marine corps reserve at a pay of approximately \$290 per month.

In these sixteen months of training the navy spends \$27,000 on each cadet which is a good enough reason why the navy is so particular as to who is admitted into the V-5 officer training program.

## Teachers' Quartet Sings For Colleen Meeting

A musical program was the main feature of the Colleen meeting which was held on Thursday, November 18, in Room 215. Plans were made for the annual Christmas tea to be held December 15 at the home of the president, Rosemary Eastlack.

The members were entertained by Jacqueline Geilus '47, who played several solos and a quartet of teachers which consisted of Miss Virgene McBride, Mrs. Irene Jensen, Miss Ruth Pilling and Miss Irma Costello who sang "You'll Never Know." There was also a community sing headed by Mrs. Jensen.

In November the service committee under the direction of Miss Pilling collected donations of food and clothing for a Thanksgiving basket which is to be given to the Family Welfare organization.

## Central Boys Learn Flying

Thirteen Students Are Enrolled in Civil Air Patrol Cadet Training

Thirteen air-minded students of Central are now enrolled in the Omaha squadrons of the Civil Air Patrol Cadets. Members of the boys' squadron, squadron 1c, who attend Central are Tech. Sgt. Richard Minard, Harold Mozer, Herbert Winer, and Lowell Hertzberg; Cpl. Jim Slater; Pfc. Harold Abrahamson; and Pvt. Monte Frudenberg, Stanley Parker, Jim Kruman, and Bob Changstrom. Girl cadets in the "powder puff" squadron are Arlene Johnson, Audrey Hendrickson, and May Huei.

Membership in the junior or senior high school class, physical fitness, good scholastic standing, and parental citizenship and consent are the only requirements for entrance.

Many courses closely or directly connected with subjects taught in the army air corps are offered free of charge to members. A fifty cent entrance fee and monthly dues of twenty-five cents are the only financial obligations. After certain courses have been completed, a member is given his identification card and is then eligible to wear all insignia on his uniform. Uniforms are purchased by each member. Students who meet the requirements for membership and who wish to join may do so by coming to the regular meetings held every Thursday evening from eight to ten in Room 438 at the University of Omaha. Because of the Thanksgiving holiday, no meeting will be held tomorrow night but a meeting will be held next Thursday evening, December 2.

Courses offered by the cadet squadrons are navigation, meteorology, theory of flight, communications, standard and advanced first aid, civil air regulations, construction and maintenance of aircraft and airplane motors, functional swimming, military courtesy and discipline, photography, aerial map and photograph reading, and infantry drill regulations. Classes are held on various nights in the week at designated places.

## Central High Players Score Hit With Comedy, 'Seven Sisters'

Once again the Central High Players have come through with a hit! Audience reaction to the play "Seven Sisters," which was presented last Saturday night in the auditorium, was excellent from start to finish.

The story of "Seven Sisters" is based upon a series of books, "The Gyurkovics Girls," popular in Hungary and comparable to Louisa Alcott's "Little Women" series. Edith Ellis took the characters from the books and emerged with a play as quaint and charming in atmosphere as the original books. It was an immediate success on Broadway and is still the most popular high school play in the midwest.

Under the direction of Miss Frances McChesney, dramatics teacher, the play progressed smoothly and flawlessly. Marion Keller was student director and Irene Cherniss, her assistant. Miss Myrna Jones, head of the dramatics department, gave much valuable assistance to the production.

The plot involves the attempts of Mrs. Gyurkovics to marry off her seven daughters. The complications lie in the fact that according to tradition they must wed in the order of their ages. In the midst of her difficulties, Bill Newey, as the dashing Lt. Horkoy, the romantic lead, steps into the picture and sets to work so that he may marry Mitzi, the pretty, vivacious fourth daughter.

Mary Lou Stevens as the mischievous Mitzi endeared herself to the audience with her utter disregard for the conventions of the time. Bill Newey did exceedingly well as the man-of-the-world who has an answer to everything, and he kept the audience amused throughout with far-fetched, but effective plans for getting rid of the older sisters.

