Miss Pinckney, school nurse, gave a talk on the value of health and its relation to self-respect. Mr. Woolery suggested that students be more careful in their disposal of refuse in the lunch rooms, and he urged the planting of flowers on the lawn.

Library Discussed

Miss Shields talked on the subject of guards at the doors of the library for the prevention of the disappearance of books. "The students do not understand that the system was adopted for their sake. It is a measure that many of the large universities and libraries of the country are forced to adopt," she said. "The 99 per cent of the upright people of the school are asked to co-operate against the 1 per cent of careless, thoughtless, and selfish people, who, by taking books, rob the students of their rights, and the citizens of Omaha of their money.'

INTERESTING BOOK TELLS OF PRINTING

A very unusual book, Specimen Book and Catalogue, of Typographic Art for 1923, issued by American Type Founders Co. in New Jersey, has been presented to the library by Barnhart Brothers and Spindler, 1114 Howard Street, Omaha. Miss Shields believes that it may be of practical value to all students of journalism.

Has Over Thousand Pages

The book is very large and interesting, having over a thousand pages of material on almost every phase of the printing industry.

A history and explanation of type and machines, why the printing of today is superior to that of 1900; the first type designing department; origination of type families; every conceivable sort of type, planned and illustrated; and pictures demonstrating ads throughout the country are handled in the book.

Display Decorative Material Next comes the lengthy display of decorative material. In this collection are borders, ornaments, embellishments, cuts, fancy initials, and brass rules which are used in the modern composing room.

Last is a full section devoted to printing machinery and equipment.

Parent-Teachers Favor New Athletic Building

provements Discussed at Meeting

The Central High Parent-Teachers Association met in the auditorium Tuesday, April 22, to continue the discussion on the needs of Central. which was begun at the last meeting, and to plan a general program of necessary improvements for the years to come. Mr. Louis Nelson and Mr. Harley G. Moorehead, two of the speakers of the evening, favored the erection of a new building containing a gymnasium and auditorium. But they feared that this could not be done very soon.

Central Boosters Talk Rabbi Frederick Cohn discussed the need and means of enlarging the auditorium, and Mr. Frank Latenser showed how the need of a new gymnasium and athletic field might be solved. Mr. Charles Morearty and Mr. Malcolm Baldridge also talked about the improvements needed at Central.

The Board of Education and the School Board were personally invited to be present at this meeting. The senior orchestra gave a half hour's program beginning at 7:30.

Does Not Believe in Using **False Names for** Stage

LIKES "THE OLD SOAK"

"My first advice to an aspiring actor or actress is: Be sure you have ability," said Tom Wise, who was playing the title role in "The Old Soak," at the Brandeis last week. "My next admonition is: Go to it with heart and soul. And the last one: Never lie to yourself. Which is the most important? Well, they rather follow each other up, but they are like the legs of a three-legged stool as to importance."

Been 41 Years on Stage

In telling of his own start on the stage, Mr. Wise said: "You see, I had failed at everything else, and having always had a taste for the stage, I tried it. I was a success with it, and it was a success with me, so for forty-one years I have been an actor.

Real Name Is Wise

"What is my real name? Well, it's the same one that you see on the billboards-Tom Wise. I have no use for people who employ other names when they go on the stage; it seems to me to imply either that they have something to hide, or that they think their name is too wonderful for the common eye to gaze upon.

DISCUSS FAILURES AT MEETING OF FACULTY

The all-important topic of failures was discussed at the faculty meeting in Room 120 Tuesday after school. The suggestions for preventing failures were summarized by a committee consisting of Mrs. Engle, Miss Howie and Miss Judkins.

Only 11 per cent of the girls ar failing, less than for some time. Nineteen per cent of the boys are failing. Of the 2,603 students en rolled in Central April 1, 15 per cent are failing. The committee believes that interviews with the parents of failing students and careful investi gation of failing freshmen will help. Co-operation with the school nurse to determine if the student is physically fit is also advised. Restriction of registration was also

recommended. A student should be allowed to take five subjects only when he has a clear record. He should not even take four and oneplay, "La Grammaire," was urged at half except when his record is a meeting of the French Club in 235 entirely clear. DIFFICULT GAMES ON PURPLE CARD FOR THIS WEEK

Play South Today: At Tech Thursday

contenders for the city baseball championship, are on Central's card for this week. Central will meet South this afternoon at 32nd and Dewey and will meet the difficult Tech Friday afternoon at Fontenelle Park. Each game will start at 4 o'clock.

South has got a real hitting bunch. and will be out with all their fight to defeat Central. Since each team has defeated Creighton no dope can be given for this contest.

Although the Packers' lineup is composed of inexperienced men, yet their ability to clout the ball makes them a serious opponent, especially with Urban and Clark as the batteries.

"Zip" Hill will use the regular lineup with the exception of Glade, who will probably be saved for the Tech contest. Cox or Lilly should be on the mound for the Purple clan.

