

Meet the GENERATION "C" CHAIR

Eve Mayberger, CHS 2005

Evelyn "Eve" Mayberger (CHS 2005) has long been a fierce supporter of Central High School. Since graduating, she has watched her younger brothers and cousins pass through the esteemed classrooms of Central. While a student at Central, Eve was involved in music (concert band and orchestra), athletics (cross-country, swimming, and track), and Academic Decathlon. Eve took full advantage of the honors and AP courses offered and particularly loved history, math, and English

classes. Eve credits her dedicated Central teachers for her interest and passion in these subjects.

Using what she had learned at Central, Eve earned a scholarship to Wesleyan University in Middletown, Connecticut. She initially planned to study math; however, it was her work-study job in the library as a book lab technician that altered her career aspirations. Eve fell in love with the interdisciplinary field of art conservation; a profession that combines art history/archaeology, chemistry/material science, and studio art/craft skills. After finishing her undergraduate degree, Eve interned for two years at different East coast museums to gain more practical art conservation experience.

Eve was then admitted into the art conservation graduate school program at New York University. There she studied the conservation of three-dimensional objects and completed a dual conservation graduate degree. In 2016 she accepted a post-graduate fellowship at the Museum of Fine Arts Boston (MFA). Upon completing her fellowship, Eve was promoted to Assistant Conservator at the MFA. She works primarily on Asian and archaeological objects, outdoor sculpture, 3D modeling and technical imaging, and laser cleaning projects. She also frequently mentors interns and fellows. During her career, Eve has participated in multiple excavations as an archaeological conservator in Turkey, Sicily, Egypt, and Sudan.

Her time at Central laid the foundation for her professional trajectory; Eve feels it is important to give back so others can follow their dreams and aspirations. She believes it is our duty to invest in our communities and to contribute what we can for the betterment of society for current and future generations. A tangible way to do this is to keep our public educational institutions, such as Central High School, strong and well resourced.

ABOUT GENERATION "C"

Generation "C" is the official support group recognized by Central High School. Contributions are tax deductible and all usage is approved by the Principal and the Board of Directors. The mission is to contribute to the advancement of Central High School to achieve the following goals:

- ★ Raise money for special projects and services for Central High School and student and alumni activities that are not provided through the district budget allocation.
- ★ Work to close the "Opportunity Gap" by ensuring that all Central students have access to a broad set of unique and life enhancing educational opportunities and experiences.
- ★ Sponsor and conduct activities which foster positive community, family and student spirit.
- ★ Ensure effective communication and exchange of information between Central High School and its supporters.

For questions about your membership, please contact Michele Roberts at 402-556-1996 or michele@chsfomaha.org
