EDITED WEEKLY BY THE JOURNALISM CLASSES, CENTRAL HIGH SCHOOL

Vol. XXXII. No. 5.

OMAHA, NEBRASKA, FRIDAY, OCTOBER 14, 1927.

PRICE FIVE CENTS

Glee Clubs Choose New Presidents

Girls' Club, Virginia Bryson, Ruth Correa; Boys' Club, Albert Lucke

New Officers Active

Frances Alvord, Harman Stewart, Two Vice-Presidents

Central's songsters, the Senior Glee clubs, elected their officers on Thursday, Oct. 6, during the class periods. The girls' club, because of the very large number, has been divided in two groups, each group having its own officers. Ruth Correa and Virginia Bryson, both '28, were chosen as the girls' presidents. Albert Lucke will head the boys' club.

Other officers elected by the girls are, Frances Alvord '29, vice-president, and Hope Lyman '28, secretary-treasurer for the first hour, and Florence Binkley '27, vice-president and Betty Hickey '28, secretary-treasurer for the second hour. The boys selected Newton Jones '28 and Harman Stewart '29 as their vice-president and secretary-treasurer respectively.

The three presidents are very popular at school and belong to many activities. Ruth Correa is secretary of the Interclub Council, Speakers' Bureau, and Monitors' Council. She is the treasurer for the Central Committee and is a Central Colleen. Virginia Bryson is the staff-secretary for The Weekly Register and is a member of the Central Colleens.

Albert Lucke is captain of the band, secretary of the Student Association, and vice-president of the Central Committee. He is also a member of the Student Control, Purple Legion, and the Mathematics society.

According to Mrs. Carol M. Pitts, head of the music department, the material in the glee clubs is better than usual.

Senior Glee Club Presidents

VIRGINIA BRYSON

RUTH CORREA

ALBERT LUCKE

Seniors Decide Name of Play

"Pooee-ee-e" is the call for pigs, and "Pigs" is the name for the January Senior play. The play will be given by the Clemant-Walsh players at the Brandeis Theater on Monday evening, Nov. 14. The story is about a young boy who has just graduated from high school and has his heart set upon a college education. His father, who has had some disappointment in business, cannot afford to send his son to any university.

There seems to be no way out for the young chap, and he nearly gives in; finally a brilliant idea strikes him, and he sees a way out for his much desired college education. He undertakes the raising of all sizes and varieties of pigs. His proposition is very successful, and his parents are very pleased with their son. The play deals also with the bright side of college life. The tickets are 25, 50, and 75 cents, and \$1. The tickets may be bought from any January Senior.

English VII Classes Present Shakespeare's "Merchant of Venice"

Miss Helen Clarke's English VII classes are presenting Shakespeare's "Merchant of Venice." Those of the cast in the third hour class are: Shylock, Arthur Redfield; Portia, Dorothy Gill; Nerissa, Maxine Giller; Bassanio, Othel Schlatter; Antonio, Helen Johnson; Gratiano, Wallace Bramman; the Duke, Paul Bureleigh. The cast in the sixth hour class is: Shylock, George Lehman; Portia, Lilyan Haykin; Nerissa, Mabel Hendrickson; Bassanio, Perdita Wherry; Antonio, Harold Pollack; Gratiano, George Harris; the Duke, Mary Lou Fyfe.

Junior, Senior Hi-Y Hold Meetings

Special Feature Each Week; Noted Men to Speak to Groups

Starting the year off with a bang, the Junior and Senior Hi-Ys will hold their first meeting of the year at the Y. M. C. A., the former on Thursday, October 13, and the latter on the following Friday. The Junior Hi-Y will have as its speaker A. W. Webster, Princeton graduate, who has traveled extensively and who will talk on his travels.

Colonel George A. Skinner, of the Medical Corps of the Seventh Corps Area, will be the principal speaker on the Senior Hi-Y program. Colonel Skinner, who has been a colonel in the army for the last 11 years, will speak on "What Religion Means to an Army Man."

"The Hi-Y this year will be more closely organized than in the past. The boys will meet in one room to discuss problems, but the dinner will be held in another room," said Claire Fairchild, secretary of the Omaha Hi-Y organization over the telephone last Wednesday. "Both clubs will have a special feature each week, and different committees will be appointed to take care of any business that might come up," he concluded.

Officers for the Senior Hi-Y, elected at the meeting held last April, are as follows: president, John Wright; vice-president, James Bednar; secretary, Dewitt McCreary; treasurer, Andrew Towl. The officers of the Junior Hi-Y have not been selected yet and will not be chosen for about two months yet. Harman Stewart, president of the Junior Hi-Y last year, will preside at the meetings until a president is elected.

Boys Turn Apes in Game Saturday

Have Ned Smith and "Chuck" Hansen suddenly grown aged, or have they merely gone back to the childish love of making themselves more hideous than nature intended that they should be? This seems unlikely, but one was led to believe something of the sort at the Central-Beatrice game Saturday, for the spectators were entertained in addition to football fighting by two of the cheerleaders who grotesquely displayed a set of false teeth for the amusement of all.

How Ned came in possession of the teeth is not known, but that he is the owner of the artificial food crunchers is an acknowledged fact. And "Chuck" just couldn't resist the temptation of seeing if he would look as lovely as the owner of the teeth if they were transferred from Ned's mouth to his.

And now we all have a mental picture of Ned and "Chuck" in their old age when false teeth will be a reality and not a plaything—though perhaps even then they will not have recovered from their childish pranks.

Appoints Masters Head

Because of his excellent work in securing speakers for the different organizations during Father and Son week, Principal J. G. Masters has been appointed chairman of the Father and Son Speakers' Bureau for the fourth consecutive year. He is now busy making out his list of speakers for this fall's observance. The Speakers' Bureau is similar to the one here at Central high school; the members go to all the Father and Son meetings and affairs during week and make speeches.

