#### Ether Points Out Sources of Hot Air

An air leak in the ventilation system was discovered during the visitation, March 10.

A special circular was issued to the teachers telling them to check their room thermostats at 1:30 p.m. At that time school engineers put some ether through the air lines. The air leaks were discovered and promptly repaired.

Mr. J. Jay Planteen, assistant principal, said that air leaks have occurred before in the ventilation system and must be tolerated.

# Thrill Audiences

The talent-packed, 45th annual production of the '59 Road Show entertained two audiences, March 19-20.

Dancing and music, from novelties to light opera, constituted the major part of the program. Central High Players added variety with a skit entitled "Beat Court" and Robert Gross,

Some of the favorites were the Highlows-Carole Gomberg, Barbara Bercutt, Margie Kunkel and Suzie Irvine. The Senior Girls of '59 and Buddy Epstein, both tap dancing acts, were other Road Show highlights. Patty Dunham and Kathy Friend were featured as high-stepping toe tap-

The traditionals included the climactic choir act, presentation of the colors, Crack Squad, Central High Dance Band and orchestra.

#### P-TA to Sponsor Mid'leclas'man Eves

Central High P-TA is sponsoring Junior Night, April 1, and Sophomore Night, April 23, in the west cafeteria, 8:00 p.m.

The administration and counselors of Central will discuss the results of of the Iowa Educational development test, the school rules, the courses of study and required courses, college entrance, scholarship possibilities and other items of interest to parents.

A question-and-answer period will be held at the end of the formal dis-

# Council Election Brings Changes

Due to Omaha's rapid civil develpoment, its public school system has been forced to build numerous junior high schools. As a result of this construction by 1961 Central's freshman calls will have dwindled to practically nothing. Accordingly, the student council is forced to increase its membership in each class by nearly 50%.

Elections for choosing these representatives will be held next week. The tentative schedule is as follows:

April 2, 3, 6, 7-petitions checked

April 6-petitions due April 9-primary election April 13-final election

In view of the fact that by 1961 the student council will have only three classes from which to draw, it was forced to revise and modernize its constitution.

The article reading, "There will be five seniors, five juniors, four sophomores, and four freshmen on student council," was changed to read, "Beginning in the fall of 1959 the ratio per class shall be seven seniors, seven juniors, and six sophomores on student council."

Its effect will be twofold: first, it will increase the size of council from eighteen representatives to twenty; second, it will allow more students from each class to be on student council. This is the first change in membership in over ten years.

The effect of this change for the present freshman, sophomore, and junior classes will be immediately

ings, April 10-11.

noticeable. Elections for next year's representatives will be held next week. At that time at least two new people from each class will be chosen.

If you have always been afraid to run for council because you've thought that the present members would have priority during elections, this is your opportunity!

If you can qualify as a candidate, having a 2.5 grade average and getting 50 of your classmates' signatures for your petition, your chances of making student council will be greater next week than ever before.

Since no freshmen will be elected next year, the council, for the first time in its history, will have its full quota of members from September to June. These changes should make next year's council "better than ever."

With the increase in its membership the council felt that a change should also come about concerning its officers. It was voted that there was a need for two secretaries; one recording secretary, who would take minutes of every meeting and post a weekly summary so that students can become better acquainted with council projects; and one corresponding secretary to handle all council correspondence.

The officers of student council will then include: president, vice-president, treasurer, recording secretary, corresponding secretary, a boy sergeant-atarms and a girl sergeant-at-arms.

The student council wishes to remind students that the point system will be in full effect for these coming

#### **Superior Students:** Opportunity to Study

Nebraska State college at Chadron announces a summer program for superior students in applied arts, education, English and languages, fine arts, science, mathematics and social studies, July 8-31.

All credit earned will be transferable to any accredited college. Students who are interested should request an application form from the Associate Registrar, State Teachers College, Chadron, Nebraska.

Applicants will be requested to pass a test administered by the college not later than April 15. Regular tuition fees will be charged.

One thing abothose kids, when they say they're cetting somebody up, they're really cotting somebody up!

### Council Corner

Once again it's that time of the year when the respective classes elect their representatives to the Student Council. The problem that now arises is the fact that many students do not know how to vote. Many students receive their ballots and vote for the people who they feel are the most popular. Some boys vote for the prettiest girl and viceversa. The Student Council election is not a criteria for promoting personality and beauty contests, but is for electing competent and energetic people that will best represent the student body.

