Central Hosts News Conference to Kick-off the 150! Omaha Birthday Festival

On July 2, 2004, Bruce R. Lauritzen (at the podium), chairman and CEO of First National Bank, and Omaha Mayor Mike Fahey (standing), held a news conference on the east steps of Central to announce the activities of Omaha's 150! Birthday Festival weekend, July 16-18.

Central was selected as the venue for the announcement to commemorate Omaha's first picnic, which was held July 4, 1854 on Capital Hill (the site of CHS), to celebrate the founding of the

Douglas County Historical Society volunteers in period dress read banners outlining Omaha's early history.

Our Foundation is Growing... (We're outgrowing our space!)

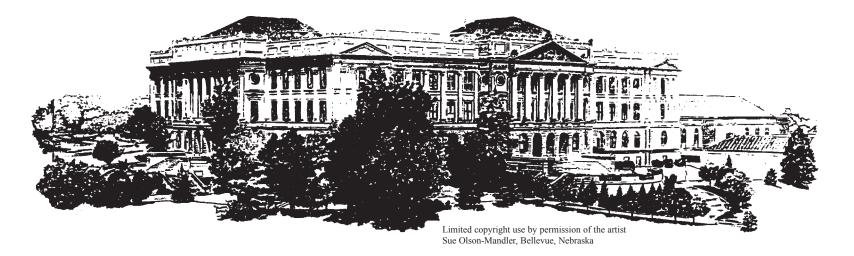

Founded in 1996, the CHS Foundation's role of supporting Central and a number of its organizations has grown significantly in scope over the years. Today, the Foundation is providing more services than ever before, and involving larger number of alumni, parents and educators in its work.

The CHS Foundation office has operated from a private residence since December 1998. With our growth and increased responsibilities, it is not surprising that we are in need of additional space to keep functioning effectively.

We anticipate moving into a larger office space as soon as possible, and would deeply appreciate the donation of the following new or gently used

- Approximately 2,000 sq. ft. of office space
- Office cubicles
- Office desks and chairs
- File cabinets
- Sturdy storage shelves
- Conference table and chairs so volunteers can help with projects (would also serve for meetings)
- Book cases to hold our heavy O Books/yearbooks (1898-2004)
- Paper shredder
- Waste baskets Refrigerator

Pat Salerno '58, president of Central's Alumni Association, noted that the organization relies heavily on the Foundation office to support its activities "This office is significant because Terry Price, our administrative secretary and treasurer, supplies needed support services not only to the Foundation, but also to all the other groups which fall under the Foundation's umbrella," he said. "The office needs additional personnel, space and funding to operate effectively."

THE CENTRAL HIGH SCHOOL FOUNDATION BIENNIAL REPORT JULY 1, 2002 - JUNE 30, 2004

From the President

Dear Central High Supporters,

It's been eight years since the Central High School Foundation started, and five-and-a-half since our office opened in a private residence. We began as a grass roots organization, composed of people who have been touched by Central High School and want the fine education it offers to be part of the lives of future generations.

Dr. Rusty Crossman '66 with daughters Liz '95 and Ally '98 at the 5th Hall of Fame Event, October 2, 2003.

In our short history, the Foundation has grown tremendously, in both the number of organizations it supports and the services it offers, and in the financial support it provides to the students, teachers and programs of Central High School. We have been extremely successful in keeping Central High School alive in the hearts and minds of our

We support the groups under our umbrella with events such as the annual PEP Auction, and answer calls from people asking for help in genealogy research.

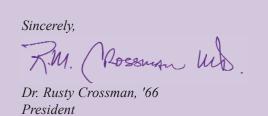

We continue to increase the Scholarship Endowment Fund, and to assist donors in establishing named scholarships to honor friends and family members.

We assist alumni in planning class reunions.

I couldn't be prouder of our growth and accomplishments. However, the Foundation is at a critical juncture in its development. As we continue to increase our day-to-day services, more staff and space are required to continue our efforts. More financial support is also needed for the Foundation itself, to keep our lights on and doors open to help all who love Central.

To address these concerns, the Foundation has begun a strategic planning process to help create a unified vision and direction for all of those who care deeply about Central High School. Building on the rich traditions of generations, this process will insure that the outstanding education Central offers will continue.

Please join us in supporting the tradition of excellence at Central High School.