Entertainments for Visitors of N.S.T.A.

Convention to Hold Special, General Programs in Sections

Clubs Give Selections

Visiting Teachers to Be Guests at Style Revue

Music, lectures, dinners, plays, tea dansants, and dance features will furnish entertainment for the teachers who will arrive for the Nebraska State Teachers Association convention in Omaha on November 3 and 4. Central's Glee clubs, Gym club, and orchestras will participate in the special and general programs planned for the convention. The orchestra will give several selections for the music section at the Technical high school auditorium.

The Junior Girls' Glee club will sing two selections for the geographical section, and the combined Senior Girls' and Boys' Glee clubs will perform for both the general section and the music section.

The Gym club has been requested by the city hall to give their Road Show act for the physical education section. The performance is to be given for the purpose of demonstrating dancing and pantomime in connection with the ordinary drill gymnastics. Students from the Gym club will fill the vacancies of those who have graduated.

Many specialty numbers have been arranged by the many associations and clubs in the city. On Wednesday evening, Nov. 2, "The Potters," an appealing comedy of American domestic life, will be presented by the Community Players at the Technical high school auditorium. Thursday evening there will be a men's dinner at the Ad-Sell Restaurant, and a women's dinner at the Chamber of Commerce. The dinners will be followed by a concert and reception at the Hotel Fontenelle.

On Friday afternoon from 4 to 6 o'clock, the visiting teachers will be guests of the Omaha Retail Dealers association at a style revue and a tea dansant at the Ad-Sell Restaurants. At 8 o'clock on the same evening, Allan McQuhae, noted Irish tenor, will perform at the city auditorium. This concert was also arranged by the Omaha Retail Dealers association.

Costume Classes Make Several Modern Designs

Costumes, ancient and modern, stage sets, and all sorts of interesting designs are being made by the costume design class of Miss Mary Angood, art instructor. The course which Miss Angood is following this year is adapted from that taught in Columbia university.

"A great many features of the course are not practical for high school work, but I have found some of them very adaptable. The old tendency in the study of costume design was to copy historical design, while the modern method is to use the especially attractive features of the historical design in making it a modern production," said Miss Angood.

The class has been working on a stage set to be used by Miss Floy Smith, expression teacher, in a Chinese play. Following the new theory of design, the class has made a modern design for the setting. A Chinese screen with side panels of rose and gold and a center panel representing a mountain scene in China has been designed by Mildred Brown '29 and Juanita Miller '29.

Designing of the costume of the Chinese Tung Chih, which will be played by Dale Larson '28, was the work of Alice Sowell, also a member of the class. An elaborate dragon will cover the back of the blouse which is made of black sateen. The tights, girdle, and sleeves will be of green.

To complete the setting, a large copy of the mountain, the scene of the action, is to be made.

"Charlie Chaplin" Visit Central!

Impersonators in Central's midst! The famous Charlie Chaplin seems to be the basis of this sudden outburst of acting. In fact, these actors are easily as good as the movie actor Charlie. Toes turned out, underlip lapped over the upper, an imaginary cane in hand, and the dumbest expression possible were the features which were combined to make the impersonation possible.

Central will in the future be able to call upon these actors for entertainment for her programs and mass meetings. The suspense is becoming greater, and the mystery plot is thickening. Who could these entertainers and famous impersonators be? Just as you expected; none other than the well-known Charles Schreck, "Ed" Gerin, and Stanley Kiger. Learn how to impersonate any famed character over night.

Cheering Section for Encounters

Ned Smith, Stanley Kiger Direct Meeting of Organization

A cheering section of 200 picked men will bear the brunt of the cheering burden at Central's athletic encounters in the future if the plans of Miss Floy H. Smith materialize. A meeting to plan the organization was held last Friday under the direction of Ned Smith and Stanley Kiger. Nearly 50 boys responded to the call of the meeting.

"The girls are not in this at all," declared Miss Smith. "It is the boys' job and they are the ones that can put it over. Of course, the girls can yell and are expected to yell, but the real yelling will come from the boys."

This plan has been worked out at the University of Nebraska games, and has proved very successful. No name for the organization has been decided upon as yet. Suggestions can be made to cheer leaders.

"It is our duty to get out and boost this cheering section that is being organized," said Newton Jones last night when addressing the C. O. C. "We should help the cheerleaders and the Purple Legion in this and see that it gets across."

The plan was discussed and met with general success. The plan was to have the commissioned officers sit in the stands with the cheering unit in their new uniforms and add both yelling and uniformity to the section. At the time this paper went to press it was undecided whether the officers would support it, but the majority favored it, and it seemed likely to go over big.

Spanish Hamburger Day Causes Riot

Pushing, crowding, hurrying students standing in a long line about noon time! What is it all about? Lunch, of course. On which days is there the most confusion? Spanish Hamburger day, most certainly. Which course holds the highest rank of all Central's dishes in the minds of her tribe? Spanish hamburger, first, last, and always!

Long, white, slippery strings, spaghetti; masses of dark, brown, juicy grains, hamburger; a blood red juice, tomatoes; that's Spanish hamburger! Spaghetti alone is good, hamburger by itself is delicious, tomatoes alone are good, therefore, all three combined most certainly should be delicious.

Ever since the day Central added Spanish hamburger to her menu, this delicacy has been stored away in the hearts of the Centralites as their favorite among all foods. No matter how much of this delicious food is prepared, there are always a few students who must be satisfied to wait until the following week to try their luck in being served.

Teacher Buys O-Books

Because there were more O-Book tickets sold than there were O-Books printed, it has been necessary to buy back O-Books from students who are willing to sell theirs, in order that the few who did not receive their annuals in June may get them now. According to Andrew Nelsen, mathematics teacher, who is in charge of the buying of the books, enough have been bought to supply those who did not receive theirs last spring, but a few more books will probably be purchased.