In the opinion of the Student Council, the individual that should receive the votes of the students is the one who possesses good leadership qualities, fine scholastic ability, and the willingness to work hard. It is the responsibility of each student to conscientiously take a few minutes to vote for the people who they know have these qualities.

If in the coming elections each student would seek these qualities in the individual for whom he is voting, he would help make a better Student Council that would best represent the entire student body.

# Prinderela, the Cince and the Two Sisty Ugler's

there lived a gritty little pirl named Prinderela. Prinderela lived with her two sisty uglers and a very micked wepstother.

She was not hary vappy for they made her do all the wirty dork. Day after day she flubbed scroors, weaned clindows, pined the shots and shans, and she was forever dashing wishes.

One day the Ping issued a kroclamation, and this kroclamation said that all the gelegible earls in the kingdom were to come to a drancy fess ball. The two sisty uglers glanced with dee; and the micked wepstother was hary vappy too for they all had drancy fesses. But poor Prinderela, she had no drancy fess. All she had was rirty dag, so she went to her corner and wept titter beers.

Suddenly appeared her merry fodgother, and she asked, "Prinderela, why do you cry?" And Prinderela said, "I want to go to the drancy fess -10- 100 I find war no drancy fess. All I have is this thing I'm wearing, this rirty dag." So in the eyeing

Tonce upon a wime in the gong gong alow, of a twink, the merry fodgother changed a sumkin into a parriage, two mite wice into beautiful big horses, and the rirty dag into a drancy fess. But the merry fodgother said, "At the moke of stridnight, you must be home, for that is when everything will change back into what it was."

> Off Prinderela rode to the ball. When she got there, she pranced all evening with Cince. Sud-denly, it was the moke of stridnight; so Prinderela ran from the Cince down the stalace peps; and on the stottom pep, she slopped her dripper. Wasn't that a shirty dame!

> Dext nay the Ping issued another kroclamation, and it said that all the gelegible earls in the kingdom were to sly on the tripper. When the bage poys came to the house where Prinderela lived one after the other of the sisty uglers syled on the tripper; but it fidn't dit! Prinderela asked if she could try on the tripper, and it fid dit!

> On the dext nay, Prinderela and Cince were married; and they lived happily afty everward.

Merciless beasts! Relentless torturers! You, who have digested my golden words with such avidity! Know you now . . . I am written-out! No longer have I the capacity to create beauty! Do you know why? Do you? It's because you have read my column. That's right, you have loved my fantastic writing so much that you have eaten up all that I have had to say. Now there are no more words for me to write with. You have eaten up my genius! I hope you get a stomach ache, that's all that I can

I remember when, in my joyous youth, I used to go around the school and say to all my fans, "How didya like my column, huh, how didya like my column . . . I write real well don't I . . . I sure thought it was great . . . Gee, I never laughed so hard!" But no more can I say those words, no more can I bask in the golden light of my glory. I am just a written-out slob. O tear, tear, tear!

But wait. What-ho? I am writing. By jove, I am writing. I haven't lost my great talent! I am as great as I always was! Oh goodie, goodie! Oh joy! Never more will I be vain or take my genius for granted. Never, never more! Don't be impatient, beloved public. Here, I give you some more of my excellence. Laugh your little heart out!

#### Brainstorm

While reading the revised revision of the third revision of the P.S.S.C. (Paper Scribblers study Committee) course in Volume 3.45932, my face turned a terrible shade of Sodiumpitolydiazobetanaphthylaminesirsulphonicbetanaphthylaminethreesixsulphonate (Congo Red). "Egad," I said to myself, "Whatever would have made my face turn such an odd shade of Sodiumpitolydiazobetanapht hylaminesihrsulphonharathtrarararminethreesixsuphonate?" I knew then that it must have been the backslant in Mr. Fignewtun's writing. "Mr. Egdon," I screamed, "Mr. Egdon, look at my face!"
"Fie," said Mr. Egdon, "Fie, it has turned a hideous shade of Sodiumpitolydiazobetaphthylaminesirsulpho nicbetanapha thyla min ethreesix sulphonate!" "Well," said I, "some people make it and some never do!"

