Dear Supporter,

We hope you are having a great fall!

Last weekend we celebrated the induction of 10 new members into the Central High School Hall of Fame! This year we made some changes to the program, making it a two day event. Each inductee was paired up with a Student Ambassador that is a member of the CHS Senior Class and National Honor Society. At the ceremony the Student Ambassador introduced their inductee and presented them with their plaque. Friday morning, inductees spoke to classes that pertained to their field of expertise, such as Math, Economics, and Team Sports. Friday afternoon all of the honorees attended a luncheon at the Joslyn Art Museum with their families, Student Ambassadors, and CHS teachers. Friday evening a tailgate party was hosted in the Gym Lobby before the football game against Millard West, and at halftime honorees were recognized. Special thanks to The Central High School Alumni Association who helped make this event the best it could be!

Another great event is headed our way, "Many Paths, One Spirit!" Be sure to mark your calendars for an all class reunion for Class of 1959 and Prior. It will be held May 1-2, 2014, surrounding the 100th Annual Road Show. This is going to be a great time to reconnect with your old classmates and friends! Keep an eye out for an invitation coming to your mailbox soon!

Again, thank you for helping perpetuate 153 years - and counting - of tradition and excellence! Go Eagles!

Sincerely,

Michele Roberts

Introduction to World Religions Class visits Om Center

Students learn about the art of creating a sand mandala from Tibetan Buddhists.

After school on Wednesday, August 28th, 18 students from the Introduction to World Religion classes visited the Om Center in the Old Market to watch a group of Tibetan Buddhists from the Gaden Shartse monastery in India create a sand mandala.

Watching the team of monks recreate an ancient tradition by building a Sacred Sand Painting dedicated to the female Buddha of Compassion, Green Tara is said to open the mind and awaken the spirit. When a Mandala is

built of sand, the goodness that it brings is multiplied by the number of grains of sand that it contains.