Miss White to Hear Program

Noted Men and Women to Speak at Special Meeting

An extremely fascinating program will be enjoyed by Miss Elizabeth White, journalism instructor, Oct. 28 and 29, at the Institute for High School Journalists and Supervisors and the Regional Convention of Quill and Scroll, to be held in Iowa City, according to the plans she has received. Miss White, who is national president of the Quill and Scroll society, will speak at the special meeting.

The novelist, John T. Frederick, author of "Druida" and "Green Bush," and editor of The Midland, will talk about breaking into the writing game. Among the various supervisors who will contribute to the discussions are: Frank B. Peers, of Deerfield Shields' high school, Highland Park, Ill., and Frederick J. Lazell, professor of journalism, in the University of Iowa.

All these attending the convention will be admitted to the football game between the University of Iowa and Denver university on Saturday afternoon at one-fourth price, or 50 cents, through the courtesy of the Division of Physical Education. Besides luncheons, teas, and balls for the delegates, everyone will have an opportunity to assist in the editing of the Daily Iowan for Sunday, Oct. 30. Miss White will return to Central the following Monday.

Parent Teachers Hold Open House

In order that the parents might become more acquainted with the teachers, an open house meeting will be held here by the Parent-Teacher association Tuesday, Oct. 18, at 7 p. m. Following the meeting of the teachers and parents a program will be given in the auditorium.

Harry A. Tukey, president, will preside. Principals J. G. Masters and Jessie M. Towne will speak on "The General Plans and Aims of the High School." A. W. Jeffries, former congressman will speak on "The Parents and the High School."

The open house committee, which consists of Miss May Copeland, chairman, Mrs. Elizabeth Craven, Mrs. Grace McManus, and Dr. H. A. Senter, is in charge of the program. Officers for the association this year are: H. A. Tukey, president; Principal J. G. Masters, vice-president; H. C. Everts, secretary; and H. Rosenthal, treasurer.

To Hold Father and Son Banquet Sometime in Nov.

"A Father and Son banquet, very similar to the one held last year, will be given sometime during November," stated Principal J. G. Masters, who is a member of the banquet committee of the Parent-Teacher Association.

He stated that the usual open house, of which the Parent-Teacher Association is sponsor, must take place before the banquet can be held. No definite plans or arrangements whatsoever have been made as to the date, place, or time of the banquet.

Jack McLallen, Orpheum Actor, An Exhibition Skater Before Appearance on Stage

"Maybe I'm what you'd call a dead man, or maybe I haven't any sense of humor," smilingly replied Jack McLallen of the Orpheum circuit when asked during an interview last Tuesday afternoon at the Orpheum theater how he was able to do and say the things he does and still maintain his serious attitude. Mr. McLallen added that he guessed that it was the accomplishment of just years of practice.

One of Jack McLallen's stunts is dancing on a small round table on roller skates. Before his appearance on the stage, Mr. McLallen was an exhibition skater and did fancy skating on rinks all over the world. Mr. McLallen asserted that it is very interesting to watch audiences and that there is a more appreciative audience on week days than on Sundays. When asked if he liked the stage,

Mr. McLallen replied, "Well, after 25 years on the stage, it is rather difficult to say whether or not one likes it, although I do know that I cannot stay away from it. When I go home for a few weeks in the summer, I can hardly stand it, for I fairly burn up with the desire to get back."

Mr. McLallen has a daughter who is in her first year of college in the East. According to her father, she is a very talented girl, although she does not care a great deal for the stage. She has taken part in many high school performances, however. "Most of the girls in the East take dancing and dramatics because they develop grace and poise," said Mr. McLallen.

The actor stated that Omaha's new Orpheum theater is one of the largest and most beautiful Orpheums in the West.

Students Hold Mass Meeting to Back Team

Dave "Big Moose" Noble, Former Centralite, Speaks

Cheers Boost Spirit

Mrs. Elsie Howe Swanson Sponsors Five-Minute Act

Displaying hearty enthusiasm, as evidenced by their lusty cheers, Central's student body held a mass meeting in the auditorium this morning in anticipation of the St. Joe-Central game, tomorrow.

Dave "Big Moose" Noble, former Centralite and star of the gridiron and cinder path both at Central and the University of Nebraska, spoke to the students.

Principal J. G. Masters introduced Justin Wolf, the new president of the Student Association. Cheers and songs were led by Stanley Kiger '28.

Elsie Howe Swanson, music teacher, was the sponsor of a five minute act given by Stanley Kiger '28 and Dale Larson '28. The boys sang "When Day Is Done," and "She Don't Wanna."

Members of the team were introduced individually, and one of the captains, Wesley Laugel '28, spoke on behalf of the team.

"The mass meeting committee wishes to make the meetings more successful than ever before. The team has fine prospects and so far the student body has displayed the right sort of spirit and have given their support to the team. If they continue in the way they have begun, Central should have a great football season," said Mrs. Irene Jensen, chairman of the mass meeting committee.

Several Students Win High Honors in Type Test

A mad clicking of typewriters interspersed with the ringing of bells, and the rustling and crackling of paper, which pictured the usual mad rush to get the lessons in on time, met the ears of the passersby. But this time the flying fingers were not speeding for simple, dead, old lessons, but for rewards.

Grace Danksy '28, who typed 48 words, and Rosemond Lehman '29, who typed 40 words, won bronze medals, while Mary Gartland '28 and Lela Lee '30, were awarded certificates. These girls used the Underwood typewriter. Dorothy Dinneen '28, who used the Royal typewriter, also won a certificate by typing 38 words.

Club Goes to Play

To attend the January Senior play in a body was the decision reached by the Girls' French club Tuesday at a special meeting held in room 127 after school. Dorothy Graham '28, newly elected president, presided at the meeting.