#### ... But Not A Drop to Drip!

I ran, ran, ran, ran. I must have it. Water, water, water water! Where is there some water. I ran up the first flight of steps. I panted heavily. My tongue began to swell. "I'll be late to class," I thought. Must run faster. My face turned a pale white. Two minutes left. I would be late to Latin class. "Oh, E pluribus Unum," I thought, what if I am late for that Cogito Ergo Sum! I must have some water!"

Then I saw it: a water fountain. A water foun-A little boy was trying to drink. I knocked him over with such strength that I left him with a permanent pucker. I didn't care, I had to get some water. Egad, there is no water coming from this water fountain. What kind of water fountains are those water fountains that don't fountain water?

I ran to the second floor . . . no water, third floor . . . no water, fourth floor . . . no water, fifth floor, no floor! I hastily ran down to the first floor. Suddenly I was on another set of stairs. I said to myself "Aha, perhaps these will lead me to some water." No water on the first floor landing. Where, oh where was there water?

A little girl saw me coming down the stairs. Her face turned a horrible shade of Sodiumpitolydiazobetanaph thylamine sirsulp honic betana ph thylaminethreesixsulphinate!" I smiled nonchalantly at her to assure her that all was in order. She smiled back at me as she hollered for the principal. Suddenly I felt an urge to get away!

#### Aqua Pura est bona

There is actually water fountaining in the water fountain. O goodie. O bliss! Aqua pura est bona! My thirst was satisfied! I walked up to my teacher. Slosh . . . slosh . . . slosh. "Oh great and high, O most noble Roman of them all, I have come!" She looked at me oddly. "You have been late too long, o young one." I was mad. I was angered by her nerve, the gall she had to tell me I was late. I took my thrusty scimitar and trust her in three. ALL GAUGIS DIVIDED IN THREE PARTS!

Happy Path

Happy, happy All Fool's Day to you, too. This is the day when the mean streak down our back shows bright black or when our true stupidity comes forth into everybody's view. But, anyhow, it's a tradition, just as Halloween, St. Patrick's Day and Valentine's Day are.

However, if you are a fool every day of the year, not just April 1, well, you had better hustle to Kilpat's where at last you'll find your paradise. "A word to the wise is sufficient," too. All types of wonderful human beings visit Kilpat's every year—day in and day

#### Coats, Shmoats

Your good taste is showing when anyone sees you in one of these perfect spring coats. I predict that these will receive 1+'s for any cool day either in '59 or 2000 (well, I don't know about that).

Chesterfields are the best ever. This popular gray-flannel pleaser, \$39.95, with a soft grey velvet collar has been designed especially for the sensible-minded by Modern

Another good luck charm for you could be a black and white small print knit coat, \$25.00. This attractive garment can be especially yours with just writing your name on the label inside the collar. Arthur Jay has wisely chosen Millium lining, suitable for any weather.

#### So Long

It could be your lucky day when you purchase a coat by Lassie, \$39.95. This darling includes, among other things, Dolman sleeves, a rounded collar and slit pockets. With a button at each sleeve, this coat claims fulness.

As to what's happening to the remaining part of this columnwell, let's hope it doesn't outshine this part or else the upper half's author might not see the rise of another sun. However, just as long as there is a Kilpat's everyone will be like contented cows-dull, stupid but happy.

A word to everybody who will be tricked on this glorious day-it happens to the best of us, and Kilpat's will offer consolations for just a small fee.

Happy Birthday to me, Happy Birthday to me, Happy Birthday, Happy Birthday, Happy Birthday to me!

I don't know what my better half (of this column, that is) is doing for April Fool's Day, but I'm going to plan myself a surprise party; and Kilpat's has the most wonderful surprises in store.

Surprises by Mr. Mort Mr. Mort opens his wardrobe trunk to bring you "Travelers Checks." This one-piece, pinchecked dress has identification buttons and a pert self bow at the neck. The free, full skirt will flatter any waistline. \$39.95, in black, navy, or brown checks.

This new 3-piece costume is so exciting that it had to be smuggled past customs. The ribcage, stamppocket jacket and high rise skirt are of slubbed cotton. The bright geranium print blouse in pink 'n green or blue 'n green is invisibly buttoned to the skirt. A greeny beige ensemble perfect for any Mata Hari, \$45.00.

