

CENTRAL HIGH SCHOOL
FOUNDATION

2023 Teacher of the Year Nomination Form

Nomination Process:

Central High School is fortunate to have many outstanding teachers, who are respected by students, parents and peers. **Please submit a 1-page nomination on your favorite teacher telling us about the attributes and actions that make him or her special and why they deserve to be Teacher of the Year. Specific examples must be included.**

Many teachers go to extraordinary lengths to encourage and stimulate our student's interests. They show incredible energy during the school day – a day that often extends into the evening and weekend. We cannot support and applaud them enough and this is just one way to let them know that they've made a difference and that we appreciate them.

Eligibility:

Anyone can submit a Teacher for this award, including students, parents, and peers.

Selection Process:

The Central High School Foundation Board of Directors will review all nominations. The winner will then be announced and recognized during the Senior Recognition Ceremony in May 2023 in the Central High School auditorium.
