Buell, President: Hansen. Vice President; Harriss, Eldridge Are Secretaries

GROUP APPEARS SOON

Conrad Buell '33 was recently elected president of the a cappella choir, according to an announcement made this week by Mrs. Carol M. Pitts, head of the music department. Buell played the part of the Marquis in "The Two Vagabonds," and he is the bass in the boys' quartet which won first place in the last district formed by eight boys at Manhattan contest. "Conrad has an unusually fine bass voice," Mrs. Pitts said, In addition to his musical activities, he is prominent in athletics.

Has Had Two Opera Leads

The vice president elected by the club is Kermit Hansen '35. He is also a member of the quartet, and he has Athletes claim jaw movement (in had leads in two operas, "The Mikthem to play better. Await Dr. Anderson

THREE hundred and fifty senl iors were detained in home room last Friday when Miss Jessie Towne, dean of girls, calmly announced that they were all to wait. through their fifth hour if necessary, for Superintendent Homer W. Anderson, who was to speak to them.

Time passed but no speaker appeared. The hungry students became nervous and restless, for their fifth hour lunch period was passing. Miss Towne nervously pacing the platform said she hoped no one would miss a test because of the speech.

Suddenly the door opened; a boy rushed in and spoke to Miss Towne who gasped audibly and raised her hands as a sign for dismissal. The puzzled students filed out.

The mystery was solved when Miss Towne admitted that it was all a big mistake. She had received a note from Mr. Masters which said that he held the seniors for Mr. Anderson. Miss Towne had read it "hold." Mr. Anderson meanwhile had arrived and had spoken to Mrs. Pitts' home room as scheduled. The seniors that Mr. Masters said had been held were the ones in Mrs. Pitts' home room who were kept to hear the superintendent.

Entered as second-class matter, November 15, 1918, at the postoffice of Omaha, Nebraska, under the act of March 3, 1875. Vol. XLVII Friday, February 10, 1933

ENROLLMENT INCREASES

ONE HUNDRED SEVENTY-EIGHT freshmen entered Central High school this semester to swell the total number of freshmen students to 747. The next largest is the senior class with 467 members. The sophomore class, 455, comes next; with 436, the junior class has the fewest members. There are sixteen postgraduates attending Central this semester.

According to Miss Adrian Westberg, registrar, this semester's senior class is the largest that Central has had for years. In the freshman class the girls outnumber the boys, 404 to 343; in the senior class the boys outnumber the girls, 250 to 217, much to the girls' delight. In the other two classes, the girls are in the lead; therefore, the girls, totaling 1,078, against the boys' 1,027, lead the boys both in total and in the class comparisons.

The total enrollment this semester is 2,118 as compared with 1,904 of last semester.

The depression has been felt in almost every field, and educational institutions have proved no exception. But instead of decrease in numbers in the school, a marked increase is noticeable. Miss Westberg explains that the senior class of this semester is larger than usual because there have been fewer students drop out of school. The larger freshman class is a usual occurrence at Central.

YOU ARE INVITED

MR. FRESHMAN, Miss Freshwoman, the Library cordially invites you to come in for a visit! Please don't get the notion that it is only for upperclassmen. And don't imagine that the only books in it are dull volumes of history or science. You will find gay romances, thrilling mysteries, and exciting wild-west novels on its shelves. There are new magazines in Room 221, and files of pictures that will supplement your history or English lessons.

And another thing! The librarians won't bite! They will be glad to answer your questions or help you find what you want. Or if you're too bashful to inquire, use the Card Catalogue over by the windows. There are dozens of ways to find interesting material in the Library. Of course you will want to register there for some study period every Friday, just to browse around and find new things.

By the way! Could it be possible that there are some sophomores or juniors-horrors! there might even be seniors! - who haven't learned to use and enjoy the Library? Then this invitation includes you, too. Come in and get acquainted!