#### Surprises by Lanz

Not to be outdone by anyone, Lanz brings you gay, light spring fashions. A delicate, white Swedish print on sky blue European cotton is just right for those first days of spring. White ric-rac trims the tiny cap sleeves and ever-soslightly scooped neck. The wide belt and the full skirt will emphasize your trim figure, \$25.95.

Green splash print! A real eye opener! In the back a daring V points the way to tiny back bows. The sleeveless top and full skirt give the dress a summery effect, \$29.95.

Mr. Fisher's third-hour American History class was recently discussing the various state flags.

Mr. Fisher: "California still has the Bear flag."

Phil Hofschire: "You mean that it hasn't got anything on it?"

Mr. Goodman's 2nd hour Economic class was discussing whether to buy stocks or bonds-and what type to buy.

Mr. Goodman: "Class, if you were to buy stock, what kind would you

Eager Student: "Livestock!"

But you have read this, because if you wouldn't have read this, you wouldn't have read "Don't read this." And you would have read it anyway.

#### POLLY DEBS RANDCRAFT CORBALEY

6018 Military Ave. WA 0556 OMAHA

Shoes

OPEN FRIDAY NIGHTS

the good old third season were here again. It's no more "wool slacks and sweater" time. It's time for darling

slim-jims and Bermudas with matching blouses. These outfits are white cotton decorated uniquely in a Spanish design. No piece is more than \$6.98. They are especially good for those of you who are now taking Spanish, after all, "habla usted Espanol?"

#### CENTRAL'S GARDEN BLOSSOMS

Not only is Central's garden blossoming, but so is "Petti," noted maker of junior clothes. You'll find that on a green pique background white flowers grow. There are many mix 'n match pieces to this set. Choose your own for the impression you want to create. Plain white pique blouses and Bermudas are included in this outfit.

White woolens are very popular this spring. In fact a white blazer, still only \$14.98, and a white skirt (pleated or straight) make a really tough outfit!

Do you have a cropped top with a commerbund? No, it's not a hairdo. No, it's not a new food either. These are real cute, short (bolero length) blouses that come with a cummerbund and can be worn either with the new spring skirts or with the matching slacks. These tops are made out of the new dazzling print cottons and sell for only \$3.98.

We have a new and big supply of pedal pushers, Bermudas, and slim-jims in. They come in ivy league plaids or stripes or in solid colors. Prices range from \$4.98 to

#### CRASH!!!

Screech, Irrrk, Crash!!! That was the end, man, the living end. That linen crash is just too, too much! A two-piece outfit, it sells complete for only \$6.98. These plaid overblouse and slim-jim sets are really sharp.

The most comfortable dresses to wear to school are certainly, and by far, the shirtwaists. These dresses are strictly tailored with gold buttons and are made out of very fine cottons. They sell from \$9.95 to \$17.95, and one is a must for the spring wardrobe.

#### BOYS' TURN

Well boys, it's your turn to find out about the really sharp clothes the fourth floor Campus Shop is carrying for you.

First of all, you better get a red wool vest right now! Right now because the stock is diminishing. These sharpees with gold buttons sell for only \$10.95.

I'm sure you guys have noticed a reference to women's blouses sometimes as three-quarter length sleeves. Well, now you have threequarter length sleeved shirts, too. They're different to say the least; but from what I hear, they were made to go with the pedal pusher length trousers soon to be coming

There are two spring sweaters for the boys that are very goodlooking. The first is called the "Hartog." It is a short-sleeved, two-ply orlon slipover with a sailor motif. The second, by McGregor, is a short sleeve pullover that is full-fashioned and also has buttons down the front. Both of these sell for \$10.98

Also at the University of Omaha

Well, the prospects for the spring sports season seem to be looking up. As usual, track will probably be very strong this year. Witness the Omaha University track meet, the 20th of

The Eagles' finished nearly 20 points ahead of the second place team, Tech High. Sayers ran well and copped first in the 60-yard dash in :06.5. Other Central trackmen shone as the Hilltoppers ran, threw and jumped their way to victory. Schwennicker in the mile, Braggs in the shotput and Nared in the dashes promise an excellent season.

#### Nared Takes All-State

Johnny Nared really did it. He made the World-Herald All State team as a junior. Nared this year was the Inter-city's leading scorer, averaging in the neighborhood of 20 points a game. Throughout the season, John was the strong man of the Eagle quintet.