## A Cappella Choir to Present Comic Opera, 'Sweethearts'

BOB WELLS

BETTY LEGGE

## Central Donates to United War and Community Fund

Through the combined efforts of Central High school office employees, teachers, pupils, and custodians, \$950 was contributed to the United War and Community fund. This was nearly three times as much as last year's sum of \$320.

The drive was opened October 25 by an address given by Dr. Elwood Rowsey to the upper classmen. Rabbi Arthur Lelyveld talked to the freshmen.

Contributions were taken by the home room representatives on October 26, and 27. The money was then turned over to the Student Council. Beverly Bush, treasurer of the Student Council, attended the city-wide school luncheon for the Community Chest. Mrs. Anne Savidge was in charge of the teachers' contributions which amounted to \$500.

### War Bonds

The buying of War Bonds has been limited to one day a week. Bonds can now be purchased only Tuesday morning in Room 331. This change has been brought about by a new method of buying them from the postoffice.

## Refugee's Father Believed Found

When a father finds his lost daughter after many weeks of searching, that's news; but when a daughter finds her father without hearing of him for over three years, that's sensational.

In 1939 a group of German refugees fled to Italy with visas intended to get them to the United States. While they were waiting for transportation from this neutral country, Italy suddenly declared war, and they were seized and thrown into a concentration camp. With the Italian surrender they were free but fled to the hills as the German army captured the vicinity. For ten days they existed on almost nothing until the American troops driving from Salerno had captured the area and relieved their plight. Now safe, they were pictured in the November 1 issue of Life magazine.

While looking through this issue of Life, Lotte Rosenberg '44, a refugee from Nazi Germany, came across the picture of these men. She was overjoyed, for one of the men, she believes, is her father whom she has not seen for over three years. The last she heard of him was that he was in a concentration camp near Berlin. She believes her mother is still in a concentration camp somewhere in Germany.

With the aid of the Red Cross she is trying to get further information on his whereabouts.

## Newly Organized NCOO Elects Officers for Year

Getting off to a late start, the newly reorganized Non-Commissioned Officers' club held its first meeting of the year, November 18, in Room 235.

Setting forth as its purpose "the discussion of military problems," the club, whose rolls are open to any non-commissioned officer above the rank of private first class, has decided that membership this year will not be compulsory. Meetings will be held every Thursday after school in Room 235.

Immediately after the business meeting, the election of officers was held. The new officers are Hugh Follmer, president; Bill Bock, vice president; Vernon Smith, secretary; Jack Dahlgren, treasurer; and Harold Ironfield, sergeant-at-arms.

## Alumnae Pledge Sororities

Six girls from Central High school were among the students at Northwestern university who were pledged to campus sororities at the conclusion of formal rushing.

Lois Allan and Patricia Anne Connolly, both '42, were pledged to Kappa Alpha Theta sorority. Carolyn Covert '43 and Marguerite Yvonne Cottingham '41 were pledged to Alpha Chi Omega and Delta Gamma sororities, respectively. Arlene Dansky '43 was pledged Alpha Epsilon Phi sorority while Mary Mallory '43 was pledged Kappa Kappa Gamma sorority.

All the girls are enrolled in the College of Liberal Arts except Marguerite Cottingham who is registered in the School of Speech.

## Legge, Wells, Mactier, Sliger Named Leads In Central Production

"Sweethearts," a comic opera by Victor Herbert, will be presented by the music department on Friday and Saturday nights, December 10 and 11, in the Central High auditorium. The production is under the direction of Mrs. Elsie Howe Swanson.

The story takes place in Bruges and the scenery and costumes are appropriately and charmingly Flemish. The mood is light and gay like those of Herbert's other comic operas and the lines are sharp and humorous.

Betty Legge as Sylvia, the feminine lead, plays opposite Bob Wells who takes the part of Franz, heir presumptive to the throne. Bob also had the lead in last year's opera, "Naughty Marietta." Hugh Mactier plays Mikel Mikeloviz, a first-class politician, and Bonnie Sliger is cast as Liane, a poor milliner whom Mikel mistakes for the lost Crown Princess. Sylvia is really the royal one and Mikel has a plan to restore the throne to her.