GANGS AND GOADS

WOULD it be possible for the Board of Education to post at convenient places about the halls a number of elephant hooks? For what? you ask. To prod the gangs of girls that go plowing down the halls sweeping aside all before them and holding up traffic behind. Boys sometimes are guilty of this offense, but they are usually in too big a hurry.

Now an elephant hook would be very handy. Give them a prod and accelerate their pace from one foot an hour to a mile a minute. This would help conditions immensely and bring about the return of prosperity. Our jazz age was an age of prosperity. Also of speed. If you want prosperity you must have speed. Therefore give the girls a jab with the elephant hook. (Please don't investigate this reasoning too thoroughly.)

Seriously, for a moment, these women are an awful menace. The number of innocent freshmen crushed beneath their chic number three's is amazing. You, the one I'm pointing at. How many times have you turned around and circled the building when you saw an advancing horde of females? Also how many times have you circled the building to get past a slowly retreating horde? Millions of times, I'll wager.

A POSITION of honor and responsibility is that of editor in chief of the Register, which Windsor G. Hackler '33 so capably fills. He is also president of the Spanish club, first lieutenant and adjutant in the regiment, and a member of Junior Honor society. Math club, Council of Honor, and C.O.C. In each of his many responsibilities, he is noted for his dependability. When Windsor says he will do a thing, he always does it. "Windsor has an extremely logical mind," Mr. F. H. Gulgard, commandant of the regiment, asserted. "He thinks things through carefully before he does them. I prophesy a brilliant future for

Foothills of Parnassus

A NEIGHBORHOOD PEST

There was a little pest around; Mean things he'd always do; He'd find just all the trouble round; He'd always bother you.

One day he broke the fish's bowl; Next day he broke a chair; He'd wander in the pastry room And strip the icebox bare.

He'd break the neighbor's window glass; He'd punch holes in their tires; He'd scratch the fenders of their cars; He'd tie the doors with wire.

He'd chase the chickens down the street; He'd pull cats by their tails; He'd lock the barn doors from without, Enforce them with some nails.

He'd break the spokes on bicycles; He'd dig out garden seeds; He'd ring the bells until they broke. On flowers, throw some weeds.

People felt like spanking him For the trouble he did make; The people planned to punish him If nine years it did take.

One day they took him by surprise And then believe, 'tis true They gave him some memorials For things that he did do.

-Winifred Andersen '34

AN OLD TREE

It's a tired old man With a withered soul, And a body that's bent and scarred, And its limbs are weak and powerless, Where they once were young and hard. It's a bitter thing of forgotten years That has seen its useful day, And is left by youth To its silent watch. And inevitable decay.

-Virginia Haines '35

THE HILL

Al Capone is his hero; he puts his playmates on he spot in his games; his language even before he eaves baby-talk is mixed with the argot of the underworld-this is the small boy of today. His father knows how to get his parking ticket "fixed." Aunt Mary boasts about the Paris lingerie she smuggled through the customs last summer. That the man next door is a bootlegger is common knowledge, but nobody does anything about it. Will not all this open disrespect for the law totally distort the next generation's conception of right and wrong? Right now there are boys and girls from homes in normal financial circumstances who are in jail because it was more fun to steal than to buy. Who or what is to blame for this situation? Is it the crime-displaying tabloids or the gangster movies? Is it the World War or the Eighteenth Amendment? Or is it only a generation too much concerned with child psychology? Crime Prevention bureaus, Adolescents' courts, and Parents' associations are doing all they can, but the situation is still very serious.