This naturally brings us to a short windup of the cageball season. The Eagles compiled a 6-11 won-loss record. But this does not really tell the whole story. The Hilltoppers were beaten by an average of one point

It is time once again to pay tribute to the departing senior athletes from the basketball team. First, there was Bruce hunter, the colorful rebounder, a tough man to block any time. Next there's Frank Jones, the grinning, easy-going player who jumped high and rebounded well. Jim Hall, performed yeoman service outside the key. His set shot and free throw shooting were a real aid to the team. All in all, these men will be missed

However, there are quite a few juniors and sophomores coming up to fill the gap. Nared and Scholder, the other two starters will be back. Gary Gilmore and Fred Jackson, the most used men on the team next to the starters, will be back, as will Joe Belitz. Next season should prove more successful than the one just completed.

#### Support Your Teams!

This year's heartbreaker was the second game of the district tournament where Central suffered a onepoint loss. Nared dumped in 31 points in the last three quarters, but it was not sufficient to give the Eagles a win. However, the Eagles did finish the season with spirit.

This feeling was apparent in the student body, the faculty and the administration. Throughout the year Central teams have had the best possible in the way of support. We still have an entire season to go in five sports. Don't fall down on the job now. Any team performs better when it has people cheering it on. Get behind the teams and stay behind them.

#### Riflemen Cop Second In Hearst Trophy Match

Central's rifle team finished runnerup in the 38th annual William Randolph Hearst trophy match for the Fifth Army area comprising 13 States.

Each team consisted of five men firing five rounds from each of four positions: prone, sitting, kneeling and

Central's team total was 925 out of a possible 1000. Those firing were Bill Shamblen, 191; Pete Hoagland, 189; Ken Johnson, 188; Terry Foster, 180; and Dave Krecek, 177.

A trophy will go to the school and medals to the individual shooters.

Central has placed in the last three matches.

# Eagle Runners Snag O. U. Meet Victory

by David Wintroub

The Eagle trackmen raced to victory in the first trackmeet of the year on March 20. Central wracked up 67 3/10 points in Omaha High School Indoor Meet, a fat margin over runner-up Tech. Over 1500 spectators jammed the OU Field House to see the purple and white speedsters start on the pat to another state championship, as they won their second straight title in the event.

#### Sayers Takes 60

Roger Sayers, state sprint champion, showed last year's form as he sped to victory in the 60-yard dash in :06.5. He might have broken the record of :06.4 if not for a bad start in the finals. Roger combined with Stuart Fogel, Johnny Nared and Rodney Moore to set a medley relay record of 3:36.9. Sayers time for the 440 in the medley was unofficially :51.5 while Rodney Moore ran the 880 anchor in 2:04.4.

Leonard Schwenneker had no competition in the mile run as he sped around the track ten times in 4:56.

In the 60-yard high hurdles, Bruce Hunter placed first in his heat and second in the finals. He also came in fourth in the broad jump. Stu Fogel was fifth in the same event after entering at the last moment.

The Eagles came in second and third in the mile and two-mile relays respectively.

John Bragg was a pleasant surprise in the shotput as he placed third with a heave of 44 feet 71/4 inches.

#### Justus Jumps 9-3

Arthur Justus was another Eagle who gained a first place. He tied four others in the pole vault with a jump of nine feet three inches.

In the high jump Frank Jones tied for second at five feet ten inches while John Nared tied for fourth at five feet eight inches.

This summary shows that Central's trackmen presented a well-balanced attack as they showed power and strength in all the events. Watch them fly on April 4.

I, for on, think kids should be allowed to chew.

be played at Dodge park.

I see no need for saying to a group of kids, "No, you can't chew!" Do you think they'll really understand what you are getting at? I don't think so! Let them be contented.

So what if it's not the most polite thing to chew? I have never known any kids to be known for their politeness. They're such innocent little lambs. Standing there, shorn of all their outer shell of reserve, chewing,

What's wrong with chewing? I mean there are no buts about it. The question is to wreck their little happinesses or to let them chew.

I for one say, "Let them chew!" -Bill E. Gote

#### Sixteen Grapplers **Get Varsity Letters**

Varsity letters were garnedery by 16 grapplers during the '58-'59 season. Winners are Richard Bottorf, James Brown, Joe Brown, Robert Dietrick, John Francis, Alvin Gilmore, Anthony Gurcuillo, Dave Kinsey, Howard Martin, Andre McWilliams, Fred Scarpello, Phil Schenck, Bill Servais, Philip Tinnin, Leonard West and Charles Whitner.

