## OUTSTANDING SENIORS

Traditionally the senior class and the supervisors reward outstanding seniors by electing and appointing them to honored positions.

The officers and the most and bests are elected by the senior class, while the committee chairmen are chosen by the senior executive committee, working with the senior counselors, Harold Eggen and Mrs. Helen McConnell, the executive senior sponsor, Miss Irene Eden, and the principal, J. Arthur Nelson.

## THE NATIONAL HONOR SOCIETY

The National Honor Society, first established at Central, is an organization which honors those graduating seniors who have made outstanding scholastic records and have participated actively in school enterprises during their years at Central.

Joseph G. Masters, former Central Principal, drew up plans for a high school honor society in 1918. Three years later his project was accepted by the National Association of Secondary School Principals. Since then the organization has covered the United States and spread to Hawaii, Canal Zone, and American schools in China and South America.

Each spring a faculty committee with Principal J. Arthur Nelson as chairman meets to elect those seniors from the upper one-fourth of the class who are best qualified for membership in the society. This year's members were chosen from the upper quartile on the basis of character, scholarship, leadership, and service.

For the sixth consecutive year the National Honor Society has awarded scholarships to graduating seniors throughout the country. This spring the faculty elected fourteen seniors who were in the upper fourth of their class to take the general aptitude test. Of those taking the examination, Patti Gilinsky was one of the highest ranking in the nation.

## VOCAL MUSIC DEPARTMENT

The vocal music department, under the direction of Mrs. Elsie Howe Swanson, has consistently played a major part in the various productions at Central. Furnishing the music for assemblies, programs, and important meetings are only a few of the activities in which the different choirs participate. Often the students in the department are called upon to help in outside activities such as ushering at musical productions that come to Omaha or for Ak-Sar-Ben activities.

Annually, the a cappella choir sponsors the school opera with the cast chosen from its members. This year the choir presented "Sweethearts," the popular operetta by Victor Herbert. Mrs. Swanson, assisted by Mrs. Mary Kern, in a matter of only a few weeks, turned out a very professional show, complete with period costumes, accents, and above all, beautiful vocal numbers. The leads of the operetta were Alice Middlekauff as " Sylvia " and Bill Burke as " Prince Franz . "

