

FETTERMAN IS ELECTED PRESIDENT STUDENT ASSOCIATION; RALPH CHURCH VICE-PRESIDENT

FIRST MASS MEETING FOOTBALL SEASON HAS RECORD CROWD

Football Men Make Talks—Swimming "O's" are Presented.

COACH SCHMIDT TALKS

Winning Candidates of Student Association Election Are Introduced

All Central turned out Friday, October 5, to the first mass meeting of the year, called for the triple purpose of introducing the new officers of the Student Association, boosting the team, and giving swimming "O's."

President Jesse Fetterman, Vice President Ralph Church, Athletic Board members, Vinton Lawson and Marion Morris, Secretary Frances Johnston, and Chairman of the Reception Committee Emil Shukert were presented by Mr. McMillan. President Fetterman was given charge of the meeting.

Ramsey Chapman, of the second football team, gave a talk pleading the cause of our second team game at Papillion. He was given a rousing cheer. Every member of the student body was overflowing with enthusiasm, and noise was deafening.

Captain Howell Speaks

When "Blue" Howell was called upon to talk, he surprised us by announcing that he wasn't going to tell much then—but that he would do his talking on the field Saturday. He was confident of a good game and promised good work.

"O's" Presented to Swimmers

Mr. Nelson presented "O's" to "Bill" Thomas, Bartlett Quigley, and Alex Larson. Rowan Greer, who is now out of the city, will have his "O" sent to him. These boys won the city swimming championship for Central.

A band played some lively selections and was enthusiastically applauded. Coach Schmidt said that the team was working as a unit. "We have no individual stars this year," he said. "Every man is working for the glory of the school and for Central."

After repeated cries of "We want Egan!" "Bill" came out. His stage fright was relieved by a speaking stand, which was thrust out to him by Weimuller. He gave a short talk, and left the stage with a thunder of applause.

MR. MASTERS GIVES LECTURE AT COLLEGE

Mr. Masters returned Saturday from Hartington, Nebr., where he had been since Wednesday. He gave lectures on the general program of high school teachers at the Teachers' Institute.

Last year Mr. Masters lectured at the same institute.

CALENDAR.

- Tuesday, October 9—Banking Day. Spanish Club Program at 3:00 o'clock in Room 215. Civics excursions to local courts throughout the week. Faculty Meeting.
- Wednesday, October 10—Third Large Pageant Rehearsal at 2:45 p. m. in City Auditorium. Hockey practice at 32nd and Dewey. Linger Travel Club Meeting.
- Thursday, October 11—Student Club Cabinet Meeting at Y. W. C. A. Special Gym Club Meeting to elect new members. Friday, October 12—Mathematics Club Meeting in Room 129. Greenwich Villagers' Picnic. French Club Meeting in Room 120.
- Saturday, October 13—Football Game—Central vs. Sioux City at Sioux City.
- Monday, October 15—Pageant Practice in Room 425.

WINNERS OF THE ELECTION ARE ALL PROMINENT SCHOOL LEADERS

Frances Johnston Is Elected Secretary of Student Association; Emil Shukert Chairman Of The Reception Committee

LAWSON AND MORRIS ARE ON ATHLETIC BOARD

Morris Okun and Russell Hunter are Elected To The Position of Advertising Manager; Both Are Experienced

Jesse Fetterman, better known as "Mutt" was elected president and Ralph Church vice president of the Student Association in one of the closest and most exciting contests ever staged at Central. Rivalry was keen, and the candidates were some of Central's most representative students.

The new president is an athlete and an "O" man, having won his letter in track. He was a member of the champion Soph basketball team last year. At the C. M. T. C. which he attended this summer, he carried off high honors, having won the highest average in the cavalry. In school activities he is a member of the Student Control and of the Stage Crew.

Ralph Church is Captain and Quartermaster of the Regiment, an officer of the C. O. C., a member of the Student Control, and was on the basketball reserve team of '23. Ralph is well able to step into Jesse's place and assume the duties of president in case of an emergency.

Frances Johnston New Secretary

Frances Johnston was unanimously elected secretary of the Association, having no opponent in the race. Frances is an all 'round girl, being a member of the Student Control, the Student Club Cabinet, Vice President of the Speaker's Bureau, a member of the Girl's Senior Glee Club, and a member of the Register staff.