Barbara Everts '28 was put in charge of the Senior play tickets, while Perdita Wherry also '28 is to be at the head of the decorations and insignia committee.

"North Star" Sends Reporters to Get Idea on Good Ink

As a proof that Central's means of securing good ink for school use is a feasible one, two reporters from the North Star of North high school visited Principal J. G. Masters last Thursday afternoon to find out how Central's campaign for good ink was carried on.

The reporters were so enthusiastic over the idea that they had an order for six quarts of ink placed with the order for 12 bottles for Central. The ink is bought directly from the Sanford's Ink factory of Chicago, through the K. B. Printing company of Omaha.

Girl Distinguishes Self

Distinguishing herself by being the first girl to play the bass drum in Central high school's orchestra, Miriam Wells, postgraduate, has recently enrolled in this branch of Central's music department.

That Miriam is doing splendid work in playing this instrument which requires a knowledge of rhythm in all its phases and an ability to feel every music pulsation, was the opinion of Henry G. Cox, orchestra director.

Mrs. Fannie B. Davies Likes Paris; Sees Most of City, Historical Places

"Oh! I just love Paris," declared Mrs. Fannie B. Davies when interviewed in her room after school last Tuesday. Mrs. Davies spent the summer abroad and has just returned to school. She said that her party saw most of Paris and visited practically every place of historical importance.

"Although my headquarters were in Paris, I made trips through most of France, Belgium, and Switzerland," she continued. "English is quite the common language in Switzerland, but very little of it is spoken in France. My poor French was better than their poor English," she laughed.

Mrs. Davies returned home on the "Carmania," the ship which received

the SOS call from "Old Glory," the aeroplane lost during its attempt to cross the Atlantic.

"Yes the French women are still wearing bobbed hair, and the Frenchmen can certainly give lovely hair cuts," she answered when asked about the French form of coiffure.

"And eating is indeed a pleasure there, for the French are very good cooks. Every meal was really an adventure," she declared. "We also visited some of the battle fields of France and saw several of the forts that the Germans were unable to take during the late war."

Mrs. Davies has been abroad once before, having traveled through most of Europe. She intends to go to Norway and Sweden on her next trip.

First Film of Season to be Oct. 19

History Department to Give Film, "Covered Wagon," at School

Funds to Help Contests

Adventure, romance, thrills, and suspense are but a few of the qualities of the movie, "The Covered Wagon," which is to be shown in the Central high school auditorium on Wednesday afternoon, Oct. 19, under the sponsorship of the history department.

The proceeds from the movie will go to the scholarship contest fund. It has been decided by the Scholarship committee that each department will be sponsor to a movie during the year in order to make enough money to pay the expenses of the contestants in the Scholarship Contest from that department.

Principal J. G. Masters, who is especially interested in the history of the pioneer days, says of the movie, "The Covered Wagon" is the most intimate and accurate story of the Old Oregon Trail. It is an accurate presentation of the life and terrible struggles over this trail in the late forties. Such a film is worth seeing again and again.

"The American people have often been accused (and with considerable justice) of seeking always the new, the novel, and the bizarre. As a result superficial individuals have their interest in a subject satiated or satisfied when they can say that they have seen or heard given a worthwhile production.

"On the other hand thoughtful persons will wish to go deeply into the meaning and enjoyment of a great event, episode, or artistic production of a worthwhile piece of art, history or travel. Such, undoubtedly, is the great pageant of our western life as presented in the 'Covered Wagon.'

"In keeping with the usual custom, the price of admission of 20 cents is extremely low. Be sure to invite in your relatives and friends for this great film next Wednesday."

Tickets went on sale Thursday. They may be purchased from any history teacher.

Omaha Playhouse to Open Season With "The Potters"

Opening a season of distinctive plays by eminent American and English dramatists, the Community Playhouse will present an interesting and amusing comedy entitled "The Potters" on Oct. 17. The first three plays of a series of eight for 1927-1928 will be presented at the Studio theater, where plays have formerly been given. It is expected that the remainder of the season's repertory will be offered in the new Community Playhouse which is soon to be erected.

Other plays to be presented during the season are "Secrets," "The School for Scandal," "Mr. Peppys," "Beyond the Horizon," "Saturday's Children," "The Enemy," "You Never Can Tell." Membership in the Community Playhouse is open to workers who have rendered services to the organization and who are of recognized musical and dramatic ability.

The music room, which is now room 240, will be moved to 140. The reason for the change is that music and supplies have to be carried up and down the stairs, and by locating the room on the first floor, all of this confusion will be eliminated.

Girl Turns Mummy

A mummy or a corpse? Not either, really, it seemed, for the face in question was smiling and talking. A mummy surely couldn't do that. But there was the person ensconced in a narrow silk-lined box. Very hair-raising to the spectator. On closer inspection, the figure proved to be that of some tiny Centralite who had squeezed herself into her locker for greater comfort or something while talking to her friends. The silk lining was the inner side of her coat, which hung on its hook in the locker.

Swarthmore college, an excellent co-educational institution near Philadelphia is offering a \$500 scholarship for next year. Entrance is based on high school records. No entrance examinations are necessary. All interested see Miss M. L. Copeland in room 137.

Registers will be given out after school in a short homeroom period tonight instead of before school since the mass meeting interfered with distribution of papers.

Central's Boosting Units

GERMAN CLUB

Accepting the club constitution and appointing various committees was the main business at the meeting of "Der Deutsche Verein," the newly organized German club, which was held last Tuesday afternoon in room 339.

The program committee consisting of Carletta Clark, chairman, Lucile Weis, and Carl Haas will plan a program for the next meeting in the clubroom on Tuesday, Nov. 1.

Neill Adams and Margaret Gloe compose the committee to decide eligibility of the members, and Leah Oberman will be the reporter.