### Repeat Performance

The part of Lieutenant Karl, military officer who is engaged to Sylvia, is played by Bob Harms. Jean Richardson takes the part of Dame Paula, proprietress of the "White Geese" laundry and mother of six daughters. The sisters are played by Joan Srb, Frances Bunch, Virginia Payne, Marion Keller, Phyllis Korisko, and Betty Riss.

The Hon. Percy Algernon Slingsby, an Englishman, is played by Bob Delaplaine; Bill Kall is Petrus von Tromp, the Dutchman, and Herb Winer is cast as Aristide Caniche, a Frenchman.

"Sweethearts" was given once before at Central in 1934 when Mrs. Carol Marhoff Pitts was head of the music department. The leads were taken by Kermit Hansen and Mary Jane France, both of whom continued their musical careers after graduation.

The orchestra, under the direction of Lytton Davis, who is in charge of music in the Omaha public schools, will provide the music for the opera.

As the opera is to be presented only two nights this year, student tickets are good for both shows. General admission tickets are 55 cents and may be purchased from any member of the music department.

## Lincoln Representatives Visit Student Council

Visiting Central last Friday were two representatives from the Student Council of Central High school in Lincoln.

Thomas Green and Frank Loeffel, president and vice president of the Lincoln student council, stopped for a few hours at Central to compare the duties of Central's council with the corresponding body in their school.

The two boys pointed out the differences in composition as the main point of contrast between the two groups. At Central an equal number of representatives is elected from each class, while in Lincoln six boys and six girls are chosen from the senior class, three from the junior class, and one from the sophomore class.

Declaring that "our systems are very similar in many respects," the boys invited our school to send representatives to Lincoln to see and compare the methods used.

## Plan Inter-American Club

Plans are being formulated to merge the Spanish and Pan-American clubs under the joint sponsorship of Mrs. Marguerite Rosemont and Miss May Mahoney. The new organization known as the Inter-American club will be, so feel its sponsors, more in line with the objectives of the Office of Coordinator of Inter-American Affairs in Washington. This office now has a representative in Omaha, Mr. Roderick Crane of the University of Omaha, with whom the sponsors are working in close relationship.

# Clow, Carlson to Lead 1943-1944 Crack Squad

### Usher Detail Announced; Company D in Lead For Flag Competition

With the announcement of Cadet First Lt. Jack H. Clow and Cadet First Lt. Richard A. Carlson as commander and alternate commander, the organization and training of the Crack Squad of 1943-1944 has officially begun.

Members of this year's squad as announced by Tech. Sgt. Palmer Peterson are the following cadets: William Beck, Thomas Brownlee, Martin Conroy, Jack Dahlgren, Robert Devaux, Darwin Fallis, Hugh Follmer, Morris Greenspan, David Davis, Paul Hickman, Harold Ironfield, Temple Fayden, John Morris, Harold Morrey, Ray Phares, Dale Samuelson, Vernon Smith, Norman Williams, Ralph Wilkerson, and Truman Wood.

The advocates of the ushering detail have been announced by Tech. Sgt. Peterson. The ushers are a group of cadets chosen out of each company in the battalion to usher at all school ROTC events during the school year.

The commander of the ushers this year is Cadet First Lt. Daniel Sylvester. Cadets composing the detail are Julian Bahr, Donald Benson, Edward Perry, Sanford Bloom, Richard Brodorp, Joseph Burstein, Martin Conroy, Samuel Fidman, Carl Flemmer, Hugh Follmer, David Gamel, Paul Hickman, Roswell Howard, Vance Hubbard, Gordon Johnson, Gerald King, Stanford Lipsey, Howard Loomis, William Mettlen, Milton Parker, John Pothen, Wray Scott, Willis Steinberg, John Steiner, Donald Stern, Alan Thompson, Raleigh Wilkerson, John Morris, and James Wancutt.