Campus Update

- The \$16 million renovation to Central as a result of the bond issue passed several years ago is in full swing, and should be completed by December as scheduled. The building renovation includes upgrading the electrical and network capabilities throughout the school, and installing air conditioning. The gym has also been enlarged
- A generous donation from Susie Buffett '71 will provide funding for a lobby adjacent to the gym on the north side of the school. This will provide Central the space and services necessary to host home basketball games. The Foundation paid for the initial designs for this project.
- Work is also underway on Central's new stadium and multi-purpose field, just north of the school. The facility will be used extensively for band, flag corps and cheerleading practices, physical education and ROTC classes and track, soccer and football activities. It will allow Central to continue its heritage of excellence in sports, and to host home games at the school.

Foundation Makes Critical Difference for Central

According to Central Principal Jerry Bexten, the CHS Foundation is truly an asset to

"Besides raising funds, maintaining our Scholarship Endowment Fund, and helping many of our organizations, Terry Price does tremendous work in alumni relations," he said. "When we have people contact us with questions, we can send them to the Foundation for up-to-date information."

The restricted funds (see graph on page 2) raised by the Foundation make a huge difference for Central students, he said.

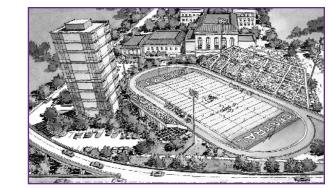

"For example, there's a donor who has provided \$10,000 a year to the Science Department, and has done so for several years," Mr. Bexten explained. "This has allowed the instructors to purchase the supplies needed to offer the students some incredible scientific experiences."

Mr. Bexten said donations that go through the Foundation often impact students for many years, citing a donation by the Gates Foundation a few years ago for technology

"The Foundation's activities complement and enhance our core mission, which is making sure our students get a great education," he said.

Central Principal Jerry Bexten at the site of the stadium construction on the north

Ruth Pilling Remembered Central-We Remember Miss Pilling

Miss Ruth Helene Pilling '26 was a teacher at Central from 1936 to 1973. She was a chairman of the foreign language department and one of Central's first counselors. Ruth contributed heavily to the curriculum at Central. She mainly taught Latin, but also taught English, French and Greek, and helped develop Central's language laboratory.

Her interests in language and biology served her well in her passion for travel, which led her throughout the world to every continent with the exception of Antarctica. Ruth often traveled with fellow female teachers, and created a large collection of picture slides of her adventures. Her nephew, **John Pilling '64**, said one of the favorite things she did was have Christmas dinner at Ayer's Rock in Australia.

"She often would stay up late grading papers before her deadline at the end of the school year and leave the next day for the summer, only to return three or four days before the school year began," said John.

Her travels included a visit to Iraq and Iran during a conflict period, a road trip to Pre-Columbian ruins, visits through most of Europe, and stays in Egypt, Hong Kong, China,

Among Ruth's accomplishments were serving as Nebraska's state representative for the Classical Association of the Middle West and South, being selected for Phi Delta Gamma and Mu Sigma Honoraries, and receiving a John Hay Fellowship to Bennington College in Vermont. She was a life member of the American Association of University Women and a member of the Daughters of the American Revolution organization for 75

years. In 2000 Ruth was inducted into the CHS Hall of Fame as a distinctive alumni and teacher.

Ruth Pilling died September 11 2003. Through her will, she left money to the CHS Foundation to be used for scholarships. According to another nephew, Bob Pilling, Ruth loved life, teaching, travel, cars, and she loved her students. Bob also added that if it weren't for her hearing she would have taught longer, saying that she was the type of teacher you would work hard for and remember.

Miss Ruth Pilling '26 attended the 100th anniversary of the founding of Central's Latin Club with her nephew, John Pilling '64, in spring 2003.

Peggy Wheeler Scholarship Established

Peggy Aufencamp Wheeler '84 was closely connected to Central High School throughout her life. In addition to being an alum, she also taught at Central from 1989 to 2002. When she passed away from cancer in November 2003, her family chose to ask for memorials to come to the CHS Foundation for scholarships in Peggy's memory.

"It was what she wanted," said her mother, Betty Aufencamp. "She wanted her students to do well and to become contributing members of society."

Peggy began her teaching career as an English instructor, but developed an interest in computers. She earned a master's degree in computer science, and eventually taught computer graphics courses at Central. She worked with a group of instructors to develop curriculum, a program called "Pathways," for the department. Peggy was married to Dan Wheeler, and they had a daughter, Phoebe.

The Peggy Wheeler Scholarship is to be given to students who have tried to achieve.

"They don't have to be the very best students, simply young people who are sincere about furthering their education," said Betty.