Students who have had one year of German and who are now taking that language may be members of the society. After this semester, students who have had one semester of German and are planning next year's work in German will be admitted. Seniors who are taking this subject will be admitted at the end of the first semester.

REYNA SPANISH CLUB

"To do or not to do" was the problem in connection with the club's undertaking to sell the tickets for the January Senior play. Because so many of the Reyna Spanish club members are also members of other clubs that will sell the tickets, the club voted in favor of a negative decision at the Reyna Spanish club meeting in room 120 Tuesday after school. Earl Lapidus, a January senior, spoke about the many prizes offered in connection with the largest sale of the tickets.

A new and interesting proposition was introduced by Alphonso Reyna in having a Spanish composition and conversation class before school on each Tuesday morning at 8:10. Only Reyna Spanish club members will be admitted to this discussion class. The meeting was held for the purpose of collecting dues, but, nevertheless, the treasury balance remained the same as when the meeting began.

CENTRAL COLLEENS

"Under the Moon" was the first of several selections which were sung by Miriam Aye and Nynee Leftholz for the amusement of the Central Colleens at their meeting last Thursday in room 445. After this bit of entertainment, Mildred Goosman was elected to represent the Colleens at the Interclub Council meetings.

A temporary committee consisting of Dorothy Graham, chairman, Mildred Goosman, Maryetta Whitney, and Della Jane Bowman was appointed to assist at the teachers' history club tea. When the business was completed Harry Stafford and Harry Womberg entertained by a few popular numbers, and Evalyn Pierpoint played a violin solo. Dorothy Graham was in charge of the program.

GLEE CLUBS

Because of a unanimous vote for a theater party, the whole music department including Junior Boys' and Junior Girls' Glee Clubs, Senior Girls' and Senior Boys' Glee clubs, and the Chorus club will attend the January senior play at the Brandeis theater.

INTERCLUB COUNCIL

Rules and regulations for the clubroom were submitted and approved at the meeting of the Interclub Council in room 439 before school last Thursday. Alfonso Reyna suggested that the clubs sponsor a movie or a play in order to earn the fare to Lincoln for scholastic contestants.

The committee on decorations, which consists of Edith Victoria Robins, Mary Jane Sweet, and Ruth Correa, all '28, was directed to look for rugs. The next meeting will be Thursday, Oct. 19.

GYM CLUB

At the meeting of the Gym club, Monday night after school in 415, Mrs. C. P. Lowry gave a short talk on Gym club acts in schools of New York City and introduced many new ideas to the girls. Plans were made for the filling in of new girls for last year's Road Show act to be given at the Nebraska State Teachers' convention in November.

From now on a Gym club meeting will be held every Monday night unless other arrangements are announced. According to a new amendment to the constitution, every girl who wishes to retain her membership in the club must be present at each meeting or present a written excuse to Mrs. Lowry before seventh hour of that day.

STAMP CLUB

Central possesses a club with only one girl in it, namely, the Stamp club. The following are the officers which were elected at the first meeting last Friday: president, John Kennedy; vice-president, Theodore Vogel; secretary, Charles Hayward; treasurer, Raymond Young; sergeant-at-arms, Steve Dorsey; reporter, Mary Clevering; Interclub Council representative, Alvin Friedman; auctioneer, Harry Barber, and sponsor, Miss Irma Costello.

The club decided that the dues will be 25 cents a year, and 10 per cent of all auctions will go to the treasury. The membership is limited to 25. There is room for six more in the club. It is not necessary to have a stamp collection to belong. The next meeting will be after school today in room 120.

LAMBDA TAU

"The Opportunities for Music in Omaha This Year" was the topic discussed by Isabelle Sallors at the meeting of the Lambda Tau in room 439 last Tuesday evening. Later there was a free discussion on whether there was too much classical music and too little popular music at the present time, the methods that could be used to educate people to enjoy classical music, and the influence of radio on this education.

Two visitors from Technical and one of last year's graduates were present at the meeting.

SPEAKERS' BUREAU

To urge students to patronize the advertisers of The Weekly Register was the purpose of the drive which Speakers' Bureau made last Tuesday in the homerooms. The new members of Speakers' Bureau are: Paul Barber '28, Thelma Brown '31, Francis Byron '30, Marcus Cohn '31, Ethel Foltz '29, Nathaniel Hollister '31, Harold Holtmyer '29, Marvin Marr '28, Elsie Standeven '29, William Wolfson '30.

A committee has been appointed to make arrangements for a picnic to be held the latter part of this month, but no definite plans have formulated as yet.

PURPLE LEGION

What will it be? Who will do it? Watch for it! These are some of the questions and answers resulting from the meeting of the Purple Legion, Tuesday in 121, when a committee consisting of James Bednar, Stanley Kiger, Marvin Rexford, and William Devereaux was appointed to arrange a stunt for the St. Joe game, Saturday.

At this meeting, also, color day was discussed, and Tuesday was decided upon as the day for future meetings.

GIRL RESERVES

Softly flickering lights blended with mellow strains from the violin lent an atmosphere of inspiration to the recognition service for new members at the meeting of Girl Reserves yesterday afternoon at the Y. W. C. A. Nearly one hundred girls attended the meeting over which Jean Williams, president, presided.

Music was furnished by Marjorie Smith '28, who played the violin, and Betty Free also '28, who gave several piano selections.

Central Regiment Procures New Drill Equipment

"The new regimental colors purchased are bound to make the regiment more attractive than ever," said Lieutenant Colonel Moorhead Tukey last Tuesday when interviewed concerning this non-Scottishmanlike feat of buying new ones when the old ones are still hanging together.

Besides these colors three new swords have been purchased and were turned over to the sergeant majors.

The cadets are planning to usher for the P. T. A. meeting to be held next Tuesday.

There was battalion drill for about fifteen minutes last night with the majors in charge.

According to the second battalion managers, Newton Jones and Arthur Pinkerton, their battalion is going too strong to be stopped. Thirteen squads at non-com drill show an unusual interest in the drill.