By winning first in general ratings and second in absentees, Company D is retaining its slight lead in the race for the flag with 29 3/4 points. Only 3/4 points behind is Company B with 28 points. Company A is third with 21 points, Company C fourth with 19 1/4 points, and the band fifth with 10 1/2 points.

## Debate Held on Post-War Plans

The Discussion club held a stormy debate last Thursday following the introductory remarks of Norman Thomas on the subject, "Should the League of Nations be reconstituted?" The discussion, contrary to expectations, did not evolve into a controversy between internationalism and isolation but between confederation and federation.

The federationists argued that, as long as there are strong national states, total international cooperation and harmony can not be achieved; therefore, total federation is the only way.

The advocates of confederation held that complete federation is too big a step; a step for which the world is not ready. The League, if supplied with an adequate police force to execute its decisions, would present a type of union on which all nations have agreed. It was added that the success of the new League depends, in no small manner, on the membership and cooperation of the United States.

There was a limited argument on behalf of isolation. But this policy was dropped after Miss Davies, the club's sponsor, undermined its main argument by stating that, although the U. S. might hold the materials necessary for self sufficiency, the country's economy would be crippled by the discontinuance of exportation.

A vote was taken at the close of the meeting in which 10 members indicated preference for the League and confederation, 3 for federation, and the single vote for isolation was withdrawn.

The next meeting will be held on December 2 at which Jack Williams will give the introductory speech.

## Ladies' Auxiliary of V.F.W. to Sponsor Ninth Essay Contest

"Unity for Peace" has been selected as the theme of the ninth annual national essay contest sponsored by the Ladies' Auxiliary to the Veterans of Foreign Wars of the United States.

This contest is open to all high school students and is an opportunity for every boy and girl to study and consider the principal of preserving peace in the post-war world. The sponsors hope that this contest will stimulate thinking and discussion of the problems that must be faced if future generations are to live in peace.

Two thousand dollars in cash awards is being offered by the auxiliary to the V.F.W. The equivalent of a college scholarship is being given in the first prize of \$1,000. A second prize of \$500, a third of \$250, a fourth of \$100, and ten prizes of \$10 each and ten of \$5 each are offered to contestants. Silver medals will be given in the local and state elimination contests.

Essays must be between 500 and 1,000 words in length, typed in triplicate, and accompanied by a signed declaration stating that the essay is the original work of the contestant. Essays must be submitted not later than midnight, April 27, 1944.

Anyone wishing further information on this contest should consult Lloyd Richards, English and debate teacher, who is in charge of the contest at Central.

## Central's Christmas Seal Quota Raised

Nebraska's goal for the 1943 Christmas seal sale will be \$80,800, as compared with \$69,500 raised during the 1942 drive. This is an increase of 17 per cent over last year.

By the purchase of Christmas seals, everyone can protect himself and his neighbor from tuberculosis. The National Tuberculosis association estimates that there are 1,500 active cases in the state at present.

Out of every dollar collected, 95 cents remains in the state for general health work. The other 5 cents goes to the N.T.A. to be used in its nationwide research work.

## Teacher Suddenly Ill

Miss Bess Bozell, French teacher and faculty adviser for the Alliance Francaise, underwent an emergency appendectomy Friday night at Immanuel hospital. She will be absent from school for several weeks. Mrs. Mercedes Caldwell is acting as her substitute during her absence.

# Sports Staff, Coaches Pick All-Intercity Football Team

FIRST TEAM	SECOND TEAM
Paulsen, Central	E. Galata, Tech
Koraleski, Prep	T. James, Central
Moscrey, Prep	G. Sortino, Tech
R. Gorman, Central	C. Dinzole, North
Conley, Central	G. Nebbia, Tech
Curtis, South	T. Foy, Benson
Shober, South	E. Davlin, Prep
Vacanti, Tech	B. Rose, Benson
T. Green, Prep	B. D. Gorman, Central
Reilly, Prep	B. B. Green, Central
Novak, South	B. Paulson, A. L.