The advertising managers, two in number this year, are Morris Okun and Russell Hunter. Morris has had quite a bit of experience in the art line, having been a sign painter for the Brandeis Store for three years; he has taken Art at Central for three years. Russell is Captain of Co. A, and was Treasurer of the Junior class last year. With the combination of Okun's artistic ability and Hunter's business ability, the advertising team ought to be a big success.

Shukert Heads Reception Committee.

Emil Shukert easily won the office of Chairman of the Reception Committee. Emil is Sport editor of the Register, and is a member of the Regiment. His cheerful smile is bound to win him friends wherever he goes.

The unsurpassable team of Morris and Lawson are the members of the Athletic Board. Marion Morris is Major of the 2nd Battalion; the acting president of Student Control, an officer of the C. O. C., was on the baseball team of '23, is an Engineer, a Rufnex, and a member of the Stage Crew.

Vint is Captain of Co. F, is a four-"O"-man, having won his letters in track, basketball, football and baseball. He was elected Reporter for the Junior Class last year; he is a member of the Engineers, Register Staff and Rufnex. These men are ready to stand by the teams and serve them to the best of their ability.

Students Campaign

Amid yells, shouts, cheers and whistles, a throng of students waited near 34A, Thursday evening, to vote for their favorite candidates. The line of students extended from 34A, which is in the middle of the north hall, all down the north side and halfway down the west hall. The line of students did not entirely disappear until four o'clock, when the ballots were taken away for counting. Friends of the candidates kept the hall in a continuous uproar, and issued advertisements of the members whom they wished to be elected.

The routine of the voting was very simple. Upon presenting his Student Association Ticket at the door of 34A, the student received a ballot. He filled in the names of those whom he wished to become officers, and placed his vote in the ballot box. In order that he might not vote twice, his ticket was punched before it was returned to him.

Rufnex Are Cheerleaders

The Rufnex, organized last year as a "pep" society, will live up to their name, and be the peppiest cheer leaders, and school-spirit-inspirers the school has ever seen.

ENGINEER'S CLUB IS ORGANIZED FOR WORK

Lester Lapidus was elected temporary chairman and Frank Arnoldus temporary secretary at the first meeting of the engineers club held last Friday. The meeting was called for the purpose of discussing the plans for the coming year.

Mr. Woolery, sponsor for the club last year, gave a short interesting talk telling the members that they were the only ones who could make the club a success. He also stressed the importance of having programs that were interesting as well as instructive. Mr. Franklin, a new teacher at Central this year, brought out the idea that all industry turns around the engineering field.

The club will finally devolve itself into several groups for the study of specific types of engineering. Some of the suggested groups are as follows: Electrical, radio, chemical, civil, aeronautical, mechanical and architectural.

A constitutional committee composed of Frank Arnoldus, David Sher, Theodore Wells, Roland Barnes and Stanley Swanson was elected to form a constitution for the society. The election of officers and sponsors will be in order at the next meeting.

COACH CHATELAIN IS PLANNING DEBATES

The organization of a debate squad, which will form a unit to support both the inter-class debate work and the regular debating season, is planned for this fall by Coach Chatelain.

The squad is to consist of from twenty to twenty-five persons who have had some experience in public speaking or who have shown up well in debate work. It will hold regular though not very frequent meetings. The coach desires that all interested in joining consult him in 440 as soon as possible.

It is Mr. Chatelain's purpose to pick members of the debate team from the squad, and if the project is successful, it is possible that the regular debate try outs may be dispensed with.

EDITOR SENDS STRIKE NEWS TO MASTERS

Principal J. G. Masters received a letter from the Managing Editor of The American Boy, stating that on account of the pressmen's strike in New York, the Register is receiving an abbreviated combination of several New York dailies instead of the regular editions of the New York Times.

CAST IS CHOSEN FOR THE ENCHANTED YEAR

Miss Williams and Miss Platt have selected the flowers, fairies, butterflies, poppies, and pucks who will dance in the pageant "The Enchanted Year," which will be presented before the Teachers' Convention, Nov. 2.