Marvin Rexford and John Wright, report that 12 squads were present, and then they say there will be 15 at the next drill. Rexford would like to see every one in the first "batt" out to "batt" drill. This battalion is heading for regimentals.

Hello There, What?

"Hello! Hello! the what? Say—this is Central high school, At. 3396. Yes, I guess you have the wrong number."

Thus speaks he at Central's switchboard. He of the idle hour who sits and does nothing but answers. He never gets a word in edgewise unless it's an answer. To add to this he must carry slips around as the principals want him to. 'Tis he who gets the receipts of the nickels paid for telephoning.

Oh yes, their names! First hour, Edward Elliott; second hour, Paul Juckness, third hour, Gerald Stafford; fourth hour, William Ellsworth; fifth hour, Alvin Friedman; sixth hour, David Slobodinsky; seventh hour, John Dressler; before and after school, Thomas Bishir.

Selling 54 Student Association tickets, more than any other cadet in the school, won Herman Levinson, supply sergeant of Company F, a Parker Duofold fountain pen. Herman started getting promises on registration day, and he sold nine more tickets than he had promises.

School Club Ends Election of Officers

Many Students Hand in Applications for Places in Committee

Members Assist P. T. A.

Election of a vice-president and a treasurer and election of new members was the chief business before the Central Committee at the meeting held last Friday in room 128. Albert Lucke was chosen vice-president, and Ruth Correa was made the treasurer.

Over 65 students handed in applications for the 21 vacant places, but as only ten sophomores applied for the ten sophomore vacancies, and only five were chosen, it was decided to select five more sophomore boys at the next meeting, a week from today.

"All sophomore boys wishing to apply for the five vacancies should hand their applications to me in room 128 sometime before the meeting, next Friday," said Miss Penelope Smith, sponsor.

Acting upon a request made by H. A. Tukey, president of the Parent-Teacher association, that the Central Committee resume the responsibility of sending out letters to all freshman parents, a committee was appointed with Arthur Redfield at the head.

Following is the list of new members elected to the organization Friday: Seniors, Dorothy Greevy, Beth Parker, Bettie Zabriskie, Betty Kimberley, Howard Kruger, Billy Comstock, Maxine Giller, Margaret Addy, Richard Wiles, Lucile Reader, Gertrude Lanktree, James Bednar; Juniors, Paul Wiemer, Charlotte Purdy, Mary Alice Rogers, Robert Vierling; Sophomores, John Gepson, Robert Pilling, Elaine Buell, Madeline Johnson, Betty Kelly.

Among the Centralites

Marie Barner '28 will spend the week-end visiting in Lincoln.

Mildred Brown '29 is teaching hand craft to a class of grade school Girl Reserves on Saturday afternoons from 2 until 3 o'clock at the Y. W. C. A.

Jean Richmond '30 suffered a torn knee ligament when she was captaining her team in a game of captain ball last week. She will probably be out of school for two weeks recovering from her injury.

Miss Bessie Shackell, Latin teacher, spent the week-end in Lincoln.

There's a great rush around the Student Control bulletin board on Monday morning—ask Mrs. Jensen the reason.

Charlotte Heyn '28 was absent from school all of last week on account of illness.

Sherman Brude, who entered Central two weeks ago, was forced to drop out last Monday because his parents were transferred to Minneapolis, Minn.

Eloise Bexten '28 will not return to school this winter.

Helen Poynter '29 and Ruth Gros '28 will spend the week-end in Lincoln at the Tri Delta house and will attend the Nebraska-Grinnell game.

Eythel Mae Hotten '30, entered Central high school Wednesday. Eythel was formerly attending school in Sioux City, Ia.

EAGLES BEAT BEATRICE

Centralites Outplay Beatrice Gridsters

Play of Sawerbrey, Clancy Help Purple Avenge Last Year's Loss

Outplaying their opponents from the start to the finish, a sweeping purple avalanche, descending from the heights of Central, decisively swept off a group of fighting players representing Beatrice high school last Saturday at Tech field before a crowd of about two thousand shouting, excited onlookers.

Although the Central lads outplayed the outstaters, the Schmidt-coached warriors were not able to materialize their scoring chances until the fourth canto. In this quarter, the Purple were able to put across a brace of touchdowns. The first came by means of the battering line plunges of "Sir" Peter Sawerbrey, "The Purple Knight" of Central, who crushed the Beatrice line for a gain of about six yards each time he was called on duty. Wright went over the last chalk mark from the two-yard line.

The other touchdown, which came in the last minutes of the game, was successful because of the excellent running of "Irish" Clyde Clancy, who alone gained more yards for Central than all the Beatrice backs combined. The score was registered by the way of the air. The embryo balloon was knocked into the ozone by "Field Marshal" Laugel and made a non-stop flight of about 15 yards into the waiting arms of Clancy.

The Beatrice boys uncorked a short-lived passing attack towards the closing minutes of the game, but the effort was fruitless as the final shrill of the whistle came a short moment later. The outstaters were able to make only four first downs against Central while "Papa's" boys registered 14.

Here is how they lined up:

CENTRAL (13)		BEATRICE (0)	
Tukey	RE	Menke	RE
Johnson	LE	Breece	LE
Huff	LT	Fierce	LT
Hyde	RT	Traylor	RT
Cackley	RG	Coolley	RG
Levin	LG	Smith	LG
Haynie	QB	McLanahan	QB
Laugel	QB	Witulsky	QB
Clancy	RB	Siefkes	RB
Wright	RB	Ramsey	RB
Sawerbrey	FB		

Substitutions: Central—Nelson for Levin, Cooksey for Sawerbrey, Connolly for Nelson, Nelson for Johnson, Abbott for Tukey, Levin for Connolly, Sawerbrey for Cooksey, Tukey for Johnson, Connolly for Haynie, Cooksey for Sawerbrey, Roe for Levin, Beatrice—Denton for Beck, Traylor for Denton, Nelson for Cooksey.