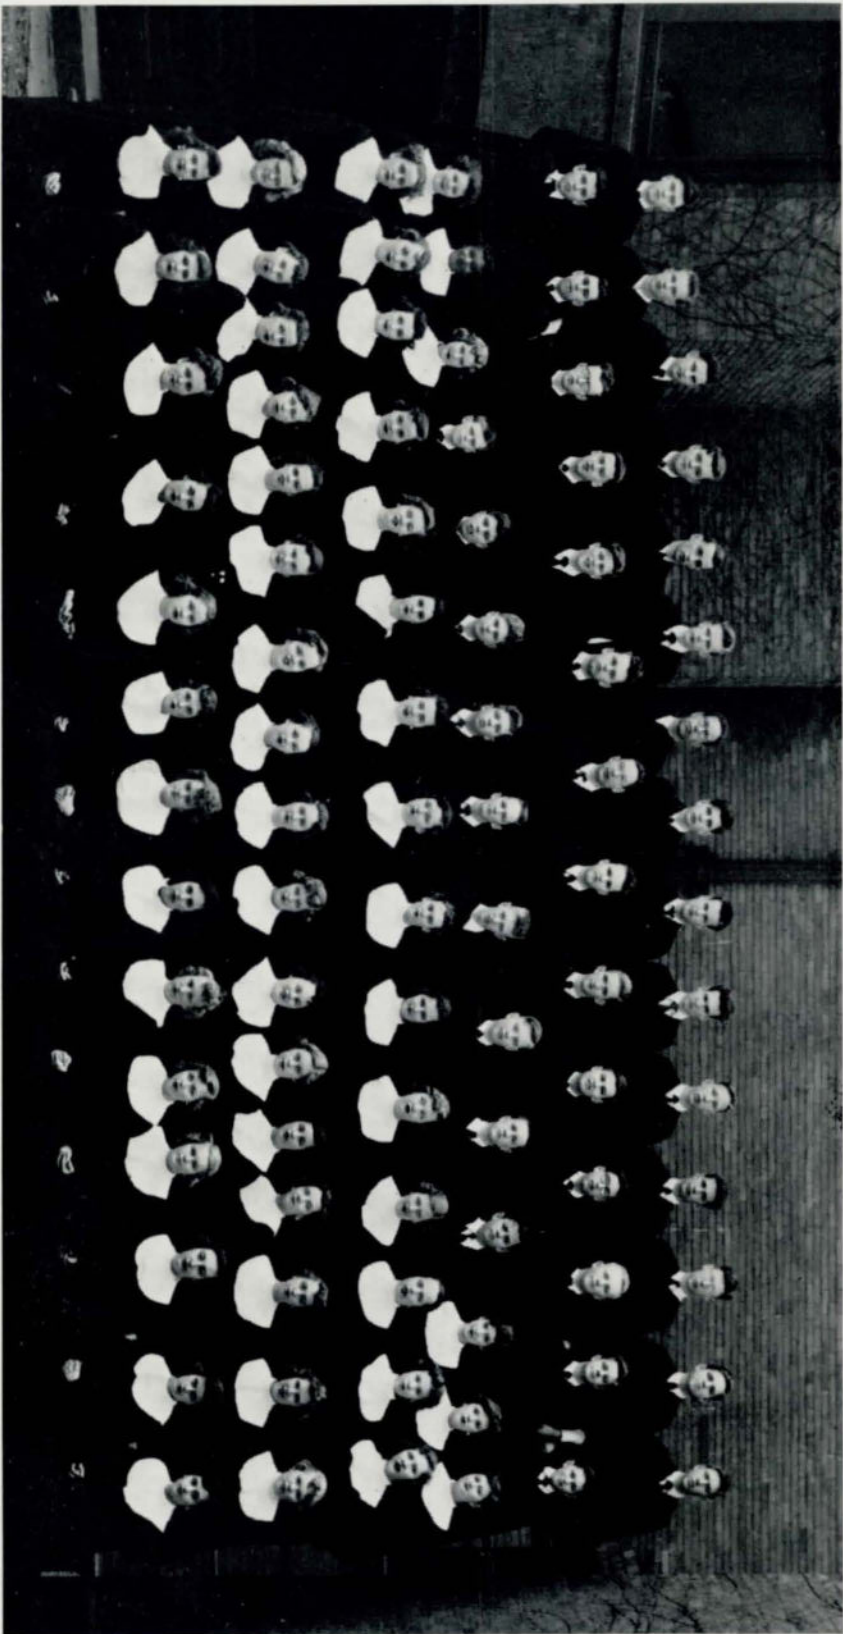

One of the most popular events of each school year is the Spring Festival. This evening of music is presented by the vocal music department. The Festival features numbers by each of the groups in the department, with selections ranging from lively folk songs and spirituals to passages from Shakespeare, set to music. The separate groups combine for the finale of the program. A great deal of practice is required, and the department works diligently for several weeks before the performance in order to capture the beautiful effect that over 500 voices singing together can produce.

## INSTRUMENTAL MUSIC DEPARTMENT

Music! Music! Music! The two large groups in the instrumental department are the concert band and the symphony orchestra. The orchestra, of which Central is very proud, plays for the fall play, the opera, the senior play, at the city-wide January graduation, and at Central's June commencement exercises. The concert band performed at the Nebraska State Education Association convention last autumn and for the Road Show in the spring. Both of these groups present a combined concert in the spring. To belong to these two organizations, the students must fulfill certain essential requirements.

From these larger organizations, several smaller groups have been formed. The colorful and snappy ROTC band plays for all military functions, including a concert at the Central Military Ball. Another is the 60 person marching band costumed in their new purple and white uniforms. This band plays between the halves of the home football games, executing precise maneuvers.

Among the musicians from the band and the orchestra, a dance band is formed each year which provides the music for all school dances. It has an important part in the Road Show and usually has a thirty minute "spot" in the Spring Instrumental Music Concert.

## MELODY BALL

The basis of Central's democratic government is the Student Council, an electoral body representing members of the freshman, sophomore, junior, and senior classes. The Council has been active in both community service and student organization for the past twelve years. With the express purpose of facilitating friendly relations between the student body and the faculty through active participation in school fairs, the members of the Council have concentrated their efforts on the promotion of such events.

Each year the Council's main project is the all girls' party, highlighted by the coronation of Miss Central, a position held by the most outstanding senior girl who possesses ability, leadership, scholarship, citizenship, and interest in school activities. This year Joanne Jacobs was crowned Miss Central XVII, Queen of the Melody Ball. Robed in the traditional purple cape, Joanne received her crown and scepter from Mrs. Andrew Nelsen, wife of the assistant principal.

The queen and her ladies-in-waiting, Jean Fraser and Elaine Hess, were chosen by the Central girls attending the party. Marching as princesses were Jacqueline Gaskill, Suzanne Graham, Carolyn Graves, Shirley Johnson, Sally Neevel, Lois Ostronic, Anita Reznichak, and Marlene Willie.

The seventeenth all girls' party was presented by the Student Council, and Mrs. Irene Jensen, Miss Josephine Frisbie, Miss Ruth Pilling, and Mrs. Helen McConnell, girls' counselors.

Others participating in the coronation were senior girls as countesses and attendants, class officers as duchesses, freshman girls as pages, and Student Council girls.

The Council has organized the homeroom representatives, sponsored the school assemblies and S. A. ticket sales, and managed the ticket sales for the opera, Road Show, and the O-Ball. The Council also supervises projects and works with Mrs. Irene Jensen, director of activities, on all phases of the year's social program.

## SPORTS REVIEW

The 1950 edition of the Central football team with a new coach, Frank Smagacz, started the statistics off better than in the previous six years. The well-rounded team beat Benson, Tech, and Abraham Lincoln. Mel Hansen was the bright star of the team, being selected to all-city and state squads. Jack Lee, Bassie Johnson, and Joe Prucka won honorable mentions on the all-city team.

The wrestlers, under Coach Norman Sorensen, won every tournament and title except the big one, the state. This year's state champions are Ray Farris, Joe Prucka, Ronnie and Mike Abboud, and Jerry Davis.

The cagers, paced by Jack Lee, Don Sirles, and Bill Bowman, hit the season's peak in upset wins over Benson and Abraham Lincoln. In spite of a poor record of three wins, seven losses, the Eagles, led by Coach Warren Marquiss, were considered a threat in the city tourney.

The '51 baseball team, under Coach Tom Murphy, started off the spring sports in good order, trouncing Tee Jay, 20-0, but had to be satisfied with a mediocre season. Along with Lee and Sirles, Mel Hansen and Bob Mancuso played superior ball.

Len Rosen, Rod Washington, Henry Watson, and Jerry Fitzsimmons, and the other cindermen upset all odds by winning the city, district, and Benson dual track meets. In the state tournament the Eagles, guided by Coaches Marquiss and Sorensen, were edged by Lincoln Central.

Dean Wilson and Jerry Schenken, coached by Sorensen, led the golfers to state titles. Schenken also won the individual state championship. The tennis team, under Coach W. Edward Clark, won a majority of its matches.