Miss Helen Mills will be the Spirit of Summer. The girls who will be flowers are the Misses Betty Furth, Katherine Gibson, Harriet Hicks, Dorothy Jones, Isabel Lehmer, Helen McChesney, Billy Mathews, Donalda Perkins, Minnie Shawcross, Charlotte Wells, Jean Whitney, and Mary Alice Kirtley.

The butterflies will be the Misses Dorothy Baird, Elinore Brodbeck, Florence Dagley, Jeanette Gallagher, Ruth Green, Roberta Kiewit, Gladys Morrison, Naomi Pester, Marie Schafer, Tobie Steinberg, Mary Pultz, Dorothy Weimer, and Frances Wilson.

The pucks will be the Misses Mildred Auchmuty, Nelda Conklin, Virginia Cooper, Marjorie Ganstead, Ethel Grienberg, Virginia Jay, Mary Johnson, Lois Jorgensen, Saven Judson, Marjorie Kathen, Lorene Lorenben, Berneta McDaniel, Margaret Nordquist, Ruth Pilling, Lea Rosenblatt, Ida Tenebaum, and Gertrude Wintroub.

All members of the cast rehearsed in the gym Monday after school.

Miss Faye Williams will be Queen of the fairies, with Miss Mercedes Fairfield as her attendant. The other fairies will be the Misses Katherine Allen, Helen Anderson, Addean Bush, Kathryn Bullock, Margaret Dailey, Gladys Foy, Louise Grant, Agda Larson, Alice Leslie, Gladys McGaffin.

Continued on Page Three

CENTRAL CADETS MARCH IN PARADE

Central High School Cadets marched in the Military Day parade Tuesday morning. Lieutenant Colonel, Ted Anderson, Ralph Church, Captain and Quartermaster, Dale Lloyd, Captain and Personnel, Robert Wallace, Captain and Commissary, John Platner, Captain and Adjutant, marched at the head.

All commissioned officers wore black crepe bands on their sleeves and sabres in mourning for Rollin Dunn, who was Captain and Ordinance. They will wear crepe for thirty days, according to army custom.

No promotions to fill the place left by Rollin Dunn will be made until the end of the that time.

PARENT-TEACHERS GIVE FATHER-SON BANQUET

Dr. Smith Will Speak—Committees are Chosen—Dates Decided

A banquet for the fathers of high school boys and girls which is to be held in Central High at 6:15 o'clock on Friday, October 26, will be held under the auspices of the Parent-Teachers' Association. The dinner will be given in Central High and will cost fifty cents. A limited number of tickets will go on sale Oct. 15.

The menu is expected to draw one thousand individuals, including parents, sons, and men teachers. Following is the menu: Creamed chicken or halibut steak, potatoes au gratin with two squares of butter, hot muffins, jam, cocoa, coffee, or milk, and apple pie with cheese. After the banquet Dr. Frank G. Smith will speak.

Monthly Meetings

The Parent-Teachers' Association holds meetings once a month. Interesting subjects are discussed at each meeting—for instance, the value of a high school education, working one's way through school, college requirements, and true sportsmanship in high schools.

Purpose of Meetings

The purpose of this association is to acquaint the teacher with the parents of the pupil, and to cultivate friendship between them. If a student is failing in a subject or is ill and unable to work so strenuously, an interview with the teacher will simplify matters both with the pupil and with the teacher. Teachers are, undoubtedly, more interested if they know the circumstances against which some students are working and know that the student puts effort on his studies.

Committees are Chosen

The committees have been elected and all dates set for the meetings. Mr. E. G. Soloman is president, Mrs. Pearl McGrew Harris, vice-president, C. V. Nelson, secretary, and Andrew Nelson, treasurer. Principal Masters is chairman of the Executive and Program Committee; Miss Emily Cleve, chairman of the Music Committee, and Mrs. Alfred C. Kennedy, chairman of the Courtesy Committee. On the Publicity Committee are Mr. Edward Black, Mr. Fred Carey, and Mrs. Russell Millhouse.

The meetings will be held at eight o'clock in the Central High school auditorium on the following: October 26, January 22, February 19, March 18, and April 22.

STUDENT CLUB HEARS MISS O'SULLIVAN TALK

"I love to talk about my trip to Europe, but I don't know where to begin," declared Miss O'Sullivan smiling at the room filled with eager Student Club girls, at their regular meeting, Thursday, Oct. 4, at the Y. W. C. A.