### Honorable Mention

Ends—Kemmy, Prep; Braband, T. J.  
Tackles—Simon, Prep; Hecke, Tech  
Guard—Cannia, South; Swanson, Central; Quinn, Prep; Ballentine, North  
Center—Weston, Prep  
Backs—Meehan, Central; Watsabaugh, Prep; Gomez, South; Myers, Tee Jay

A board of six experts composed of Coach Norman Sorensen and the five members of the sports staff had difficulty in picking the all-Intercity team for this year. The voting was so close that many players lost out by a single vote to win a position on the first team.

Particular difficulty occurred in choosing the ends. Paulsen and Galata each received nine votes which was barely enough to nose out Shober and Davlin who got eight apiece. At tackle Koraleski and Curtis nosed out Foy by getting more first place votes. Conley and Moscrey tied for guard with Nebbia only one vote behind. Russ Gorman was an unanimous choice for center.

But the greatest difficulty occurred in selecting the backfield. This season produced many outstanding candidates, and it was difficult trying to narrow the field down to four. Novak was an unanimous choice. Tom Green and Reilly received first place selections by all but one of the staff. Vacanti, Rose, and Don Gorman fought it out for the other spot with Vacanti winning by a slight margin.

# Central Drops Season Finale To Lynx 0-33

## Referee's Decision On Disputed Play The Turning Point

A referee's ruling changed what might have been one of the season's big upsets into a runaway, as Lincoln Central rolled up its twentieth consecutive victory over Coach Norman Sorensen's lads by 33-0 count in the finale for both teams at Lincoln, Friday, November 5. The Omaha boys have not beaten the Capitol city team since 1923.

The disputed play occurred toward the end of the first period with Lincoln out in front, 7-0. Bill Green took the kickoff after the touchdown and returned the ball to the 23. When two running plays had netted only five yards, Green faded back and threw a beautiful pass to Harvey Meehan far down the left sidelines. The scat Eagle back raced all the way to the Linx 25 where he was finally dived from behind for a 47 yard gain. Two plays later Green hit Hovorka with a throw on the 10. Green bucked twice to the five. On the following play Green again took the ball and started toward the center of the line. As he reached the point of scrimmage he leaped into the air and threw a basketball pass, but someone hit his hand just as he threw the ball and it fell to the ground where a Lincoln man fell on it. Game captain Dave James of the Eagles protested that it was an incomplete pass, but the referee ruled possession of the ball to the Lynx. The Capitol city boys then put on a drive which a few minutes later netted them their second score. Trailing by fourteen points, the Eagles began to gamble and when these gambles failed, Lincoln was enabled to increase its lead.

Big Bill Green, taking over where Don Gorman left off, sparked the Central team through the game. He personally accounted for all but 26 of the yards that the Eagles gained. He carried the ball 14 times for 74 yards and completed 7 of 21 passes for 136 yards, making a grand total of 210 yards which is, truly, an amazing performance.

Central had two other scoring chances. The first one came in the third quarter with the Eagles trailing 20-0. Green was again the spark leading a march which carried 62 yards, 40 of which were made on a long pass to Hovorka. This threat was finally halted when a Lynx break intercepted one of Bill's heaves in the end zone for a touchback. The other drive was made late in the game after Lincoln had rolled up its fifth and final score. With Green once more leading the attack the Eagles rolled 41 yards to the Lynx 36 where they finally lost the ball on downs.

	Central	Lincoln
First downs	6	11
Yards gained rushing	104	211
Yards lost rushing	4	3
Net yards rushing	100	208
Passes attempted	23	7
Passes completed	7	4
Yards passing	136	60
Total yards gained	236	268
Penalties	45	20
CENTRAL	0	0
Lincoln	7	6
Central scoring: Betz 3, Hudkins, Petersen.		
Points after touchdown: Betz (plunge), Hudkins (plunge), Klein (placement).		

North again tried to crack the Central defense in the second half, but a stubborn defense stopped North's only dangerous threat on the 20 yard line of the Eagles.