Scoring: Touchdown—Clancy and Wright. Referee: Adams, University of Omaha; umpire: Hill, Northwestern university; head linesman: Carey, Cornell.

Football Committee Amends Some Rules

Speed! Speed! In order that the football games might keep up with this speedy day and age, a committee on football rules met, discussed, and amended some of last year's rules and regulations. Concentrating on recommendations made by Coach Henry "Indian" Schulte of the University of Nebraska, and on recommendations from the other leading coaches of the country, the committee has amended the rules in such a way that the games might be played faster and harder.

To avoid possible injuries and interference with the play, also to make the try-for-point after touchdown more difficult, the goal posts have been moved back from the goal lines to the end lines (ten yards back).

In "shift" plays the new rules require that all players come to a complete stop for a period of approximately one second, and also state how this period may be conveniently judged (the referee counts four numbers rapidly, such as 1-2-3-4.)

In order to avoid the frequent delays which have been constantly recurring, Rule XIV has been amended so as to define certain types of "unreasonable" delay of the game, and the captain's privilege of calling time in each half has been reduced from four to three.

To encourage greater freedom in handling the ball, Rule XVII, Section 1, has been amended so that backward or lateral passes except those from the snapper-back will, if incompletely, become dead, and no further play can be made, except as specified in the rule.

When a ball is kicked from scrimmage formation and simply touches, or is muffed by a player of the receiving side before having come into possession and control, the ball may be recovered by a player of the kicker's team as heretofore, but it may no longer be advanced beyond the point of recovery.

"Yost" Knapple Converts Radio Room Into Trophy Room for Athletics

Since there is no longer a radio department or station at Central, the radio room on the fourth floor has been given over to F. Y. Knapple, coach of the second football team, and to the basket ball and baseball teams.

"Yost" Knapple is planning to varnish the floors and cover the walls of the room, or rather the two rooms, with pictures of athletics at Central. Already many individual pictures of former Central athletes adorn the walls and there are also pictures of the basket ball and baseball teams.

Seconds Lose Tilt by Score of 18 to 0

Inability to come through in the pinches and weakness on the offensive lost a chance for the Central second team to come in with a win over Tech in one of the most important games of the second team season. The final score of the game which was played at Fontenelle park last Thursday was 0 to 0.

In the fourth quarter a fumble of Davis' kick by a Tech man and the recovery of the fumble by Marshall, Central center, placed the ball on the Tech 30-yard line for a first down. Tech was penalized 25 yards for clipping, and the ball was Central's on the Tech five-yard line with about four minutes to play. A Tech penalty for off-side put the ball two and a half feet nearer the goal, and rushes by Central backs advanced the ball to the Tech four-inch line. There the Maroon seconds held and threw Altsuler and McNamara for about a four-yard loss. Rushes by McNamara put the ball again within a foot of Tech's goal. Here with four downs to make the necessary distance, the Purple lads lacked punch, and the game ended soon after the Tech quarter kicked out of danger.

The Eagle seconds were weak on the offensive but several times held Tech near the Central ten-yard line for downs. McNamara at left half for Central was a consistent ground gainer and many times got through the Tech defense and spilled the Tech backfield man for a loss. The work of Wetherell at full and the kicking of quarterback Davis also featured the backfield play. Poff at tackle, Marshall at center, and Haulman at the other tackle played good games on the line.

The lineups were as follows:

CENTRAL		TECH	
Mixon	LE	Zitnick	LE
Haulman	LT	Atkinson	LT
Alderman	LG	Hullinger	LG
Marshall	RG	Gill	RG
Haynie	RT	Dworak	RT
Poff	RE	Morse	RE
Schroeder	RB	Insera	RB
Davis	QB	Sapienza	QB
Smith	RB	Gowan	RB
McNamara	LB	Brook	LB
Wetherell	FB	Hushka	FB

Zoalite Machine Heals Injuries of Bruised Football Players

In order to give Central's athletes the best possible medical care, a new Zoalite machine has been installed by Coach J. G. Schmidt in his room, 320. The "baking machine" gives off a very powerful carbon heat. It is very good for all sprains, torn ligaments, dislocated joints, and all bruises. In operating the machine the injured section is placed under the glow and kept there for about half an hour.

The machine was used first with much success on the bruised elbow of Moorhead Tukey.

The recent decision reached by the doctors that Tigue Bass can't participate in any strenuous athletic competition has caused the negro star fullback to quit Coach "Yost" Knapple's second team squad for the remainder of the season.

Undisputable Evidence of How Central Beat Beatrice; Clancy Making Off-Tackle Run of Fifteen Yards

Yards! First in ten! Central's ball. This was the echo which the 2,000 Central fans heard sounded from the vocal cavity of the referee of last Saturday's game. Yes, yards; and above you see a picture of yards in its embryo stage of development. The picture shows "Field Marshal" "Wes" Laugel giving the oval to half-back Clyde Clancy whose brilliant running was the source of Central's major part of yards gained against Beatrice.

Grid Sparks

That the football team has been very polite to our out-state visitors is clearly shown by the fact that neither Fremont nor Beatrice have anything against us. (Fremont 0, Beatrice 0.)

Sloux City must be figuring that the game with Central will be a good one, for they are charging \$1 admission and having the game played in the Stock Yards' park. However don't let this discourage you if you were planning on attending the Sloux City game.

"Pete" Sawerbrey seemed to get a big kick out of spilling the Beatrice lads last Saturday. And "Pete" sure did hit 'em hard.

We wonder if the large crowd that watches Tee Jay and Central scrimmage every week is watching the game or listening to the coaches driving their players.