"Although I saw some of the most beautiful sights in the world, and had some very exciting experiences, the most thrilling moment of my whole seven month's trip, I experienced on the way home, three miles out of New York, when I saw the American flag being hoisted over our ship."

Although the play which the Student Club girls intended to present had to be postponed, a vocal solo by Gladys Reynolds and a violin solo by Louise Schouber varied the program.

Elizabeth Paffenrath, assisted by Elizabeth Kaho, Virginia Worst, Madeline Miller, and Ruth Grimmel, discussed the report of the committee on Student Club vocational mass-meetings and the benefit to Central High girls from this movement.

The first of these series of mass-meetings, at which welfare workers, newspaper, art, economic and music professionals will speak concerning vocations for girls, will be held in our auditorium sometime in October. The Student Club girls intend to present peppy, interesting mass-meetings for the benefit of Central.

Plans for the faculty tea which the girls intend to give for the faculty Oct. 18, were discussed by Dorothy Brown.

MR. WOOLERY TAKES CHARGE NIGHT SCHOOL

Mr. J. F. Woolery, vice principal of Central, has been chosen principal of the night school, which will start October 15, and continue for five months. Central High School is one of the eight schools in which a night course is to be taught. The other schools which will hold night school are South High, Bancroft, Comenius, Farnam, Kellom, South Franklin and West Side.

This course is open to students who do not attend the day school and who are over sixteen. Classes will be held in the following subjects: United States History, civics, mechanical drawing, shorthand, typewriting, arithmetic, French, Spanish, household arts, bookkeeping, penmanship and other subjects which may be demanded. School is to be open from seven-thirty to nine-thirty.

Central Beats Bluffs 13-0

HOWELL SCORES TWO TOUCHDOWNS AGAINST ABE LINCOLN AGGREGATION

Long Run by Thomas Features Game, Backfield Shows up Strong

Central outclassed Council Bluffs by trampling the Red and Blue to the tune of 13-0 in the initial football match of the season last Saturday. Captain "Blue" Howell starred for the Purple and scored two touchdowns. Egan, Muxen and Robertson were also stellar performers.

Council Bluffs opened the first quarter with a kick-off. Plunging consistently, with Howell and Muxen doing a good share of the work, Blue shoved the ball across the goal before ten minutes of playing.

The second touchdown was made by Howell on a 31-yard run through a broken field. Howell was undoubtedly the greatest yard gainer. Martin Thomas, giant tackle, recovered a fumble and ran 55 yards for a touchdown, but the ball had been called dead by the referee. Bill Egan handed the quarter position like a veteran. This is especially commendable because this was the first big game Bill was ever in. Lawson did some very good work while Fetterman and Percival held down the end positions in good shape.

The Council Bluffs six-foot wall was not able to stand the attacks of Howell Muxen, Robertson and Marrow, who plunged through for large gains. McKane starred for Council Bluffs. The only time Central's goal was threatened was when Council Bluffs advanced to Central's 28-yard line.

Clark at center blew up in the last half and was replaced by Oliver. Gorton, tackle, played a good steady game. Thomas and Lawson held up their sides of the line in a very creditable manner. Fetterman was removed from the game for slugging.

The game slackened up in the third quarter but in the fourth the purple aggregation came back strong. It was evident by the way Central gained ground in the first quarter which way the game would go. The game proved that Central has one of the best backfields it has ever had.

The stadium was crowded almost to capacity, and the boosters under the rousing enthusiasm of the Rufex sent cheer after cheer floating out over the field. Council Bluffs was also well represented.

The lineup:
 Central Position Abraham Lincoln
 Percival L. E. Patrick (C)
 Lawson L. T. Mann
 Gorton L. G. Walker
 Clarke C. Mahaffi
 Lepicier R. G. Dingman
 Thomas R. T. Robinson
 Fetterman R. E. Walsh
 Egan & Shepherd
 Muxen L. H. Helwig
 Robertson R. H. McKane
 Howell (C) F. B. Pierce

Officials—Referee, Morearty (Creighton); Umpire, Hoagley (Iowa); Head Linesman, Bailey (Nebraska).