This year, two Central students, Michael Alfaro '04 and Ashley Myers '04, received Peggy Wheeler Scholarships.

Instructor's Donation Provides for "Best French Award"

When French instructor **Beverly Fellman '59** won a Buffett Award in 2003, she generously donated the money to the Central High School Foundation to provide for the "Best French Award."

This award, based solely on merit, is given annually to a junior that has completed four years of French classes, and is enrolled for a fifth year of study, usually at the Advanced Placement (AP) level. The "Best French Award" provides funds for an outstanding student to travel to a French-speaking country for an extended home stay. In 2003, Vanessa Brutsche '04 was the honorary winner, but was unable to go due to concerns about foreign travel. This summer, Caitlin Monaghan will spend three weeks with a French family, and another week touring the country.

"As a language instructor, I know that immersion vastly increases a person's ability as well as their understanding of a different culture," said Fellman. "It gives me great pleasure knowing that I am able to give this type of experience to one very deserving

Family Honors Alum with Scholarship

Central alum Yale Trustin '42 received a memorable surprise at his family birthday dinner this April. Yale's children, Bonnie, Mark and Lisa Trustin, and daughter-in-law, Marcia Angle, had established an annual scholarship in his name through the CHS Foundation in honor of his 80th birthday. A \$3,000 Yale Trustin Scholarship will be presented each year to a deserving Central senior.

"This was a very nice thing for my family to do," said Yale. "It was a meaningful gift to me, and it will be meaningful for the students who receive the scholarship as well. I felt honored."

Yale says his years at Central were an important part of his life and have contributed much to what he has strived for over the years. While at Central, Yale participated in ROTC and played on the baseball team. He has fond memories of his teachers, and remembers their cooperation in helping him to prepare his application for the West Point

"When I attended Central, the wonderful thing about it was that it was in the center of town and represented students of every racial, ethnic and religious group, yet everyone got along," he said. "I remember a real harmony."

The scholarship is based on financial need, academics and citizenship. It is to be awarded to a student who is serious about continuing his or her education, but is not limited to students attending four-year colleges. Tamara Cooks '04 received the first Yale Trustin scholarship this May

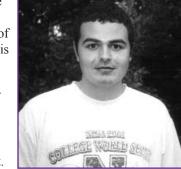

Paul Jepsen Scholarships Provide College Opportunity for Deserving Students

Initiated in 2002, the **Paul Jepsen (29)** Scholarship, has thus far awarded six Central "The interview process with the Jepsen family was a remarkable experience," Larry students with four-year college scholarships. Each year, the Jepsen family, including Ed Jepsen '61, Jackie Jepsen McLellan '58, and Holly Jepsen Hoberman '65, select two Central seniors to receive the \$10,000 per year scholarship through an interview process.

Ryan Melton '02, one of the 2002 recipients, will be returning to Iowa State this fall for his third year of school. Originally entering college with aspirations of becoming a meteorologist, Ryan has since changed his majors to Political Science, Journalism, and History.

"It was a dream come true for my family," he said of winning the scholarship.

Ryan said that his college experience has taught him that it is okay to struggle as long as you learn from it. He also said he has become more mature and has learned to interact more with other people.

Ryan Melton '02, one of the first Paul Jepsen Scholarship recipients.

"There are a lot of diverse opinions in college, and discussing opinions with others about things at school or in the world has been helpful to me intellectually," he explained.

Two other students who have benefited from the Jepsen scholarship are Larry Coleman '03 and Van Do '04.

commented. "They were very easy, receptive, and open."

Larry is attending Oral Roberts University where he is pursuing majors in Business Finance and Pastoral Christian Youth Ministries, and a minor in Spanish. Van Do will be attending Creighton this fall, majoring in computer science. He said the scholarship made his college decision much easier.

Ed Jepsen has established a trust with the CHS Foundation as a beneficiary to insure the continued funding of the scholarship. Ed Jepsen said the scholarship is based on academic achievement and extracurricular involvement as well as need.

"My parents recognized the importance of education and the scholarship was established to provide the means for students to achieve," he said.

Under the Foundation's Umbrella

Organizations under our umbrella enjoy our 501 (c) 3 nonprofit status and assistance in raising and managing funds. To learn more about the CHS Foundation or any of these organizations, please visit the Foundation web site at www.centralhighomaha.org.

Central High School Alumni Association (CHSAA)

"Keeping Central Central"

The CHSAA works to preserve Central's heritage and future by keeping its alumni connected to the school. With database and mailing assistance from the CHS Foundation, the Alumni Association's Alumni Register Newsletter helps Central maintain contact with more than 21,000 graduates.