New Shirts for Old—Fashion Notes for Business Men in February's Atlantic Monthly

This is the season for business men to look over their financial wardrobes and to take advantage of the spring fashion notes. Bankers should dress with an air of smart conservatism, but their shirts should be more "hard-boiled." The bosoms should be broad. covering the heart so it will not get too soft. Diamond studs are not, of course, being worn. Stockholders will work but half days, giving place to do well to avoid shirts with the bizarre effects which were so recently in vogue. A stout stockholder should choose fuller lines, but should not let his valent choose Dick Fuchs: Yes, but I bet that his shirt or he will find himself coming home in a barrel. The sweat shirt will be in favor again but with more changes of linen. As competition in business requires armor, the shirt of mail is highly recommended. Extra! Kelley and Ranney will give It should be loose, however, for overheating and high free demonstrations of graceful roller blood pressure must be avoided. Many business men skating at Fortieth and Farnam any have recently lost their shirts, but it is hoped that they will be smartly dressed in the next industrial

Meals, Bed Given By Men's Bureau

Pacific School Provides Home for Unemployed; Good Record for Salvation Army

Two meals a day and a bed to each of 265,000 men since a year ago last October is the record of the Bureau for Homeless Men run by the Salvation Army at Pacific school. Not one serious illness, not one uprising, no trouble of any kind-and thirty-one nationalities have been represented.

When the work began, accommodations were made for two hundred men. Now from 750 to eight hundred are taken care of every day. The quota allowed the Salvation Army from the Community Chest has been reduced, but this bureau continues its work. A hotel at Thirteenth and Leavenworth has been rented recently, and the overflow from the school are given cots in this smaller build-

50 Is Average Age

The average age of the men is fifty although men 82 years old have stayed at the bureau. These figures are taken from the records of registration. Every man that enters the building must register. Those from Omaha sign a book not unlike a hotel register. Those from out of town fill out cards asking such questions as name, age, education, occupation (or not), destination, home.

Two Central students were shown through the buildings recently. While they overheard a young man explain Cherniss '33, Robert Stiefler '34, and that he had graduated from the University of Nebraska and had taken civil engineering. And he was asking for a free bed and free meals.

Bureau Does Great Service J. A. Lyons, a member of the Salvation Army Board of Directors, ex- tangible property." plained that besides caring for these homeless men, the bureau is doing the city a great service by keeping these men off the streets at night. "Over seven hundred men, jobless and hungry, could do a lot of damage in a short time," said Mr. Lyons, and then he explained that the men are not allowed to leave the bureau after they have checked in for the night.

4 Sergeants, 2 Corporals

Eight clubs participated in this last service.

Clubs Exchange Correspondence

In the department sponsoring international friendship, the French classes and French and German clubs have exchanged correspondence with boys and girls in France and Germany, and the Discussion club has studied international problems.

Other activities are classified as usher for all school performances. Members of Student Control work in the check room and at the ticket window, do secretarial work for teachers and the library and substitute for teachers. The library monitors help the librarians; the Central Committee furnishes paste and ink; and the Central Colleens help each year in raising part of the scholarship fund.

Activities of Military Department Activities of the military depart ment have included ushering, participating in parades, and giving speeches before city organizations.

Though there is no organization as et, plans are being made for meeting the incoming freshmen who have joined to do Red Cross work in the grade schools. It is hoped they will the sewing classes make garments Next week, a report will be made from materials furnished by the Red on Register expenses and receipts for Cross. A scrapbook of clippings from the Register is planned to continue the record begun in this survey.

Originated During World War

The American Junior Red Cross originated during the World War at the close of which the members had provided \$10,000,000 in money and materials. Through the exchange of Christmas gifts and "thank-you" messages began the project of international correspondence, the beginning of education for world peace. now one of the chief objectives of the Junior Red Cross. There are at present over 7.500.000 American school children, from kindergarten through opera, "Mignon," She was accom-Max Resnick '32, was published in and possession who are members of '33. this organization.

SIDELIGHTS

this plan? The poor mathematics students would have to whisper in terms of x, y, A, or B, but the idea would be very popular in the English lasses, no doubt.

Forfeiting a penny for every point their grade drops is the penalty put upon members of a certain class at Central High school, Bridgeport, Conn. The pennies are put in the class treasury.

So this is where the well-known depression started! Education seems to be a sad thing. They plead with you, punish you, and even fine you to make you study. Of course, at Central all the grades go up so we don't need a system like this!