**Eagles Drive 65 Yards**  
Central's touchdown came as the result of a 65 yard drive. Green and Tamal alternated runs to take the ball from their 35 to North's 28. From there, Green uncorked his passing arm and connected with Harold Paulsen on the nine yard marker. Paulsen then eluded two North defenders to cover the remaining distance for a touchdown. Green tossed to Dick Weekes for the extra point.

# Eagles Finish City Conquests with 9-0 Verdict Over North

## Sorensen's Boys Bottle Up North Attack; Eagles Score on Paulsen's Catch

From the opening kickoff to the final gun the game was completely in Central's hand as the Eagle gridders wound up their Intercity play by dropping North, 9-0, Wednesday, October 27, at Benson stadium.

Held to a mere 2-0 lead at half-time, the Eagles got busy in the second half and sewed up the game on a Green to Paulsen pass late in the third quarter.

### North Stopped Cold

The Vikings came on the field hoping to win their first game of the season, but Central didn't give them much of a chance. Sorensen's boys bottled up North's opening plays and Green, Tamal, and Abboud led a drive to North's 25 yard line. Bill Green then threw an incomplete pass intended for Hovorka, but the referee ruled interference and gave Central the ball on North's two yard line. The Viking line stiffened, however, and four downs later found North in possession of the ball on their own one. When Dick Skog dropped back to punt, the whole Eagle forward wall, headed by Russ Gorman, broke through and blocked his kick. The ball rolled into the end zone for an automatic safety before any Eagle could fall on it.

North again tried to crack the Central defense in the second half, but a stubborn defense stopped North's only dangerous threat on the 20 yard line of the Eagles.

Central fans mustn't moan too long and loud over the loss of such stalwarts as Don Gorman, Paulsen, Conley, Hovorka, Swanson, and James. Returning next year will be Central's starting backfield against Lincoln; Bud Abboud, Harvey Meehan, Dick Weekes, and Bill Green, which should be the best backfield in the city next year. Big Russ Gorman will be there to plug holes in the line along with Steiner, Tetrick, Anderson, Harriott, and Mancuso.

**Sideline Highlights:** There have always been queer bowlers in the boys' bowling league, but this year some of the strangest methods are used for getting the ball down the alleys. For instance: Jarvis Freymann's behind the leg spin—Dan Sylvester's "sprawl all over the alley" technique—and finally the Norton Garon special, just run down the alley and kick the pins over.

**Final Standings**

# School Wrestling Tournery to Open Ekfelt Organizes Team for A. L.

## Freshmen Prepare Class Title Defense

The second annual all-school wrestling tournament will be held the week of November 23 to December 3. School champions will be crowned in the twelve regular weight classes. They are 85, 95, 105, 112, 118, 124, 130, 136, 145, 155, 165, and heavy-weight classes.

Tournament participants will be divided according to their school classification. That is: freshmen, sophomores, juniors, seniors. Tournament followers will remember that the freshmen are the defending team champions from last year. Six points will be given toward a team score for first place, four for second, two for third, and one for fourth. One additional point will be allowed for each fall. The matches will be five minutes divided into one 1 minute period and two 2 minute periods.

In order to compete wrestlers must be passing in three subjects and must have worked out with the wrestling squad for at least two weeks. Wrestlers must make weight the opening day of the tournament only.

Of the twelve champions of last year's tournament only five remain, most of whom will wrestle in heavier weight classes. Sam Kais, last year's 85 pound king, will probably compete in the 105 pound division. Dick Irvin, 95 pound winner, will also wrestle at 105 pounds. One hundred twelve pound champ Louie Rotella will try in the 124 pound bracket and Joe Vacanti, who won top honors in 105 pound class, will be up near the 118 pound mark. Only Joe Bonfonti, last year's 136 pound winner, will be able to defend his title by wrestling in the same division.

The meet provides an excellent opportunity for boys to gain valuable experience and for that reason freshmen especially are urged to enter. Certificates will be awarded to first and second place winners. Most of the tournament will be held up in the wrestling room, but Coach Ekfelt again hopes to present the finals on the main gym floor.