The greatest crowd that has yet witnessed a high school baseball contest this season is expected to be present at the contest between Tech and Central on the Tech field.

Central and Tech have each been playing practice games in preparation for this contest. Central has been playing the Medic College. Tech played Lincoln last week.

The Techsters are still smarting from the defeat administered them last Thursday by the Council Bluffs nine and will try to even matters when they meet the Central nine. Although Central has a slight edge considering the dope, yet with Tech. dope means nothing but wind. Central will enter the contest with this view and the city championship in mind. The Purple crew will make a supreme effort to win this contest.

Tech's lineup is composed of veterans, many of whom were on the championship team of last year. They will probably use Maney, West or Shaw as the moundsman, while the rest of the lineup will be the

Games With Medics

The Central baseball nine played Jorgensen _ a couple of practice games in order preparation for the contests this week. The first game was with players from the Nebraska Medical College Freshmen, and the second with the Sophomores.

The Purple were defeated by the Freshmen by a 10 to 8 count on Wednesday, but came back Thursday and defeated the Sophs, 3 to 1. The feature of the first game was a home run by Glade with the bases full. Lilly and Cox were on the mound for Central in the game with the the Council Bluffs relays to be held Freshmen and, Jorgenson was the at Council Bluffs on May 3, look Purple moundsman in the game with good in comparing the time made by the Sophs.

HOT STUFF

Tech's defeat last Tuesday by J. Fetterman. Council Bluffs, who were defeated by Central the week before, shows that Central has the strongest chance for then P. Fetterman, Ritcher, and championship this year.

"Dutch" Morris was a bit unlucky last Tuesday when an apparent home run that brought in two men besides himself resulted in a foul ball. The ball was about two feet

Central will have some competition in golf and tennis in the city this year. Both Tech and Creighton have large tourneys. At Tech 104 boys have signed up for tennis, while 93 boys are signed up for the golf tournament.

"Heinie" Glade, so far this season, has fanned out 22 men. If he keeps up his good work he will be the outstanding pitcher of the city this year.

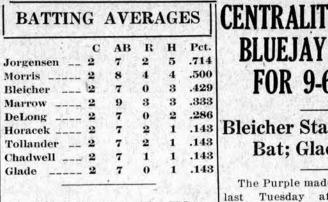

FIRST ROUND TENNIS PLAY NOT COMPLETE

Although the first round of tennis has not yet been completed, it is expected that it will be finished this week, and it is probable that matches in the second round will be played

Church, Gorton and Dutton are the favorite victors. The summary follows:

H. Forman beat Lewis, W. O. Johnson beat Findley, 6-1, 6-4. Gorton beat Hutton, 6-1, 6-2. Dutton beat Swanson, W. O.

Sutton beat Jonas, 1-6, 6-3, 6-4. Carnal beat Steinbaugh, 6-0, 6-1.

CHANCES GOOD IN BLUFFS RELAYS

Central's hopes for a first place in the Purple athletes with that of other schools in trials during the past week.

The mile relay, each man running 440 yards will probably be run by Comine, P. Fetterman, Ritcher, and

Two mile relay, each man running 880 yards will be Lawson starting, Egan finishing. Solomon, Lepicier, Comine and Fetterman will run the Medley relay, the first two men running 220 yards, the third running 440 yards and thelast man running 880 yards.

The 440 yard relay, each man running 110 yards will be run by Solomon, Muxen, Marrow, and Jones. In the special events Central will

be represented by Marrow and Robertson, broad jumping; Kinsey and Cheek, pole vaulting; Marrow and Forcade, high jumping; Thomas and Marrow running the 120 yard high hurdles; and Jones and Thomas running the century.

Golf Tournament Coming Off Fine

With the first and second rounds Jipp, 3b of the golf tournament practically finished, much material has been brought to light for successful golf teams to represent Central. The third and fourth rounds are expected to be completed this week and the championship is expected to be run off next week.

The results have been almost acording to dope with the strong contenders for the remaining rounds of the tournament. Those who won last week are Jack Pollard, Stanfield well, Richard Vette and Carroll Young.

Efficient Teachers PIANO, VOICE,

Bat; Glade Fans Ten

The Purple made two wins straight last Tuesday afternoon on the Creighton field when it gave the Prep nine a 9 to 6 drubbing.

"Heinie" Glade was doing stellar work in all of the game excepting the fourth inning, during which time the Preps collected almost all of their

hits and all of their runs. Bleicher was the batting star of the game with a triple, a double and single. Bleicher's double to center in the seventh sent in the last two practically Central scores and cinched the game.

Leahy proved to be an easy mark for hits by the Centralites, resulting in the swelling of Central's batting averages. In the sixth, Central sent three men across the platter with two successive hits and a couple of errors by the Preps.

Glade's striking out of ten men. coupled with Creighton's weakness both in the field and at bat, seemed to be the chief factor in the Purple's victory. Jorgensen smacked out three singles in the game, and Morris got a pair of doubles and a single.