"Back-to-School Night" is an annual event at Central High school, Fort Wayne, Ind. The parents of the students attend school and follow their children's regular program.

Going to school now isn't nearly as easy as it was in the "good old days." Perhaps a "Back-to-School Night" might make some hard-hearted parents a little more sympathetic when specials arrive.

EAGLE CAGERS MEET JOSIES TOMORROW ON HOME COURT

INVADERS' FAST OFFENSIVE WORK TO TEST PURPLES

Knapple May Start Korney at Center in Place of Best; St. Joe Handicapped by Loss of **Sutton and Deem**

Indians Win Before

The Central cage team faces a stiff conference opponent, St. Joseph, in a league game on the Central court, tomorrow evening, at 8 o'clock. The Purples will be striving for their first conference victory of the year.

Captained by "Chief" Geller, the Josies will bring a fast-offensive team to Omaha to battle both Tech and Central. Tech meets the Southerners this evening, giving the Eagles a chance to give them the once over before their game.

Josies Revamp Lineup

lost 21 to 12.

Coach Jack Mathews will have to supplied the other Purple points. use a revamped lineup, because of the termen, this semester. It will be a posts. Smith is the sure starter at due to get the call at guards.

Geller, Main Threat

Coach Knapple, Central mentor, has been experimenting lately and as a result. Korney may start at center. Best, regular center who was injured in practice last week, may not see much action. "Slim" Davidson, regular second-string center, hasn't been delivering, although he is the rangiest man on the squad. Korney made four baskets in the Alumni contest. and may help the team out plenty.

Altsuler and Howell are cinches to start at guards. Ed Horacek and Clark probably will complete the quintet. The other five men now on the squad, beside the starters, are Best, Davidson, Brookman, Payne, and Elliott.

The Eagles have been going through strenuous workouts in preparation for the game tomorrow night. If they are able to smother Geller's one-handed specialties, and Smith's the Bachelors defeated the Roly- cading positions. side shots, they ought to have the Polys, 13 to 12, to take the Class A game on ice.

promptly at 7 o'clock.

ENTERTAIN FROSH GIRLS AT PARTY

Chosen Treasurer

The Girls' Athletic association will entertain freshman girls at their semi-annual party in the gym Monday after school.

Betty Nolan '35 is in charge of arrangements for the event, while about nine members of the University of Omaha W.A.A. will direct a series of games similar to a playday. Mary Vogel, Betty Burt, Lorna Borman, Ethel Payne, and Dorothy Gunther compose the refreshment committee, headed by Ellen Funder. All freshmen or other girls interested in sports are invited to attend.

Lorna Borman '35 was elected treasurer of the organization at the meeting Monday in Room 129. Lorna replaces Mary Vaughn '34, who transferred to North High this semester. Besides being treasurer, Lorna heads the publicity committee, in charge of bulletin boards. Borman is active in hockey, volleyball, basketball, baseball, and swimming. She has won her

Loreita Lawson '33 was appointed assistant basketball coach and head of referees for this semester. Referees earn G.A.A. points according to the number of games they take charge of.

Ten girls, accompanied by Miss Nelle Williams, substitute for Mrs. Glee Meier, went on the overnight 140 will meet in Class A, while 136 hike to the Municipal girls' camp in Florence, Thursday, January 27. Arriving at the camp, the girls were served hamburgers and soup prepared by Winnie Anderson. Friday morning the hikers walked the two and one half miles back to the carline.

March 7 was decided on as a tentative date for the annual banquet and giving of awards.

Peanuts are really beans, not nuts. tourney ends.

CAMERA FUND AIDED

The motion picture camera fund, started recently by the Athletic Department, was enlarged by \$22.70, the gate receipts from the Central-Alumni basketball game held last Saturday in the gym. Approximately two hundred students attended the game. Bad weather played a prominent part in keeping the attendance down, but those that attended saw two fine games.