The Alumni Association also selects the inductees for the CHS Hall of Fame, and sponsors the event each fall. At the Hall of Fame ceremony, inductees are encouraged to visit with current CHS students, giving the students a chance to interact with successful graduates in many fields. **Pat Salerno '58** (also a former Central English teacher and CHSAA's current President), said the interaction between generations has been well-received.

"Both students and inductees have enjoyed this special opportunity to converse with one another" he said

Other Alumni Association activities include retaining CHS memorabilia and historical documents; maintaining display cases in the school; keeping record of materials written by CHS graduates; and helping alumni plan events and organize class reunions.

PEP (Parents, Educators, and Pupils)

• Benefiting Central's teachers and students

Since it was established in 1979, PEP has functioned as Central's parent-teacher organization.

PEP raises funds to benefit Central and its students through the sale of the school's directory, refreshments at fine art events, and CHS specialty items such as t-shirts and sweatshirts.

The organization also holds an annual auction to provide funds for student scholarships and teacher grants. These funds are awarded to Central teachers for classroom materials and special projects.

Last March, the 24th annual PEP Auction raised \$60,000 for scholarships and teacher grants. According to **Kendra Quinlan**, one of the organization's co-presidents, assistance from the CHS Foundation was essential to its execution and success.

PEP Auction 2004 Co-Chairs (and 2004 Co-Presidents) Mo Anderl '72 and Kendra Quinlan.

"The Foundation is absolutely instrumental to the PEP fundraiser. Without the Foundation's database of alumni, parents, and staff, I don't know if we would be able to do it," she explained.

In addition to raising funds, PEP helps plan and provides assistance for many of Central's annual events, including the Post-Prom Party; the Holiday Tea event for faculty; freshmen orientation; Purple Feather Day (for students with a cumulative grade point average of 3.25 or higher); and the Senior Recognition event.

CHS Band Parents

• Supporting Central's band program

The CHS Band Parents is an organization of parents and students that assists with band activities. This dedicated group helps to transport instruments, organizes volunteers and assists with a variety of band events such as parades.

"The Central High Band Parent organization makes a great impact on the school. We support the band both financially and physically," said **Cindy Coldwell Serfass '78**, who, along with husband **Bob Serfass**, were co-presidents of the organization during the 2003-2004 school year. "It is the support of the parents that helps keep the band running. We help load and unload equipment, provide needed refreshments, and assist the band at football games."

The organization meets monthly and puts out a periodical newsletter as well.

"We keep information flowing and we have even completed a renovation of the band room," said Cindy.

Band Parents is also involved in the Swing Dance. Held each spring, the event includes an alumni/parent band that Band Parents helps to organize. Cindy indicated that this program has been very successful with alumni, and that next year they anticipate forming two bands.

In the past year, Band Parents has switched their finances over to the CHS Foundation. This has helped the organization function better financially. Cindy said she is thankful for the Foundation's help.

"Thanks and double thanks to Terry Price who I know made more than one trip to Central with a needed check," she said. "We were much more able to create a budget and plan for the future with the help of the Foundation."

V.O.I.C.E. (Volunteer Organization Investing in Choral Excellence)

students' participation in competitions.

Advancing Central's vocal music and fine arts program

Central's V.O.I.C.E. organization promotes Central's Vocal
Music Department performances and provides assistance for the
department through volunteers and financial support, while also
supporting Central High School as a whole. It does this in part
by paying for all A Cappella and CHS Singers uniforms, and by sponsoring vocal music

Matt Hovde '92, a former member of A Cappella

elite "Second City" acting school. He has fond

"The CHS Singers in particular have always been

ideal ambassadors for the program and for Central

competition, and celebrating music and friendship

indeed," he said. "I am still inspired to this day by

all the arts and theatre I learned while at Central."

itself. Memories of caroling at the Joslyn Art

with my fellow singers are worth preserving

Museum, tackling challenging choral works for

memories of his music program experiences.

and CHS Singers, is currently working in Chicago's

Former CHS Singers '98 Corey McCallan, Luke White and Jenny Kniewel enjoying the Madrigal Feaste in March 2004.

Longtime Central vocal music instructors Patricia Allender (taught 1964-97) and Bob Mc Meen (taught 1967-95) were honored at CHS Singers 30-year celebration.

This past March, V.O.I.C.E. and Central's music department celebrated 30 years of CHS Singers.