Score by quarters:
 Central.....6 0 0 7—13
 Council Bluffs.....0 0 0 0—0

Second Team Plays Today

Our second team plays the Tech seconds at Fontenelle Park this afternoon. The game will be well worth seeing because we have one of the best second teams we ever have had while Tech always puts up a big scrap. Coach Bexton has a plan up his sleeve that ought to show Tech a thing or two. Let's see a big crowd out to cheer our men to victory. Remember Fontenelle Park after school Tuesday.

Arthur Hatteroth is now employed in our retail department as salesman and would be pleased to have any of his old friends call on him at the store, Walter G. Clarke, 1408 Harney St.

HERO OF BLUFFS GAME

SPLASHES FROM THE TANK SQUAD

By Pete Wendt.

Frank Mockler, backstroke swimmer, is going better than ever and should break both the Interscholastic and the A. A. U. backstroke records this season.

Bartlett Quigley is paddling along in good shape. However a certain young diver of repute seems to keep him away from practice considerably. Reginald Ramsey is showing up better each day in backstroke and free style swimming and should prove to be a point winner.

Richard Hayden is developing a good crawl stroke and seems assured of a berth on the relay team. He looks good at backstroking also.

Arnold Cislser and Palmer Gallup, new members of the tank team, are beginning to show something in fancy diving. They should develop into real divers by November.

Alex Larmon is getting back into shape for the sprints and relay. He needs a little pepping up however.

Vin Swift is plunging again this year and showing fair form. He needs more practice as Tech has a real competitor to beat.

Clarence Waillich and McGrew Harris are working hard and should find a berth for some event. Both need more distance swimming.

The boys all say we have an excellent captain in Bill Thomas, but we would like to see him on deck a little more regularly. He is there when it comes to breast-stroking and free style swimming, but the best of us need practice.

John Spellman '23 is studying architecture at Washington University, St. Louis.

PURPLE RELAY TEAM WINS FIRST HONORS

Beats Tech Team By 20 Yards Meet Held at Ak-Sar-Ben Field Army Day

Coach Schmidt's relay team, composed of Lepicier, Marrow, Muxen and Jones, ran off with the half medley relay held at Ak-Sar-Ben field October 2. Technical High was second and South High was third. The time, 1:40 2/5, was slow because of a wet track and the lack of training. Creighton High did not compete as planned.

The race was between Central and Tech until nearly the close when Missouri Jones made a whirlwind finish 20 yards before Swanson of Tech. South was quite a distance behind Tech at the finish. Jones was handicapped by a bad ankle, but he ran a fine race.

Lepicier ran into mud at the start but lost no ground. Muxen who ran next proved to be a real runner. Marrow did not lose any ground, but a Tech runner was just a short distance behind him, when a poor exchange of the baton on Tech's part gave us the lead.

The race was a fine one considering that the men did not practice or train for it. All four of these men are on the first football squad. Jones is especially famed on the century, while field events and the low hurdles are Marrow's specialty. Muxen and Lepicier look like real comers for the track team.

Track teams from the 3rd infantry, the 17th infantry, the 9th field artillery, and the 14th cavalry competed among themselves in all track and field events. The soldiers showed great determination, but the lack of correct training showed at the finish line where more than one fainted.

"Blue" Howell, captain of the football team, had charge of the tape while Coach Hill was the starter. Other coaches and physical directors of the city were officials.

Horse jumping, drilling, bareback riding, field artillery and a demonstration of cavalry were a part of the interesting program which was attended by a great mass of people.

Sioux City Game Saturday

Also, the next regular game is with Sioux City at Sioux City next Saturday. There should be at least 200 students making the trip to cheer our team on to victory. We have a mighty fine team but they need the proper support. Last year quite a number made the trip. A much larger bunch should go this time. Show your loyalty and make the trip.

Chester Leffang '23 is going to school at Harvard Military School, Los Angeles, California. His mother has moved to that city to live while Chester attends school there.