**WRESTLING SCHEDULE**

Dec. 10	Abel Lincoln at Central
Dec. 17	Central at Tee Jay
Jan. 14	Tech at Central
Jan. 20	South at Central
Jan. 28	Central bye
Feb. 4	Central at Abe Lincoln
Feb. 11	Tee Jay at Central
Feb. 18	Central at Tech
Feb. 25	Central at South
Mar. 3	Central bye

### Conley Elected Captain

Bob Conley was elected honorary captain of the 1943 football team in homeroom last Tuesday morning. "Crusher" has started every game and has missed only about thirty minutes of play this season to end his football career at Central.

Coach Sorensen announced that the following players will be awarded a letter in football for the 1943 season: Duane Hovorka, Russ Gorman, Harvey Meehan, Bob Lauritsen, Bob Conley, Bud Abboud, Dave James, Chuck Peterson, Gene Tetrick, Don Gorman, Elio Mangiamelli, Dick Weekes, Chuck Mancuso, John Steiner, Ed Flether, Joe Mancuso, Frank Tamal, Walt Swanson, Harold Paulsen, Carl Quattrochi, Bob Harriott, Bill Green.

# Baller Grooms Reduced Squad of Cagers For Opening Contest Against Elkhorn

Lack of experience is the keynote of Coach Stu Baller's cagers. Two weeks remain for Coach Baller to prepare his team for their opening engagement against Elkhorn.

Sixteen men have been chosen from the seventy-five who tried out to form this year's squad. This squad consists of Randall, Lustgarten, Hovorka, Mancuso, Hurd, Frank, Moore, Poyer, Slogr, Rosen, Allen, Petrow, Minkin, Shea, Samuelson, and Armstrong.

Mancuso is the only letterman returning. He has only a half season to play as he graduates in January. Lustgarten, Poyer, and Slogr have graduated from the second team and will probably see a lot of action this season. For first season men, Shea and Samuelson seem to be regarded as the leaders. Shea returned for Lincoln last year and Samuelson suffered a broken foot in last year's pre-season

warm-ups. Central's squad will be unpredictable until after their first few games. Many of the men are six foot or over and the smaller players seem to possess a lot of speed and aggressiveness.

The basketballers started working on plays and defensive systems late last week which will give them nearly three full weeks to prepare for their opening Intercity game with South, December 10. The Elkhorn game is a fill-in and will let both teams find out what they have in respect to a basketball team for the coming season.

Nevertheless, if we have a good basketball team or a fair one, Central's students should turn up for every game. A little school spirit will help the team enough to move it up from a fair team to a good team or a good team up to a championship team. Let's have a big crowd at the opening game two weeks from today.

The annual G. A. A. play day, sponsored by the Women's Athletic association, was held at Omaha university, October 27. Those who represented Central were Mary Allyn, Betty Brain, Penny Giannou, Delores Hughes, Pat Kolberg, Jerry Kahler, Carolyn Dawson, Dorothy Leibie, Jean Mahaffey, Margie Martin, and Violet Sharpnack.

The captains of the freshman basketball teams have been chosen as follows: Rose Anania, Ruth Ann Justus, Ann Scarpello, and Lucille Young. Competition is keen and this promises to be a good season as the enthusiasm is high. The three upper-classmen captains are Mercedes Turner, Ginny Lee Cahoon, and Pat Weir.

The annual splash party which was to be held last week has been postponed to a later date, but the hare and hound hike was held as scheduled on October 23.

At the last G.A.A. meeting the committee chairmen were announced as follows: decoration, Pat Weir; courtesy, Delores Green; points for the awards, Betty Brain; program, Penny Giannou; poster, Pat Kolberg; refreshments, Betty Edwards; social, Jeanne Weir; tickets, Jeanne DeFrance; and telephone, Helen Leibie.

# Reserves Outplay Vikings in Final Tilt, but Lose 6-0

It was the same old story Thursday, October 26, in the reserve game between Central and North on the Viking's field. The favored Central team outran, outpassed, and outkicked the unorganized North eleven only to lose the game by the score of 6 to 0.