By John B. Janecek

AT LAST the Central cagers have found themselves. The victory fans thought they were watching a following Tuesday was by such a ling Tee Jay, Coach L. N. Bexten's Garner pinned his man to account Purples packed plenty of power. In victory-starved grappling team lost for Central's 13 points to Tech's 23. downing the Alumni, the Eagles disgrapplers 25 to 11, winning all but ter rally which carried them to vic-

> St. Joseph already has beaten the Purples this year. However, tomorrow night the conditions will be reversed when they meet on the Central floor. The Josies play Tech in a "natural" tonight. They will be tired for the Central fray, and will be playing on a foreign court. Should the Knapplemen continue to scrap as hard as they have the last few games, they have a dandy chance of winning from Jack Mathew's quintet.

Did you sports' fans know that Johnny Howell, stellar Purple guard, ell, Purple guard, injured his ankle is an uncle? That's nothing. So is during the game. Brown of Tech was Altsuler, but the oddity about Howell high point man with eight points. 3 WINS, 1 LOSS is that his nephew has just enrolled as a freshman in Central. Sammy the Coach Eddie Hickey's Creighton Howell, the freshie, weighs more Prepsters on the Central floor. As Defeat Creighton Prep in Over- than his uncle, although he is only previously stated, the game was a time Game, 22 to 21; Handed fourteen. Let's hope he turns out to snap for the Jays. However, the game coln quint furnished opposition for be a star on the gridiron and basketball court like Johnny.

> Coach Ernie Adams may brag about his athletic teams being high in scholarship, but he'd better not come around Central and start talking. For the first time in years, the entire basketball team got through their final exams without a single man being declared ineligible. Good work.

The boys who didn't attend the O-Club banquet certainly missed a especially the one given on psycholaffair.

Shelly Condon, stellar gridman, has become the latest word in wrestling. Applying his grid tactics to the hug-and-grunt sport, he works as hard for a fall as any man on the squad. After pinning his man in a recent meet with Abe Lincoln, he walked over to Coach Bexten and asked, "Did I do all right, Skip?"

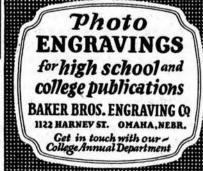

The Central basketeers have a chance to end thetr season with a .500 average. By beating St. Joe, Lincoln. Tech. and North in a row, they can finish the year with seven won and seven lost. Here's hoping.

We wonder: If Bob "All-State" Kasal remembers Mr. Archer of Creighton? (Ask him.) If Harry Altsuler ate the entire box of Never-Growl Dog Biscuit at one setting? How many copies of last Thursday's World - Herald were bought by John Howell?

About eleven per cent of the students enrolled in Central attended the game with the Alumni, last week. The preliminary game, alone, was worth the price of admission. The Kewpies and Cuties gave an exhibition of how not to play baskethall The Athletic Department expected strong support for the benefit game from the students, but only two hundred came to the game. The next time the student body is called upon, let's pack the gym.

See you all at the game in our gym tomorrow night. Preliminary starts at seven, sharp. O-Kay Eagles

We have an idea that after losing the game Saturday night to Kasal's Kewpies, Earl Connelly, captain of "Earl's Vanities," rechristened his team the "Profanities."

Nosing Out Columbus, Alumni WIN EVERY EVENT

Altsuler's Basket in Last Minute CAGE SCORES Gives Eagles Victory Over Discoverers; Late Tech Rally **Brings Maroon Victory**

During the past three weeks of the first meet of the season by out-wrest- and Condon gained decisions, and the dopesters, that it showed that the basketball season, Coach F. Y. Knapple's Central cagers have managed to win two out of five contests. All of Abe Lincoln defeated the Purple played this punch in the third quar- the games were fairly close with the exception of the Creighton Prep fray. The Junior Jays ran away from the Purples 33 to 17.

January 20, the Eagles battled their traditional rivals, Tech, on the Maroon court. The game was a thriller all through. The score after the first quarter stood 3 to 2 in favor of Central, and at halftime the count Knapplemen neck and neck with the was eight-all. Altsuler, Korney, and the lead again, 14 to 11.