During its annual banquet, the Madrigal Feaste, CHS invited former members of the CHS Singers to perform alongside with alumni and students. The CHS Foundation's database was utilized to extract names of all former CHS Singers, so they could be invited to attend the anniversary event. The event drew 280 people, about 100 more than would usually attend.

"With the help of the Foundation, we were able to produce a targeted mailing and contact alumni who participated in CHS Singers during the last 30 years," said **Shelley Erikson**, V.O.I.C.E. co-president. "We were able to raise money for five \$400 scholarships which we wouldn't have been able to provide otherwise. The Foundation's database is a great thing to keep people in the loop."

Athletic Booster Club

• Assisting Central's athletic teams, cheerleaders and pom squad

The Athletic Booster Club was established to help improve and support Central's athletic teams, cheerleaders, and pom squad. The group reviews athletic spending budgets, finances each season's sports banquets, works to promote memberships to the Club, and organizes fundraisers.

One such fundraiser is the annual Golf Outing, which began in 2003. Approximately 220 golfers have participated in the first two golf events, which raised a total of \$27,500. These proceeds have been earmarked for the purchase of equipment for the Athletic Department, which will likely include items associated with the new multi-purpose stadium and field: press box chairs, concession stand equipment, a vehicle to transport track and football equipment, etc. Next year's Golf Outing is scheduled for June 6, 2005 at Ironwood Golf Course.

Dr. Dan Blanke, who with his wife **Kathy**, has led the club the last three years, said the Athletic Booster Club has visited with many of the school's coaches to offer assistance.

"In the last couple of years, we have provided the opportunity for coaches to make requests of the Booster Club. As a result, we have recently furnished the girl's soccer team with a camcorder, provided uniform assistance for the men's wrestling team, and purchased goals for the indoor soccer team and a batting cage net for the baseball team, among other things," he said.

The Foundation has supported the Booster Club in its work by providing a web master to post all of the group's information on the Foundation website. According to Dan, this has become the organization's primary communication tool and a mechanism to highlight all athletes, coaches and teams. He said he is thankful to the Foundation for its help in furthering the Booster Club's achievements and is optimistic about the club's future.

Dan also added, "If Rusty (Crossman) had not taken the initiative and told me about the status of the Booster Club and its importance to CHS I may not have become as involved as I did."

Foundation Honors Teacher, Student of the Year

Since 1999, the CHS Foundation has sponsored the annual Senior Recognition Event and honored a Teacher and a Student of the Year with a special award.

The Foundation's Board of Directors selects the Teacher of the Year award from the talented educators who have been nominated. Anyone can nominate a deserving teacher to be recognized. One of the Foundation's endowment scholarships is named for the winning instructor that year, and the winner receives a crystal paperweight inscribed with their name as "Teacher of the Year."

Students nominate themselves for the Student of the Year award by completing the Foundation's nomination form. They list their accomplishments, activities inside and outside of school, and also submit an essay. All personal information is removed from the forms, and they are distributed to the Foundation's Board of Directors, who vote for their top six choices. The six nominations receiving the most votes are then passed along to the Foundation's Board of Counselors, who make the final decision. The

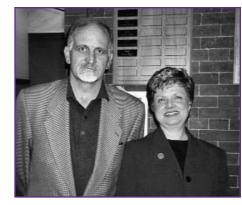

winner gets a \$1,000 scholarship and a marble paperweight inscribed with their name as "Student of the Year."

The winners' names are added to the recognition plaques in Central's courtyard, one to honor the Teacher of the Year, one for the Student of the Year. Below is a list of our fabulous award recipients:

	<u>Teacher</u>	Student
1999	Lyn Bouma	David Rennard
2000	Vicki Wiles	Andrew Ludwig
2001	Carol Hipp	Noah Priluck
2002	Vicki Deniston Reed	Hallie Wunsch
2003	Alice Bunz	Alex Jochim
2004	Harry Gaylor	Philip Witchger

(Left to right) Rusty Crossman, president of the Central High School Foundation, with Student of the Year 2003 Alex Jochim and Central principal Jerry Bexten.

Marketing teachers Harry Gaylor (Teacher of the Year 2004) and Alice Bunz (Teacher of the Year 2003).

(Left to right) Jerry Bexten and Rusty Crossman help Student of the Year 2004 Philip Witchger and his parents, Maria Teresa Gaston & John Witchger, hold up his \$1,000 scholarship check.