No decision has yet been handed down on the protest made by Coach G. E. Barnhill in regard to the illegal use of a play which South used in their game against Central. South beat the Central freshmen by the score of 6 to 0.

I Believe the Central Team Has Better Spirit and More Fight than It Had Last Year--Dr. Fouts

"I believe the Central football team has better spirit and more fight this year than it did last," said Dr. Roy W. Fouts, school athletic doctor, when interviewed in his office on the tenth floor of the Medical Arts building last Tuesday afternoon. Dr. Fouts' sons, Lowell and Leon, were graduated from Central last year.

"The team has a good start, and providing they aren't hampered by injuries and that they keep up their team spirit, they will have a successful season," continued Dr. Fouts. "Last season many players were injured and Coach Schmidt had to keep shifting his team in order not to play injured men. Wright was out for the season after the first two games for an operation on his arm, and Sawerbrey was bothered in nearly every game with a bad ankle." Dr. Fouts has been athletic doctor for Central for the past three years. All injured athletes are given medical attention by Dr. Fouts. "I believe "Bob" Douglas was the first Central

fellow I treated," said Dr. Fouts. "Last year I set Roe's broken leg and aided in the operation on Wright's arm. So far this year the most serious injury has been a badly cut lip," he continued. Dr. Fouts also does some medical work for Technical high school.

Leon and Lowell are now attending the University of Illinois at Urbana. Lowell is taking a pre-medical course and Leon is attending the Engineering school. Lowell is playing tackle on the first freshman team, while Leon can not practice football because he has afternoon classes in his engineering course, but instead he is spending what time he does have practicing with the Varsity baseball team. While in Central, Leon was captain of the baseball nine, center on the basket ball team, and an end on the football eleven, and Lowell was center on the foot-

ball team and captain of the wrestling squad.

"Yes, I played college football and baseball at Illinois," asserted Dr. Fouts. "I played tackle on the grid team and first base and outfield on the baseball nine," he continued. "For several years after I was out of Illinois, I made more money playing semi-pro baseball than I could practicing medicine," he said laughingly.

Dr. Fouts was born and raised in eastern Iowa and came to Nebraska in 1910. He is now a medical doctor specializing in X-raying, and not practicing surgery. He is dark complexioned, tall, and middle aged.

Lack of Hockey Sticks Prevent Girl Athletes from Active Playing

Possibility of 15 points towards an "O" offers a great inducement to all girls who are interested in hockey. In spite of the fact that 25 persons signed up at the beginning, only 12 are playing now. Many are kept waiting because of lack of sticks.

In the practice last night at Thirty-second and Dewey, two games were played in which the drive and dribble strokes were again practiced. No regular teams were lined up, but on the practice teams, Louise Sonderegger was captain of one and Barbara Evarts captain of the other.

Central Frosh Lose by Shutout Score

Although the score 18-to-0 may seem to indicate a walk away for Tech in the Tech-Central freshman scrap, held last Tuesday at the Thirty-second and Dewey street gridiron, the game was by no means an uneven fray, for, although outweighed by more than 100 pounds per man, the Central frosh fought hard throughout the game.

During the first quarter and most of the second quarter, the game was pretty even, neither team completing many first downs and being forced to kick frequently, but during the dying moments of the second quarter, a long end run by Sullivan, Tech quarterback, paved the way for the first Tech score. Wright downed the Tech quarter on the Central 10-yard line when it looked like there was a touchdown brewing for sure. From this point, the Tech backs worked the ball to within three yards of the Central goal line and shoved it over for the first counter just as the whistle for the half blew.

During the third and fourth quarters the ball was constantly in Central territory. Early in the third quarter, the Tech eleven advanced the ball to within two feet of the Central goal line where a fighting team of Eagles took the ball away on downs. On the next play, however, a return of Everett's punt again put the Tech bunch within scoring distance and this time the Maroon was not to be denied and went over for the second touchdown. They failed to kick the goal, however, and the score was 12 to 0.

The third Tech touchdown came as the result of a blocked Central kick, a Tech man picking up the ball and running to the Central 3-yard line where a Tech half put the ball over on the next play.

Sullivan, Tech quarter, was the big factor in the Tech victory, while Wright at quarter and Dodson at full played the most consistent games in the Purple backfield. The kicking of Everett, Central halfback, was another feature of the backfield play.

Creighton Field Place of Tilt

Central's String of Wins Gives Eagles Edge Over Josies

If the past records of the games played between St. Joseph and Central are indications of the strength of the respective teams, Central should easily come out with the big end of the argument which is to be held tomorrow at Creighton field. In the past 20 years Central has won over St. Joseph 17 times; lost once and ties two games.

Although Central has been victorious in the first two engagements, the young eagles will have something to worry about tomorrow as the "Saints" are known to be a team that likes the going rough, and the rougher the better they like it. To get his boys in the real mood of football, Coach J. G. Schmidt sent his men against Coach Thompson's Yellow-jackets last Tuesday on the Capital Hill.

Central will greet the "Show Me's" with one of the fastest backfields in the Cornhusker dominion. With Sawerbrey and Wright to rely upon for the battering of ends, Central should break into the scoring columns in the early stages of the game. Should the Centralites find their goals in danger, Coach Schmidt can call upon the educated toe of Captain "Wes" Laugel.

The line, although it showed some real class in the Fremont game, did not do so well in the last tussle; the flanks especially were patrolled in a weak fashion. The tackle positions are in the hands of two capable men, Captain Huff and Hyde. Cackley and Levin handled their guard positions quite satisfactorily. The pivot position was handled by Connolly and Haynie.

Coach Schmidt will probably start these men tomorrow: Clancy and Wright, halfbacks; Sawerbrey, fullback; and Laugel, quarterback. The forward wall will be composed of Tukey and Nelson or Johnson, ends; Huff and Hyde, tackles; Levin and Cackley, guards; and Haynie or Connolly, centers.