When Central was on the offense it looked like a game between the whole North team and Pat Wilcox. Pat, the standout of the backfield, gained 130 yards rushing which was over twice the yardage gained by the North team.

The Eagle reserves started the game by driving thirty yards to the Viking seventeen. A pass over the goal fell through the hands of its receiver, and another pass was intercepted by North.

North opened the second half by running the kick back to the Central twenty-two yard line, and with power plays they advanced it to the ten. An intended touchdown pass was intercepted by Jerry Ries and carried out to the thirty yard line.

The Vikings' lone tally came in the last quarter. North took possession of the ball on their own thirty-five yard line and with the aid of a fifteen yard penalty brought the ball to mid-field. A long sleeper pass was good for thirty-five yards, resting the ball on the Eagle seventeen yard line, and another pass over the heads of the Central defense chalked up six points, but an attempted pass for the extra point was blocked.

# Ten Lettermen Form Nucleus of Squad

With the opening meet with Abraham Lincoln of Council Bluffs a few weeks away, Coach Ekfelt and his wrestlers went to work in earnest with the resumption of school. W time very limited the Central men warned every wrestler that he has a moment's time to lose. Sixty-six reported for opening drill.

Coach Ekfelt thinks the chances are slightly better than last year. Ten lettermen which include three state champions return to bolster hopes for another team of championship caliber. They include Russ Kunkle, Sam Kais, Jerry Ries, Joe Vacanti, Marshall Boker, Harvey Meehan, Dick Weekes and Russ Gorman of last year's team, and T. Niess and Frank Scarpello of the 1941-42 team. The three state champs are Sammy Kais, Joe Vacanti, and Harvey Meehan.

### Squad Experienced

Up from last year's strong second team are eleven reserve letter winners to make it interesting for lettermen to hold their positions. They include John Nyberg, Richard and Robert Irvin, Fred Hawkins, Louie Rotella, Marvin Stein, Bob Roberts, J. Bonfanti, Carl Quattrochi, Dick Brown and Gene Tetrick. A group last year's freshman numeral winners will also be on hand to compete in places. They are Jack Lacy, Joe Scaliano, Charles Beber, Yano Marche, Charles Mancuso, Bob Bierman, Frank Pisasale, Jim Coufal, and Manfred Krieststein.

### Twenty Freshmen Ready

Along with these boys Coach Ekfelt found about twenty freshmen hand ready for battles. Although nothing can be estimated as to the wrestling ability as yet, many of the yearlings look promising. Some of these include Meril Evans, Fritz Kountze, Herbert Reese, Deris Vine, Francis Ostronic, Bud Smith and Joe Macchietto.

# 4B's and Ronohs Top Boys' Bowling

**STANDINGS**

Team	W.	L.
4B's	11	0
Ronohs	11	0
Pin Poppers	9	3
Cornhuskers	9	3
Snarplies	8	4
Drunken Gremlins	8	4
Midgets	7	5
10th St. Merchants	6	6
Baby Wolves	4	8
Pistol Packin' Poppas	2	10

For the third time in four years of bowling, the 4B's and Ronohs tied for the league lead. The 4B's won two games from the Midgets while the Ronohs also took two from the Cornhuskers to continue the deadlock.

The Pin Poppers jumped into a runner-up position with the Cornhuskers by taking three games by forfeit. The Snarplies came within one game of them by continuing their streak to seven games, while the Drunken Gremlins won two from the Baby Wolves to tie for fifth position. Pistol Packin' Pappas continued their losing streak by dropping three games.

Jim Lyle continued his hot streak with the week's high series, a 447, to oust Darwin Fallis from first place in the high five. Newcomer Bob Cohn of the Ronohs took over fourth place from Pete Isacson. Cohn hit 190 for the high game while Si Markeson surprised by also regning a 190.

**HIGH FIVE**

Lyle—4B's	145
Fallis—Midgets	144.2
Garon—Ronohs	136.6
Cohn—Ronohs	133.9
Isacson—4B's	133.6