Alums Create Appeal for Marian Mortensen Speech & Debate Fund

The idea for a special appeal honoring Central speech and debate instructor **Marian** Mortensen was conceived by alum Peter Weil '51.

"A couple of years ago I was reviewing the CHS Foundation annual report, which listed various departments at Central and the dollars needed to run their programs," he said. "After Speech & Debate it said only 'all contributions will help."

Weil had enjoyed participating in speech and debate activities throughout high school, and had especially appreciated the coaching efforts of a young teacher named Marian

"She was a great teacher, and there was a real camaraderie in our debate squad circle. I made good friends," he said. "The idea of the fundraising letter seemed like a way to remember Marian Mortensen, help the school, and get in contact with people again."

With his friend Karen McKie Prevetti Kersten '52, Weil scoured O Books and contacted the CHS Foundation to establish a mailing list for the appeal. In March 2003, the two co-signed a letter that generated a 40 percent response rate - and \$7,350 to benefit Central's Speech & Debate Department. The funds have been used this past year

to help send Central students to national competitions in Boston and Washington, D.C.

Due to its success, a second Marian Mortensen Speech & Debate Fund letter has been sent this summer. Funds raised through this appeal will help send students to state and national events during the 2004-05 school year.

In Honor of a Life Well-Lived

The Ramona Byers Sanders ('65) Memorial Scholarship is in honor of a woman who possessed spirit and personality, and dedicated her life to the service of others.

Mona, as she was known, was a caring mother and a great friend to anyone in need. Ramona was involved with drama at Central and graduated in 1965. She later attended the University of Nebraska at Lincoln. Ramona often reminisced about the wonderful years she spent at Central High, and her friendships that lasted long after graduation. She loved visiting with old friends, and returned to Omaha often. She was especially close to her older sister Catherine, aka Bobbie Byers '59.

Ramona married Rob Sanders in Omaha in 1967. She and her husband spent several years living in Guatemala and Honduras. After their return to the United States, Ramona earned a Masters Degree in counseling from Kansas State University. While in Kansas, she served as secretary of the local NAACP. Ramona and Rob had two daughters, Sarah Katherine and Elizabeth Rudbeck. The family moved to Jacksonville, Florida, in 2001

Ramona died somewhat unexpectedly, on October 15, 2003, after a brief illness. She possessed the rare combination of great physical beauty along with a unique and radiant personality. She will be long remembered by those whose lives she touched.

Remembering Ramona's love of drama while at Central, and recognizing that her sister is an actress and her brother is a theatrical sound engineer, the anonymous donor of the Ramona Byers Sanders Memorial Scholarship has stipulated that the scholarship go to a CHS senior involved with drama, whether on stage or on the stage crew. The Scholarship was established this last year, and the first recipient was Jason Nehrig '04

On July 10, 2004, three members of the 1950-51 CHS debate team met in Ann Arbor, Michigan, for a picnic. They recounted old triumphs as well as a few of their narrow defeats and "resolved" to meet again next year with a larger group of the team. There was no debate on that subject. Pictured at the left, from left to right are Jerry Brodkey '51, Karen McKie Kersten '52, and Joe Armstrong '51.

Planning Ahead for Central's Future

There are many ways to give to the Central High School Foundation, now or in your estate plan. You may wish to consider one of the following options:

Bequests: For many donors, making a gift through your estate is the most realistic way to provide a substantial contribution to the CHS Foundation.

Gifts of Insurance/Retirement: You can amend an existing insurance policy or retirement plan to name the CHS Foundation as one of your beneficiaries.

Appreciated Securities: Your outright gift of long-term, appreciated securities (stocks, mutual funds and bonds) is exempt from capital gains taxes.

Gifts of Real Estate: You can make a gift of commercial or residential real estate to the CHS Foundation and receive substantial financial benefits.

Charitable Gift Annuity: A gift annuity is a contract between the donor and the CHS Foundation that provides the donor a guaranteed payment for life and a charitable income tax deduction. Deferred gift annuities are also available.

Charitable Remainder Trust: A charitable remainder trust provides a lifetime income and a charitable income tax deduction.

DONATIONS JULY 1, 2002 - JUNE 30, 2004

Our listing includes the names of people who gave to one or more of the following groups thru the CHS Foundation: CHS Foundation, CHS Foundation Scholarship Endowment Fund, PEP Auction 2003 and/or 2004, Alumni Association (including Alum. Assn. memberships), Golf Outings 2003 and/or 2004, V.O.I.C.E. donations and Band Parent donations. Both unrestricted and restricted gifts are included...