Reserve letters were earned by Jack Baldwin, Terry Butkus, Jim Childe, Tim Dempsey, Leon Hollins, Christopher Krush, Alfred Liggern, Don Shrader, Dennis Tiedmann and Larry

Central's Eagles scored an expected victory over Benson, 41-39 in the district tournament but were upset by Tech, 52-51, in the second game.

Although neither team presented a very polished attack, the game was still an enjoyable one since it was touch and go until the final buzzer. With Jim Hall collecting the first eight points, Central jumped to a 10-2 first quarter lead. Benson had to settle for a lone bucket on a fast break for their total in the initial

But the second quarter belonged to Benson's Steve Priborsky. He sank four shots to pull the Bunnies to 11-13. Just as the second half ended, Jones was charged with goal tending enabling Benson to leave with a 17-16

#### Tied at Half

But the wind changed direction again in the third quarter as Nared started to hit. After being held without a basket the first half, he hit six points in a row on a free throw, a three-point play and a basket. That made it 22-21 Central, but Benson came to life and the quarter ended

#### Karabatsos to Field Novice Team; Four Regulars Returning

Central's baseball squad is readying its forces in preparation to defend its co-championship in the Inter-city beginning April 14.

Coach Jim Karabatsos' Eagles have been practicing only two weeks and as yet are of unproven ability. However, at this point Mr. Karabatsos considers lack of hitting, inexperienced infielding and pitching depth to be major weaknesses.

The only returning letterman from last year's title-sharing squad are Inter-city pitching star Al Stolarskyj, Kenny Allan, Bob McMahon and Al Gilmore. The rest of the 16-man team will consist of untested talent.

The Eagles face the Bunnies in their first game. The Bunnies, who tied Central for first place last season, should field another powerful

Another title contender should be South. The Packers have most of their Legion team returning, and figure to cause a lot of trobule.

The Eagles' schedule calls for 13 games, including two with Westside, a new league member, and one at Lincoln High.

Central's Flyboys will offer a new appearance this year, The age-old "pinstripes" will be cast aside in favor of all-new purple and white uniforms.

#### Nichols' Team Takes Volleyball 3rd Year

Four familiar faces in the GAA circle were back this year to help their teammates capture another volleyball crown. The volleyball championship for three years has gone to the team that Judy Nichols, Mary Abersfeller, Karen Skanning, and Suzanne Long have been members of. Sharon Anderson, Donna Dotson, Judy Geihs and Liz Weil are also members of the victorius team. The runners up were: 2nd place; Owen and Barger, 3rd place; Johnson, 4th place; Wallace, Brown, Shukis, and 5th place; Eichorn, Gutman, Leslie and Rich. There were 16 teams entered in the competition.

GAA basketball will begin after spring vacation.

# Cageballers Finish Season; Beat Benson, Lose to Tech

Nared finally put the game away as he sank two free throws with 1:05 remaining to put Central ahead 40-37. After Priborsky hit to hike Benson to a one-point deficit, Gary Gilmore came through with a free throw to

ease the pressure.

Nared finished with 15 while both Hall and Hunter had 10.

#### Tech Triumphs In District

But the Eagles did not fare so well in their second tournament contest as they dropped a one-point decision to the Tech High Trojans.

The Trojans, who jumped into an early lead and were in front by as many as nine points in the second quarter, had to make a come-back in the second half.

After the score was tied 46-46 in the fourth quarter, Nared hit a jump shot to give a 48-46 edge to Central. A Tech sub, Preston Love, then sank shot from under the basket but fouled Fred Jackson in the process. Fred sank one of the two shots to cut the Tech lead to 50-49.

But the tables were turned, and Love proceeded to sink two free throws after being fouled by Jackson. That made it 52-49 Tech. Fred came through with a jump shot, but the Eagles were unable to come up with the tying point.

Nared put on a record-breaking performance as he hit almost every type of shot imaginable. He had 14 field goals and 3 free throws for 31 points. He scored 13 of the 15 Eagle third-quarter points. Steve Scholder also played an excellent game as did Frank Jones. The Eagles were hampered in the final moments when Jim Hall fouled out and Bruce Hunter twisted his ankle.