Prep Runs Wild

Led by Winnie Johnson, Brown, and Nestor, the Maroons scored thirteen points in the final quarter, and the fray ended 24 to 17. John How-

vas 21 to 5.

Snap Victory Chain

The team consisting of Horacek Clark, Davidson, Brookman, and Ramsey was able to score twelve points, the same as the Prepsters, in the second half. Morris Pratt. Creighton barricader, scored fifteen points to carry off the honors.

The following week-end, the team journeyed to Columbus for a game lot of fun. The eats were fine, and with the undefeated Discoverers. The the talks were plenty interesting, Knapplemen snapped the Columbus victory chain and scored their second ogy by Jack Douglas. The club would triumph of the year. Although the like to make the dinner an annual outstaters' style of play brought points more consistently, the deadeye of Harry Altsuler kept the Purples in the running. The Discoverers led 18 to 14 at the half.

Clark, Horacek Stars

Eddie Horacek and Chuck Clark did some fancy goaling during the third and fourth periods to keep the

Sophs Garner Two Wins

games at girls' basketball practice most of the heaves were wild, only Monday, when they down the freshmen and the seniors. The game with Meanwhile, Elliot and Clark came frosh was such a runaway that no through with baskets for the Knapone bothered to keep score. The seniors were defeated 8 to 6.

In the other ocntests of the afternoon, the juniors whipped the frosh 11 to 2 and the seniors beat the juniors 20 to 4. Waidley and L. Lawson starred for the winners, scoring the entire twenty points between themselves. Saxton made two baskets in the final period to save the juniors from a shutout.

Nolan's sophies appear to be the best team in the scrimmages. Besides Betty Nolan, the team consists of Reynolds, Glasson, Beranek, Vaffee, and J. Lawson. Madree Jackson and Dorothy Collins were referees.

There is no furniture so charming as books even if you never open them or read a single word .- S. Smith.

EAGLE SWIMMERS AGAINST FREMONT

Swamp Outstaters, 58 to 16, at J.C.C. Pool; Score Two Other Wins Over 'Y', South; Hutter **Breaks State Record**

City Meet Today at Tech

Coach Johnny Scott's Purple splashers dropped their meet with Tech by a close score, but came back with wins over the "Y" men, South, and Fremont. The Central swimmers lost to Tech by a 35 to 40 score in a hard fought battle.

The swimming of Hutter, 100 and 50 yard free style star, was one of the features of the Tech event. A tenth of a second was shaved off the state record for the fifty yard dash and seven-tenths off the city record. He also tied the century low of the

Merriam of Tech beat Lima of Central in the 100 yard breast stroke by chopping three seconds off the state best and four off the city record.

South was swamped under a 57 to 18 score. The Purple tankmen did not allow the Southmen a first in the entire meet. Hutter again shaved time off the 50 yard free style low by coming in two-tenths of a second ahead of his former record.

Central downed the Y.M.C.A. tankmen 41 to 34 the day following the win in a water polo game following

Tuesday Central drowned Fremont under a 58 to 16 score at the J.C.C. pool. The out-state swimmers failed to take a first place throughout the entire meet. Fremont registered but one second place and a tie for second outside of the relays.

Today Central will engage in a city meet to be held at the Tech pool. The probable point winners for Central a minute to play, Korney, playing will be Hutter, Lima, and Buell. Lima center for Central, dropped in a nice is expected to have a tough battle with Merriam of Tech, who defeated him in the Tech meet. All loyal Centorious, this time by the score of 26 tralites should turn out for this meet as it will be a deciding issue in the city swimming championship.

Eighty Girls Pass Heart

Tests for Swim Classes Dr. H. G. Williams took charge of series of heart examinations of about eighty girls in the swimming classes. Assisting Dr. Williams were Dr. James Martin and Dr. John Gatewood of the county hospital. All the girls who were examined were found physically fit for swimming. Nellie Williams is in charge of the