SECONDS AND FROSH WIN OVER PAPPILION

Coach Bexton's Aggregation Easily Tear Through Pappio Line

Coach Bexton's seconds alternating with Barnhill's freshmen copped an easy game from Pappilion High School last Friday. The final score was 32 to 6. The seconds played the first and third quarter, and five minutes of the fourth quarter, while the freshmen played the remainder. Our seconds were heavier than Pappio's team, and put up a fine fight, while the farmers played a very game battle. Each man in the second's backfield scored against Pappilion. The frosh team, under the leadership of Bill Johnston, also scored. Margeat, Pappilion's diminutive half-back, scored their only touchdown on a fumble in the second quarter.

The game was Central's from the start, but coach Bexton's boys did not get the stride until the third quarter, when they made their heavy scoring. A great many substitutions were made by the Coach so that all the men would have a chance to show their stuff.

First Quarter
 The seconds kicked off to Pappilion. Wadleigh carried the ball over for first score, but failed to make scrimmage for point. Score 6 to 0. The second quarter was rather slow. Score, end of half, 6-6.

Third Quarter
 In the third quarter the second team took the field. Cheek made a sensational run around the left end for a touchdown, but scrimmage for point failed. Central kicked off and were penalized for offside. The quarter ended with the score 25-6, Central holding the long end.

Fourth Quarter
 The ball was Central's on downs, and Sutphen took the ball over for the first touchdown of the quarter. Frosh kicked off and Pappilion worked a pass for thirty yards while the freshmen were handed a ten-yard penalty for pushing. Score 32 to 6 in Central's favor.

The lineup:
 Central Position Pappilion
 Frykell L. E. Haggodin
 Crabtree L. T. Ayres
 Bleicher L. G. Aruthnutt
 Logan C. H. Haferlain
 R. Jefferies R. G. McAnney
 Summers R. T. Styers
 Larson R. E. E. Nutt
 Means & Beale
 Cheek R. H. R. Nutt
 Horacek L. H. Collins
 Wadleigh F. B. J. Haferlain

SCRAMBLED SPORTS

Bill Johnson, the diminutive quarterback on the fourth team, tried to scare the other side one night at practice, so he started to bark si-si-si-sig-sig-na-na-na-nals. The effect on the opposing side was not very noticeable, however.

Archie Baley, former athletic manager and sports scribe, is to be seen at practice every night. He is helping in the coaching and the managing of the teams.

Johnny Riordan, one of the best ball players of Central in '22, astonished the spectators at football practice the other night by passing a football over to Baley, over three-quarters of the athletic field away. He did this not only once, but several times. Evidently he is putting his ability as a baseball thrower into throwing a football.

Guy Cook, veteran center on the Lincoln High School football team, broke his leg in a practice scrimmage. Cook will probably be replaced by Kitchen, a second stringer.

Mr. Barnhill's frosh teams are showing some real spirit. Every night there are over twenty-five striplings in moleskins.

Jim Hamilton is showing some exceptionally good work at both the quarter and half positions. He is showing Egan a fine race for the quarter job.

George McBride, in a letter to Miss Burns, sends his best regards to O. H. S. and the faculty. He is at Ann Arbor, Michigan.

Mildred Crowell of last June's class now attends Wesleyan University. She is a member of the Willard sorority.

Kathleen Bromley '23 is attending Van Sant School of business.

Virginia Read '20 is a teacher in the Junior High School at Dix, Nebr.

Louise Rosenthal, a junior at Central was awarded the Master's Swimming Degree at the Athletic Club and gained the distinction of being the only girl in Omaha to hold this degree.

Louise is a true representative of Central, and is upholding the honor of the Purple as admirably as any of Central's men. Girl athletes are gaining favor and the bloomer lasses of Omaha High are proud to claim a real star among their ranks.

Now that Coach Niggermeyer is convinced that Galloway, star fullback of last year, is not absolutely necessary for a winning team we shall endeavor to show any other team that the loss of Galloway did not affect our team so much. Of course Galloway was a very fine player, but this year we have a whole backfield of men just as he was. Also, the spirit among the men is much better than last year. All the men work together. That is the secret of success, so the prospects for a winning are bright indeed.

We see that Lincoln's good luck has stayed with her. She defeated Kearney, 27-0. Jug Brown, Link captain, scored all but six points.

Our ancient rival Tech also got the winning fever. They beat the light Clarinda Iowa, 27-7. Tech has a very heavy line this year. The Maroons gained most of their ground by line plunges.
